LECTIO DIVINA FOR NEXT WEEKEND

This week is Holy Week. The heart of our Church Year is the Sacred Paschal Triduum or "The Three Days." It begins on Holy Thursday night and goes through to Easter Sunday night. These days we enter into a Mystery and not just history. We do not reenact Jesus' Death and Resurrection. We allow the mystery to enter into us, so that we may more fully live out Jesus Life, Death, and Resurrection in our lives.

- How will you observe Holy Week?
- Have you carved out time in your schedule to observe The Sacred Paschal Triduum?

As he rode along, the people were spreading their cloaks on the road; the whole multitude of his disciples began to praise God aloud with joy for all the mighty deeds they had seen.

NOTES FROM FR. TOM

THE SACRED PASCHAL TRIDUUM

When we started Lent, there was a goal in mind. Here we are. The goal of our Lenten Season is Holy Week, especially the celebration of the Triduum. The word “Triduum” is Latin, meaning “Three Days.” We celebrate over the course of three days, one liturgy. The Triduum starts on Holy Thursday night with the “Mass of the Lord’s Supper.” There is no end to this Mass, no final blessing, no conclusion. We take up where we left off, at the Good Friday liturgy, “Friday of the Passion of the Lord.” There is no sign of the cross to begin this liturgy and no formal conclusion either. On this day we are in the heart of the heart of our Triduum experience. The following day is Holy Saturday and “The Easter Vigil in the Holy Night.” There is no formal beginning to this liturgy because we take up where we left off the previous evening. We conclude the Easter Vigil having passed over (or Passover) into Easter Day. The Triduum concludes with the Liturgy of the Hours: Evening Prayer on Easter Sunday. Which leads us to celebrate the Easter Octave (meaning, “eight”), in which we celebrate Easter Day over the next eight days which leads us into the fifty day Easter Season. The Triduum – one liturgy, that begins Holy Thursday night and ends on Easter Sunday night, a total of three days.

HOLY THURSDAY, MASS OF THE LORD’S SUPPER

This Mass is not just about us entering into history. This is not just about us reenacting Jesus’ Last Supper. Primarily, this Mass is about a mystery entering into us and enlivening us even more so, with Jesus’ self-gift of his whole being – body, blood, soul, and divinity – in the Eucharist. This self-gift of life and love transforms us tonight and every Sunday. This night the mystery of Discipleship as a life of service – not power or self-importance – is shown through the washing of the feet and the ministerial Priesthood being established.

GOOD FRIDAY, THE PASSION OF THE LORD

This day is not Jesus’ funeral. We call today “good.” We do so for a reason. Today is not an end or a loss. Today is a victory and a gain. The Son of God is freely rejected, accused, sentenced, and is executed on the cross. To the foolish this is foolishness. However, to the Christian this is life. In the midst of it all, Jesus does not think of himself. Over and over again he is always thinking of and loving the ones around him. He is making sure their needs are met. Two crossed beams of wood make the cross: the vertical beam represents the “I,” and the horizontal beam cancels the “I” out. The cross is a triumph of humanity getting over itself. The cross stands as a triumph that we no longer have to live in a lie of egotistical self-sufficiency. The cross cancels the “I” out so that a savior can reach into our lives and truly set us free. In being free, we come to know God’s will. Good Friday is God’s victory over ourselves and a victory to help us defeat our disordered choice for sin and sins deadly effects.

HOLY SATURDAY, THE EASTER VIGIL IN THE HOLY NIGHT

This Holy Night is a play between light and darkness, silence and speaking, reflection and action. This is not about history, but it is about allowing the Mystery to enter our lives. We must start at night, in order to bless fire as a rebellion against the darkness of our times. We sing to the Easter Candle, the Christ Candle – work of bees and made of human hands – to allow the fire of Christ to burn as He greets the Morning Star. We read the ongoing story of our salvation. Time and time again, when we humans got it wrong, God comes to lift up, push through, carry over, and save us from ourselves and the powers of the Enemy. Then we empty out the tombs of our unbelief, we empty out the graves of our deadly living and recommit ourselves to the one who is Life itself.

PARISH OFFICE HOURS

Due to the Triduum/Easter holiday, the Parish Office will be closed Thursday, April 14, and will reopen on Tuesday, April 19.

TRADITIONAL LENTEN DISCIPLINES OF FASTING AND ABSTINENCE

Catholics of age 14 and older ABSTAIN from meat on Ash Wednesday, Good Friday, and all Fridays of Lent. On Ash Wednesday and Good Friday, Catholics ages 18-59 ABSTAIN from meat and FAST, or limit themselves to one full meal and two smaller meals on these two days. This is what Catholics throughout the world do to be joined together in a world-wide, faith community during this holy time.

LIVING STATIONS OF THE CROSS

Please plan on joining us as students from Elyria Catholic High School present the Living Stations of the Cross on Palm Sunday, April 10, at 7:00pm. As these young people act out each Station, you will witness and experience the emotions felt by those who walked with Christ as he was led to his death on the Cross. This will truly be an inspiring experience for all ages and will be a wonderful entrance to Holy Week.

Mary Duley

(Pastor's Column cont'd from page 3)

We choose to cast off what is not Christ within us, so that Christ can live through us. We do this action by our "I DO" at the Profession of Faith and our "AMEN" when we receive the Body of Christ. This leads us to an Easter Day and an Easter Season of the world being "charged with the grandeur of God." (Poem by Rev. Gerard Manley Hopkins, SJ)

These paragraphs do not capture all of what the Triduum is but really only gives a part of the mystery that God has in store for us by our participation during these most sacred days. Everyone should show up – inspiration is a guarantee, Christ present with us is certain, grace filling us: definitely!

I live for Jesus Christ,
Fr. Tom

"Honor your father and mother," this is the first commandment with a promise, "that it may go well with you and you may have a long life upon the earth."
St. Paul's letter to the Ephesians

One easy thing that every person can do, every day, to build up a culture of life is to take this commandment to heart. Give thanks today for those who gave you life and cared for your needs. Give thanks today for mothers and fathers who have taken on the challenges and responsibilities of parenthood – consider what you might do to offer them encouragement and support!

The 40 Days for Life spring campaign ends this week. We sincerely thank all who participated in this campaign to end abortion.

NAVIGATOR NEWS FROM THE SCHOOL

More Science Fair Success – Congratulations 8th grader Elijah Molseed and 7th grader Owen Pry, both of whom received Superior ratings at the District Science Day. Their projects will now advance to the state competition!

Junior High Retreat Day – Last month, the 6 – 8th grades enjoyed a retreat day led by members of the St. Edward High School Student Ministry team. The day was filled with prayer, reflections, an inner look at what it means to be a friend, and team building exercises. Roles were even reversed when the St. Ed's students join our students for the junior high-led Stations of the Cross.

7th Grade Cross Curricular Medieval Projects – Mr. Noah Patera's 7th grade Social Studies class has been learning about the Middle Ages (i.e., Medieval Times). In a cross curricular assignment with their Technology class, the students designed medieval villages, buildings, structures or the like using TinkerCAD, a 3-D modeling and design website. The class then transferred the TinkerCAD files to an OBJ file and printed them on the 3D printers. In the process, they learned how to scale the projects down to minimize the actual print time.

120th Day of First Grade – On March 22nd Mrs. Olivia Kostecke's class celebrated the 120th Day of First Grade! In preparation for the day, the students all made posters at home of a "120 Day Collection" and brought them in to share. In class, they drew themselves on the 120th day of 1st grade and as they would look at 120 years old. The class then compared the two pictures. The students also counted, sorted, and recorded fruit loops by making a 120 Gumball Machine.

Drama Club Hard at Work – The Junior High Drama Club remains hard at work preparing for their production of "The Enchanted Bookshop." Lines have been memorized, costumes are coming together, make-up is being planned, and sets are under construction. Plan to join us on either Friday, May 13, or Saturday, May 14, at 7:00pm at the Westlake Performing Arts Center.

Support Catholic Schools through the Angel Scholarship Fund

Beginning in January of 2022, the Ohio State Legislature has said that Ohioans can now receive a 100% tax credit of up to \$750 against your 2022 state tax liability. You are allowed to direct that money to the newly established Angel Scholarship Fund to be directed to Catholic Elementary and High School students. In other words, the state of Ohio allows you to "spend" some of the state income taxes you must pay anyway to provide tuition assistance for students seeking support to any Catholic school in the Diocese of Cleveland. This will directly impact a family's ability to afford a Catholic education.

For more information and to make an online donation please visit: <https://www.catholiccommunity.org/angel-scholarship-fund/overview>

You may also contact Fred Roberts in Angel Scholarship Fund Office at 216-902-1312 or Tom Holzheimer in the Parish Finance Office at 440-777-4222 for additional information.

A BIBLE STUDY ON THE LUMINOUS MYSTERIES OF THE ROSARY

In 2002, St. John Paul II introduced the Luminous Mysteries to the Rosary. In unique ways, each of these mysteries reveal that Christ is the "light of the world" (Jn 8:20). To more fruitfully ponder these mysteries, join us in this Bible study with the Augustine Institute faculty.
