1,000 ingredients. 1,000,000 opportunities. One Thera-Plantes.

Thera-Plantes is a leading natural and botanical bulk ingredient supplier for Canadian and U.S. manufacturers serving its North American customers from warehouses located on both sides of the border.

Thera-Plantes provides one-stop sourcing and supply solutions to the pharmaceutical, personal care, and the food & beverage industries, as well as those in sports nutrition and animal health & nutrition. Our company has grown over the past 20+ years as we continue to invest in our repertoire, reputation and resources and continue to reliably serve our customers.

Here are some of the ways you can experience this:

Expertise: We have over 40 years of combined experience in all natural product sectors.

Reputation: We are the ingredient supplier of choice for leading manufacturers across North America.

Service: Helpful, efficient service guides the actions and interactions on behalf of our customers.

Our global network: We have built an impressive global network of trusted ingredient manufacturers and suppliers, ensuring access to hard-to-find ingredients.

Satisfaction Guaranteed: 100% satisfaction with your order or we replace it.

Just-in-time delivery: We understand our role in the supply chain and pride ourselves on having a long and successful track record of on-time deliveries.

Documentation: We will provide all necessary documents and information as requested by your quality control, including allergen and residual solvent statements, etc.

Come to us for:

- Botanical & natural ingredients, including powders, powdered extracts, liquid extracts, enzymes and oils
- Choice of conventional, wild-crafted, or certified-organic ingredients
- Non-GMO ingredients
- Kosher ingredients
- Fair-trade ingredients
- WADA (World Anti-Doping Agency) compliant ingredients

Accreditations & Memberships:

Thera-Plantes is a proud member of:

Ecocert: A leading organic certification body

Star-K: A leader in the world of kosher certification

The Canadian Health Food Association (CHFA):

Canada's largest trade association dedicated to natural health and organic products

CASI: A purchasing cooperative to reduce the cost of purchasing for our customers who are members

Our bulk ingredients are offered in either conventional or certified-organic formats and in a variety of presentations including powders, extracts and liquids which fall into the following main categories:

- Botanicals
- Vitamins & Derivatives
- Fruits, Vegetables & Spices
- Enzymes & Probiotics
- Amino acids
- Essential oils
- Nutraceuticals

Botanicals:

Thera-Plantes is your one-stop solution. We are sourcing specialists who excel at supplying natural, organic and custom ingredients from trusted manufacturing partners worldwide. We only work with suppliers who meet our high standards of ingredient quality.
