

1 CANOE 2

• UNITED STATES •

1canoe2 letterpress is the stuff dreams are made of - Carrie and Beth are childhood friends who always loved to draw. Now the two are all grown-up and work together as professional illustrators, designers and printers. The name 1canoe2 comes from years of the two dreaming up big ideas around a campfire and floating down a spring-fed Missouri river in a canoe. Two girls, one canoe. Carrie and Beth asked Carrie's sister-in-law Karen to join the team. Now three women strong, 1canoe2 is chasing bigger dreams and creating letterpress art that makes people happy.
