ACCOMMODATIONS:

Motel 4, Callaway..... 308/836-2226
Winfield Inn & Suites, Arnold..... 308/848-2462

AIRPORTS:

4,200' paved landing strip at Broken Bow.
Commercial service: North Platte, Kearney & Grand Island

SALE SCHEDULE:

Sale cattle may be previewed any time before the sale.

On sale day, Thurs. Feb. 4

12 pm (CST) - lunch in our sale barn

1 pm (CST) - sale begins in barn and on DV Auction

DELIVERY:

Free Bull delivery on purchases of \$5,000 or more to one buyer at one location within a 400 mile radius if Ridders make the delivery.

SELF-HAUL REBATE:

\$100 rebate on bull & \$20 on heifer purchase prices if hauled sale day or picked up within one week. Buyers hauling out-of-state – we'll pay your fuel cost above \$100 on your trip home.

HEALTH:

All cattle are sold in good health and breeding condition on sale day. 2-year-old bulls: poured with Dectomax, semen tested, and scrotal and pelvic measured. Buyer will receive semen papers after the sale. Yearling bulls: buyers have option to leave their purchases for semen testing and horn tipping as soon as possible. Heifers: Bangs vaccinated, have not been exposed to a bull, ready to go to any state.

BULL BREEDING GUARANTEE:

We guarantee the first 60-day breeding season. In the event an adjustment is necessary, it will be made with a suitable replacement or credit in the next Ridder sale. No adjustments after 6 months.

SELECTION ASSISTANCE:

Contact us or any of our Livestock Representatives.

Every effort has been made to produce a mistake-free catalog. Announcements from the block will trump catalog notes.

In this sale catalog we aim to provide you the best tools you need to make solid decisions for your herd and your goals. We provide:

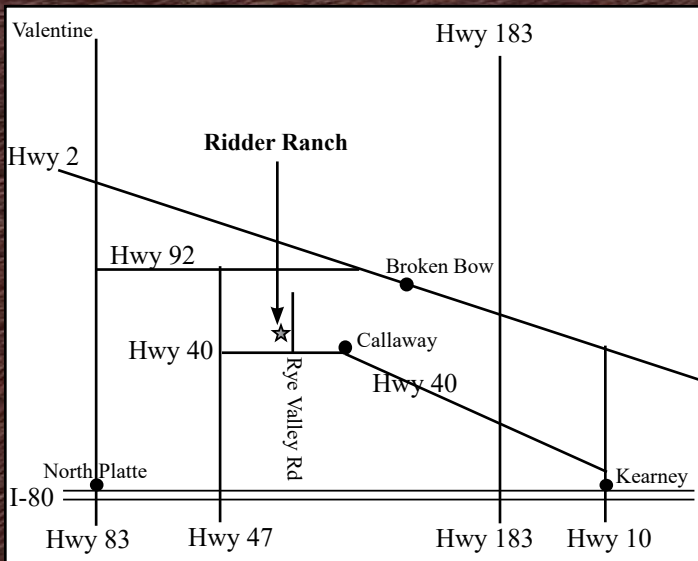

- ★ Actual BW, Adjusted WW and Adjusted YW Performance.
- ★ Birth, weaning, yearling and milk EPDs.
- ★ Calving Ease ratings (see below left).
- ★ Carcass information including numbers and ratings (see below).
- ★ Dam's MPPA.
- ★ EPDs current as of 11-23-2020.

Supplement sheet on Sale Day will include:

- ★ Sale Day weights on all cattle.
- ★ Scrotal & Pelvic measurements on all bulls.

RANCH DIRECTIONS:

From Callaway: 6 miles west on Hwy 40 to our red ranch sign, then 2 ¼ miles north. 60 miles northeast of North Platte, 70 miles northwest of Kearney, 30 miles southwest of Broken Bow, 140 miles southeast of Valentine.

GALVING EASE

We've ranked our bulls as follows:

- ★★★ Foolproof
- ★★ Extremely desirable
- ★ Recommended

12 of our 14 yearling bulls are ease of birth specialists.
 70 of our 78 two-year-old bulls are calving ease bulls.

The averages of our Actual BW for:

- 3 ★ is 71 pounds
- 2 ★ is 77 pounds
- 1 ★ is 83 pounds
- No ★ is 88 pounds

Our average Actual BW for all 92 bulls is 80 lbs.

*Sale catalog by Hereford America.
 View online at www.herefordamerica.com.*

CARCASS RATING

- ★★★★★ Top of the Breed (top 20%)
Most genetic improvement attainable.
- ★★★★ Breed Leader (second 20%)
Provide excellent genetic improvement.
- ★★★ Excellent (third 20%)
Good genetic improvement.
- ★★ Good (fourth 20%)
Average for all ultrasound Hereford cattle, thus upper part of the breed.
- ★ Acceptable
Herefords that still rank above U.S. beef population for carcass value.

*High Speed Internet Access Required

MPPA - Most Probable Producing Ability:

Measures individual performance, plus the Dam's and Grandam's progeny.

Calving Ease:

We pelvic measured our Heifers many years, and we learned that you can have a good-sized, vigorous calf without having calving problems. We also pay attention to the shape of the Sire. In other words, you don't have to keep down-sizing your cattle to achieve calving ease.

We recommend these 1, 2 and 3 Star Bulls for first service based on several factors including their sire, their dam and their own birth weight.

They are equally ready for service on your Cow herd.

\$\$ Indexes:

Baldy Maternal Index (BMI), is a maternally-focused index based on using Hereford bulls on Hereford x Angus cows with a progeny endpoint directed towards Certified Hereford Beef (CHB). ** Emphasizes fertility, CE, WW, IMF and REA with slight negative pressure on yearling weight to keep the mature size of cattle manageable.

Certified Hereford Beef (CHB), is a sire index based on using Hereford bulls to sire calves for the CHB market. ** Some emphasis is applied to CE with positive pressure applied to WW and YW, IMF and REA. No emphasis placed on fertility.

Welcome!

We have a great offering for your herd improvement.

The coming yearling Bulls are our best ever. They have several new sires represented that gave super thickness, correctness, and style.

The 70 plus 2-year-old Bulls are very uniform and grown to make big turnout Bulls with maximum libido and serving capacity. They are not fat.

The 75 head of replacement Heifers are a top end group. Wish we had the pasture room to keep them all. Our selection pressure on BW and calving ease has given us the right results. I know many of you use our

Bulls for first service. You've told us that the results have been very satisfying for you.

All of these Bulls and Heifers are full of the strongest maternal traits possible. Our goal of top carcass traits has seen dramatic improvement, especially in marbling.

Thank you for your trust in us and thus your selection of our cattle.

We're pictured above with a young woman we met over a year ago at the Aspiring Young Cattlemen program during the Kearney Classic. Gracie Schneider was selected for this program which helps young people build their own cow herd. We were matched, and she chose her Heifer from among all of our 2019 replacements this past March. Best wishes, Gracie!

Sincerely,

the Ridder Family

Tribute to Jim -

We take this opportunity to thank our auctioneer Col. Jim Birdwell for many years of the most professional and courteous service ever to us, and to our Beef Industry. We can't replace him with just anyone. It had to be the next best in his son Joel.

Welcome Col. Joel Birdwell to Ridder Hereford Ranch's sale and our great customers! And best wishes Jim on your retirement from auctioneering.

Ear Tags

We score every bull in our production sale for Calving Ease and have placed this score on his ear tag, as well as in this catalog next to each animal's pedigree.

This is a tool to assist you in selecting for bulls to use on first service for your heifers.

And you can easily choose and remember these bulls at turnout time in subsequent years without referring to your catalog.

Here are examples of the 4 types of tags a Bull may have. Page 2 also has our First Service bull explanation.
