ABOUT US

Food access is essential.

At the time of this publication's printing, local farmers are working quickly to adapt to the unique challenges presented by a global health crisis.

Purchasing local food may look and feel different this year, but the farmers' commitment to providing safe and healthy food is unchanged. Now is the time to buy local!

Please use this publication to connect with farms, markets, restaurants and local food retailers to see how you can continue to access their products this season.

Our Mission

Photo by Stories Framed Photography at Tosa Farmers' Market

Our mission is to support a sustainable agricultural economy in Southeastern Wisconsin by connecting residents in the region with food and agricultural products that are produced, processed, and sold locally.

Join the Farm Fresh Atlas!

List in the Atlas to share your story, connect with consumers and showcase your commitment to local food. 100% of your listing fee directly supports the production and distribution of this regional print publication.

Each spring, copies of the Atlas are distributed throughout Southeastern Wisconsin to libraries, visitor centers, grocery stores, hospitals, and more. Even more consumers are reached via online listings at farmfreshatlas.org.

Please contact farmfreshsewi@gmail.com to list your farm, restaurant, business or organization in the Farm Fresh Atlas!

THANK YOU!

It is with your support as farmers, market managers, business owners and dedicated readers, that we will continue to be a valuable resource in 2020, and beyond.

*Sincerely,
Farm Fresh Atlas™
of Southeastern Wisconsin*

For the past 15 years, the Farm Fresh Atlas™ of Southeastern Wisconsin has been committed to connecting consumers with local foods and goods in our efforts to support a sustainable agricultural economy. Join us in recognizing the farms, retailers and markets with us **since 2005!**

We are a grass-based, certified organic family farm specializing in 100% grass-fed beef, pastured pork, pastured chicken, and organic eggs (from our free-ranging, bug-eating chickens). We pride ourselves in raising our livestock on lush pastures that support not only our animals, but also provide for wildlife like bees, butterflies, and grassland birds. High quality and tasty food raised with nature is our mission.

EASY BERRY SYRUP

Combine berries and sugar in a medium saucepan and then mash together. Bring to a boil over medium-high heat then reduce to a simmer. Simmer uncovered for 10 minutes. Remove from heat and add vanilla. Serve warm over pancakes or waffles. Let cool before serving in cocktails or over ice cream.

Ingredients:

- 1/2 cup local berries, washed
- 1/2 cup sugar
- 1 T. vanilla

Simple and delicious!

We raise Scottish Highland Cattle, a very unique breed that has a sweeter meat that is more naturally marbled thanks to the way they process their food. Their long hair offers them the opportunity to NOT have that thick layer of back fat common in other beef breeds. Natural farm-raised beef the way Grandfather did 70+ years ago. We sell by the quarters and halves. Pre-orders only by phone. Get on our beef list by calling Jean or coming out for a farm tour to see how we raise our cattle. Please call ahead.

LarryVille Gardens is a small vegetable farm. It is run by one woman and has 11 acres total, 6 acres that are farmed. 3 of that acreage is in soil building cover crops at all times. LVG is a regenerative farm, we are aiming for a soil as close to the created one as we can get. For 12 years we have managed our soils with better than organic principles, to increase the nutrient levels, organic matter, and production capacity. Growing the beneficial insect community and balancing the ecosystem more every year. Our crops have become more nutrient dense and better tasting as well. We sell to our local community thru a very small, very long CSA, 3 local farmers markets and on the farm. We hope to meet you too one day, for a mutual vegetable appreciation session!

info@wisconsinfarmersunion.com
wisconsinfarmersunion.com

Wisconsin Farmers Union is a member-driven organization committed to enhancing the quality of life for family farmers, rural communities, and all people through educational opportunities, cooperative endeavors, and civic engagement. Educational efforts focus on renewable energy, land conservation, sustainable farming, fair trade and local foods. Since 1930, WFU has championed cooperatives and other community-based businesses. WFU Kamp Kenwood summer camps on Lake Wissota deliver a unique blend of cooperative philosophy, leadership development, and social justice education to rural and urban kids, while building awareness of the value of family farms and strong communities. Together, we're United to Grow Family Agriculture.

WLFN is a collection of individuals and organizations that share a common vision for Wisconsin: a state that empowers communities and businesses to build healthy, local food systems that support sustainable farms of all sizes, a strong infrastructure for those farms and supporting food businesses to thrive, and equitable access to healthy locally grown food for all Wisconsin residents. If you support this vision and are working toward such a Wisconsin -- then you are a part of the WLFN and the WI Good Food Vision. Attend our annual summit, invite us to facilitate a regional WI Good Food Vision stakeholder meeting, and join our statewide listserv today!

MASHED POTATO CASSEROLE

Recipe by Kate Jerome

Cook potatoes until tender. Cook cabbage in boiling salted water about 6 minutes. Drain potatoes and return to pot. Place over low heat and shake, uncovered about 30 seconds to evaporate excess moisture. Mash with cream cheese and salt. Fold into scallions and cabbage. Season, pour into oiled 3 qt baking dish and top with cheese. Bake uncovered 30-50 minutes at 425 degrees, until golden.

5 potatoes, peeled and cut into 2" chunks

6 c. shredded green cabbage

4 oz. reduced fat cream cheese, softened, cut into pieces

1 tsp salt

½ c. thinly sliced scallions

1 c. extra sharp cheddar

FARMERS' MARKETS

The 2020 farmers' market season will be unique. Here are some tips for safely supporting local farms while shopping at the farmers' market this summer:

- Connect with markets to confirm their 2020 schedule and any new policies
- Come with a list of products, but be adventurous enough to try new things!
- Utilize handwashing and hand-sanitizing stations
- Refrain from touching items until purchase

Check if your favorite vendors offer pre-orders to be picked up at the market.

FARMERS' MARKETS

Fondy

Location: 2200 W Fond du Lac Ave, Milwaukee
Contact: khassemer@fondymarket.org or (414) 562-2282

Early Season Markets   
 5/9/2020-6/20/2020,
 Saturday 9:00 AM-12:00 PM

Join the Fondy Farmers Market for early spring markets, starting the day before Mother's Day, to get seasonal produce, starter plants for your garden, flower baskets, eggs, honey, and more. The season starts small with a few vendors, and grows as there becomes more to sell.

Regular Season   
 6/27/2020-11/1/2020, Saturday 7:00 AM - 3:00 PM.
 Sunday | Tuesday | Thursday 9:00 AM - 3:00 PM.

The Fondy Farmers Market is an open air market with over a 100-year history. The market creates space for community members to connect and features more than 40 farmers and local food producers. Live music in Fondy Park on Saturdays, Seasonal Soul Cooking Demos, free yoga on select dates, and a weekly theme. The Sunday/Tuesday/Thursday market days have a small handful of vendors, mostly produce farmers, allowing fresh food access on more days to more customers.

Late Season Markets 
 11/7/2020-11/21/2020, Saturday 9:00 AM-12:00 PM

The Fondy Farmers Market extends into November on Saturdays until the Saturday before Thanksgiving. Farmers bring fall produce, eggs, honey, and meat. The size of the market is based on how many vendors still have product to sell. WIC and Senior vouchers expire at this point of the season, but we welcome EBT at all times.

FARMERS' MARKETS

TIPS FOR COOKING WITH HONEY

1. Wipe the rim of a newly opened jar of honey with vegetable oil to prevent the lid from sticking.
2. Oil a liquid measuring cup before adding honey to make it easy for honey to slide out after measuring.
3. Use a one-to-one substitution of honey for sugar in most yeast, muffin, pancake, or waffle recipes.
4. When substituting honey in recipes calling for 1 cup or more of sugar, reduce the other liquids in the recipe by $\frac{1}{4}$ cup for every 1 cup of honey used.
5. Reduce the oven temperature by 25 degrees if using a recipe not designed for honey as an ingredient.
6. One 12-ounce jar of honey is equal to 1 standard cup.
7. Store honey in a tightly closed container at room temperature.
