2022 Catalogue

Our MISSION

IS TO DO ALL
THAT WE
CAN WITH WHAT
GOD HAS GIVEN US.

Bethel Baptist print ministry began as a local church ministry in 1991. Since then, we have been the exclusive printers for Way of Life (26 years), and for Reformers Unanimous in Rockford IL, (16 years). We print for Baptist churches, preachers, missionaries, evangelists, etc.

Send us your completed manuscript and we can help you create your project from start to finish. We are equipped to deal with Mac or PC. Our print shop is able to provide help with graphic design for your covers or prayer cards. We do short run books from 50-1000. This shop is fully digital and we operate with the newest Xerox equipment for a professional result. All book covers and prayer cards are UV coated for a strong, glossy, long-lasting finish.

We have witnessed God work in a mighty way through this ministry. Operating expenses are paid for by our church, book sales, and offerings. We ask you to pray for Bethel Baptist Print Ministry. If you are able to assist in any way as the Lord would lead, may the Lord bless you for it. Paul commended the church at Philippi for their giving hearts, "Not Because I desire a gift: but I desire fruit that may abound to your account".

JAMES H. BROOKES

Born in Tennessee in 1830, James Hall Brookes was the son of a Presbyterian pastor and church planter. He worked his way through school at Princeton, met his wife Susan, and went off to his first pastorate in Dayton, Ohio.

James Brookes built a strong church in St. Louis and pastored for 39 years. He preached around the country, was also convinced of the pre-millennial coming of Christ, during a time when very few people held to such a view.

Dr. Brookes considered himself a Bible-believer and spent considerable time and money defending the Authorized Version. He resisted the English revision committee and proved himself ahead of his time in venerating the KJV, and warning about the coming confusion concerning translations. In his magazine, *The Truth and Testimony of Jesus Christ*, Dr. Brookes freely exposed the errors of modernism, compromise, and clergy unbelief.

Way of Life is a preaching and publishing ministry founded and directed by David W. Cloud. In 1992, Bethel began printing literature for Way of Life Literature, and in 2001, the headquarters of Way of Life formally moved to Bethel from its previous location in Oak Harbor, Washington, to provide a more central location for the distribution of books all over North America.

Way of Life Literature has published roughly 200 books in fifteen languages, including the widely-used Way of Life Encyclopedia of the Bible & Christianity. Brother Cloud is also the founder of the monthly *O Timothy* magazine, which began in 1984 and is still published monthly.
