## THE OIL CITY YMCA NEEDS YOUR HELP

The Oil City YMCA Annual Youth Support Campaigns goal is to raise the funds that ensure that the community's youth and their families have the opportunity to be part of something good—the YMCA.

The Oil City YMCA needs your help to have a successful Annual Youth Support Campaign. Money raised in this campaign enables local youth to participate in YMCA programs and to become a member of the YMCA who wouldn't otherwise have the opportunity. \$60,000.00 was needed last year to help over 500 individuals be a part of the YMCA.

Because of the YMCA's commitment to the community the Annual Youth Support Campaign is needed to continue its mission "no one is turned away because of inability to pay".

All children should have the opportunity to be a part of something good. Please consider making a donation today so that the YMCA can BE the DIFFERENCE in someone's life.

Your contribution can be mailed to the Oil City YMCA, 7 Petroleum St., Oil City, PA 16301 or if you have any questions please call 814-677-3000.

## GALAXY FEDERAL CREDIT UNION EMPLOYMENT OPPORTUNITY

*Galaxy Federal Credit Union* continues to grow. And with growth comes great opportunities! As a result, we have created a new position of Branch Manager at our Franklin office. We are looking for an employee that enjoys working with people as we have over 5,500 credit union members. The new branch manager will supervise the staff and be responsible for administration and efficient operations of a full service office. Superior customer/member service and management skills are required. A minimum of 5 recent years experience in banking regulations, procedures and policies and a Bachelor's degree are required.

If interested and qualified, please mail your resume, references and salary expectations to: Galaxy Federal Credit Union, Attn: Vice President, 1313 Liberty St, Franklin, PA 16323.

### INTERN LUNCHEON DETAILS

Check out the insert enclosed in this month's newsletter to learn more about the Intern Luncheon planned for later this summer. The event will be held on Tuesday, August 3rd at Wanango Country Club at noon. Please plan to send your college interns, by sending in the registration form. There is no cost to your business or to the intern. Contact Susan at the Chamber with any questions.

### BUSINESS TALK OVER BREAKFAST

Businesses and community leaders are invited to attend the first "Business Talk Over Breakfast". The speaker at this event will be Otho Bell from the Venango Regional Airport.

Mr. Bell will share with attendees what it takes to have a successful commercial air service in a rural community as well as what steps we can take to advocate for commercial air service and encourage those in our networks to be proactive in this important community issue.

Several factors have affected the success of our commercial air service to date. Understanding the impact these factors have, and knowing what we can do to overcome them as a community, is vital to sustaining the economic viability of the Oil Region.

# SPOTLIGHT ON NEW MEMBERS: KATATUMBO FIREWORKS

Katatumbo Fireworks is a professional display fireworks company serving Pittsburgh, Western and Central PA. We have the access, the capability and the expertise\* {not to mention the permission of the federal government} to

design a professional display fireworks show that fits your needs and budget. And yes, we have the big stuff! Here are a few not-so-little things that set the professionals at Katatumbo apart.

- Our shows are choreographed from start to finish for time, continuity and flow.
- Our professional staff complies with industry best practices for a safe and enjoyable show.
- Each shell is scheduled and launched remotely, from up to 1000 feet away.
- We know all the "I didn't think of that" things to help you plan ahead. Will roads need to be closed? Should you hire security? Where should everybody stand for maximum ooh and aaah potential?

Oh, and in case you were wondering, your show isn't too small for us. Do you need a single shot? Our professional equipment can be scaled to any size. Grand openings, retirement/anniversary parties, charity events and company picnics are all practically *begging* for a pyrotechnic accent.

Katatumbo Fireworks also offers specialty **Wedding Packages** and our new favorite way to start a fine round of golf, the **Shockwave Start**. Begin your next golf outing with an impressive display of daytime fireworks. We offer a variety of expertly designed Shockwave Start packages. Visit our website, [www.katatumbo.com](http://www.katatumbo.com), for details.

Bonus points: If you are a Facebook friend or Twitter follower, we'll give you an extra 5% discount.\*\* Not a follower yet? Quick, sign up before we notice! [Twitter.com/katatumbo](https://twitter.com/katatumbo) & [Facebook.com/katatumbofireworks](https://facebook.com/katatumbofireworks)

# 2010 GOLF OUTING - SUN & FUN!

Many golfers turned out for the day of fun in the sun for the 2010 Golf Outing!

It was a perfect day with nice breezes, great food and beverages!

Special thanks to **Thorne's Market** for catering the delicious 1 lb Delmonico steak dinner with baked potatoes, salad, rolls, and cake.

We also have to thank our volunteers who assisted us all day: Cindy Mong, Lisa Groner, Amanda Hippenstiel, Christa Battin, and Abby Williams

Let us know if you would like to help at the 2011 Outing!

Tim Carrow of Carrow's Carpet Cleaning swings for the win on hole #1. Tim was a member of our chairperson, Joe Pastor's foursome. Much thanks to Joe for a job well done!

John Moran aims for a hole-in-one... no one got one this year, but a special thank-you to **Williams Insurance & Travel** for sponsoring the hole-in-one contests.

The Putting Contest was a popular spot for the golfers. The other contests: Hit the Practice Ball and Longest Drive were a lot of great fun. Thanks for playing!

David Snedden, Bill Hearst, Ron Wig, and Patrick Pelletier took a moment to pause for a picture before the outing started.

The Chamber would like to thank all the golfers who participated and the sponsors and door prizes donors for making the 2010 Golf Outing a huge success.

## SHOPPING ELECTRICITY?

The Pennsylvania Public Utility Commission has published the fact that they expect electricity rates in Penelec to increase by as much as 22% beginning January 1, 2011. If you shop for an alternate provider for your electric service, you

will be able to eliminate a substantial portion of this expected increase.

If you have the resources and expertise, this is a task that you can take on yourself.

Alternatively, you may want to consider help from a licensed consultant or company experienced in this field. Most consultants work very similar to your insurance broker, collecting their fee/commission only if they find you a rate that you are happy with and you sign a contract.

When interviewing a consultant, you should: 1) check for *experience* in the industry, 2) ask what their *commission* will be, 3) choose a *local company* with local presence, and 4) verify that they are *licensed* with the PA PUC.

The industry is flooded with telemarketers and fly by-night companies that are looking to make a quick buck. We recommend that you find a company and individuals that you trust and know will be there in the future.

For more information on electricity deregulation and the impact that it will have on your business, contact Diana Keisel at Premier Power Solutions [dkeisel@trustpps.com](mailto:dkeisel@trustpps.com) or 814-282-9241.

## CS TECHNOLOGIES PLUS OFFERS NEW VIDEO CONFERENCING TOOL

CS Technologies Plus is now offering a new video and audio conferencing solution. The product is called ooVoo! All of the details and advantages of this new product offering are listed on our website. <http://www.cstechplus.com/ooVoo>

There is a free (2-way) consumer version with limited features and a robust business version (monthly subscription) that will let end-users do up to 6-way video plus 6-way audio conferencing. Anyone can download the full business version and test the product for a 30-day free trial via our website. It is simple to download, install and use. No Credit Card is required.

After the 30-day free trial expires, the user can continue to use the product at no charge, however it will revert down to the 2-way consumer version or they can subscribe to the Full Business Version with 6-way video and 6-way audio conferencing capabilities (subscription rates are on our website). The ooVoo Business Product is an affordable solution for businesses or organizations that are looking for options to eliminate travel expenses and the time required to drive to meetings.

Not only will ooVoo allow end-users to video chat with up to six locations at the same time, it allows you to leave a voice, video or text message if no one answers at the other end. ooVoo offers high quality video and audio. Users can share desktops including photos, presentations, or web browsing, send files during the conference and text chat (instant message) with contacts during or separately from video calls. ooVoo users can even video call people that haven't installed ooVoo. ooVoo paid users can also record video chats.

If you have a web camera and microphone (often the microphone is built into the webcam), feel free to download the "free" version of ooVoo. <http://www.cstechplus.com/ooVoo> There are more than 10 million registered ooVoo users worldwide! You should be one! Call us via ooVoo – just search for Holly Berlin or Lisa Groner on ooVoo after you download it!

What a great way to cut business expenses in this tough economy! Check out ooVoo on our website at: <http://www.cstechplus.com/ooVoo>

## MEMBER SURVEY

In April 2007 the Venango Chamber asked members to complete a survey, to learn how better to serve you. Shortly after the completion of the survey, the Board of Directors engaged in Strategic Planning. With consideration of survey results and a thorough exploration of member engagement and event profitability, the Chamber adopted our three top strategies. Additionally, some chamber events and activities were eliminated and others were expanded upon.

We would once again like to have your input. Members will receive an email with a link to the survey and can access the survey at this link: [www.surveymonkey.com/s/VACCMemberSurvey2010](http://www.surveymonkey.com/s/VACCMemberSurvey2010)

The paper version of the member survey will be mailed to any member for whom we do not have an email address. Members may stop by our office to pick up a copy of the survey to complete. The survey will end on July 31<sup>st</sup>. We value your input and sincerely appreciate your time in providing us with feedback.

## CHAMBER DIRECTOR APPOINTED TO BOARD

Chamber Director, Susan Williams has been named to the board of the Pennsylvania Association of Chamber Professionals (PACP). The mission of PACP is to support and enhance the Chamber profession and increase the vitality of local chambers. In October 2009 the Pennsylvania Chamber of Commerce Executives (PCCE) became the Pennsylvania Association

of Chamber Professionals at its Annual Meeting in Erie. This name change was initiated by the Board to reaffirm that PACP was dedicated to advancing educational opportunities and supporting all professionals working in the Chamber industry.

The PACP is comprised of Pennsylvania local chamber of commerce executives, managers and others employed in positions complementary to chamber of commerce work and is served by a 15 member board. Susan has recently served as the project coordinator for the organization's new website, which is expected to launch in June 2010.

## Chamber Blog

### The balance dilemma...

It just seems like there is so much to do these days and increasingly less time, money and people to do

it. Businesses, organizations and communities are challenged by how to most wisely use their limited resources. Add to that the desire to please each and every member or customer and it can be down right overwhelming. As we strive to be successful, the measure of that success will be judged different by other people.

So it is at the chamber. Our mission has always been and continues to be **building, serving, and promoting business growth for our members and Venango Area Business.** There are a variety of ways we do this.

Businesses contact us daily for information. We coordinate events to allow business networking, along with communication tools like our monthly newsletter. Community events and festivals provide increased business and promotional opportunities. We do our best to stay...

## SPOTLIGHT ON NEW MEMBERS: ALLY'S ART IN THE TRANSIT

It is indeed a treat to wander into the studio of Alice Walkowski, the owner of Ally's Art, located in the National Transit Building in downtown Oil City. You are immediately struck by the display of handcrafted metal clay jewelry, each piece unique. Stepping into the actual studio, you may find Alice busy at work on her next piece or the seats around her table filled with students learning how to craft their own special work of art. Either way, you are always encouraged to step up and take a closer look while hearing an explanation of how the precious metals are transformed.

Alice, an art teacher with the Oil City School District for 35 years, retired in 2006 and wasted little time moving on to her next career. She explains that her first love of art was always about the teaching, but remarks that creating her own art was a close second. Always ready to explore the variety of art concentrations, Alice did not describe herself as being dedicated to any particular medium. One of the things that attracted her to metal clay was how new this process was, first developed in the early 1990s. Metal clay consists of very small particles of metals (such as silver, gold, or copper) mixed with an organic binder and water. Alloys such as bronze are also available. Metal clay can be shaped just like any soft clay, by using a variety of ceramic and sculptural techniques. After drying, it can be fired in a variety of ways including in a kiln or with a handheld gas torch. The binder burns away, leaving the pure metal.

While teaching herself about this new craft, Alice set up a studio in her home. It was by surprise that she discovered the studios at the Transit. This new larger space provided plenty of room for teaching, space for her kiln and many tools and a perfect display area. Additional benefits include the camaraderie of the other artists and the marketing of the Arts in the Transit, which provides good traffic through her business.

Classes are available per a set schedule or by request, to groups or individuals of all ages. Metal Clay is rather expensive, but the tools used are likely to be available right in your own home. For those who aren't so creative, Ally's Art has an extensive selection of finished jewelry, including pendants, rings, bracelets, earrings, tie tacks, etc. Alice is always happy to make custom pieces and can incorporate items like gemstones, beads and sea glass. Previously commissioned works include jewelry for Foxburg, PA and items for individuals. Chamber members may consider having Alice create a piece designed to represent their business or organization.

Alice is certified by PMC Connection and Rio Grande and has taken classes in NC, GA, FL, TN as well as Pennsylvania. She will be one of the artists participating in the Oil Heritage Festival Artisan and Fine Craft Fair on Friday and Saturday, July 23<sup>rd</sup> and 24<sup>th</sup>. Ally's Art is open on the second Saturday of each month, from noon- 5pm and most Thursdays from noon-8pm. While often in her studio at additional times, Alice encourages that you call if you would like to be sure to catch her in. Ally's Art, in Studio 26C is on the second floor of the National Transit Building, just before you cross into the annex. You can visit Alice online at <http://allys-art.blogspot.com> or [www.allysart.etsy.com](http://www.allysart.etsy.com) or contact her by email [allysart@mac.com](mailto:allysart@mac.com) or phon (814) 720-027.

# Intern Appreciation Luncheon

The Venango Area Chamber of Commerce is planning an exciting new event for early August of this year. We often hear talk about brain drain, the scenario where our young people graduate from local high schools, leave the region to seek further education or work experiences and then never return. As a matter of fact, many actually do return, at least temporarily. Each summer many local businesses and organizations employ college interns from schools throughout the region and further. This relationship benefits our community in countless ways. Employers typically reap the benefit of the best and brightest students, who bring energy and creativity along with emerging technical skills to their workplace. The community has the opportunity to engage and invite a future workforce.

The Venango Chamber is planning an Intern Appreciation Luncheon to show our appreciation for the choice these students have made in spending their summer with us. We're hoping you will help us find any local businesses who employ paid or unpaid interns or work/study students who are employed in their general field of study. We would like to have the employer business name, a list of interns, along with their jobs, college name and current major. It is our intention to provide lunch and a brief program to show our appreciation to the students before we send them back to their fall classes.

Please plan to send any college student who is working in an internship (paid or unpaid) or in the work/study program. There is no cost to your business or to the intern but we welcome sponsorships. Those who support the event with a \$100 sponsorship will be recognized at each table and in event publicity.

- We will be sending the interns listed on the back of this sheet
- We will be sending interns and would like to sponsor the luncheon
- We will not be sending interns but would like to sponsor the luncheon
- We will not participate this year but wish to receive correspondence about any future intern events

2nd Annual

# Cranberry Festival Scarecrow Contest

Morrison Park, Seneca, PA

Build: September 17; 2pm-6pm

Judged: September 17; 6pm

Displayed: September 18; 10am-7pm

This contest is open to any individual, business, non-profit, or family who would like to build a scarecrow for fun or promotional purposes. The scarecrows will be scattered throughout the park, dividing certain sections of the festival such as the Arts & Crafts, Car & Motorcycle Cruise-In, Entertainment, Children's Area, etc.

This contest is limited to 25 scarecrows. Ribbons will be awarded to an honorable mention, the top three finalists and a "best of show".

Your scarecrow can be assembled ahead of time or at the park. All scarecrows must be completed by 6pm on September 17th. Scarecrows must be removed between the hours of 7pm and 9pm on September 18th. Scarecrows that are not picked up on September 18th will not be protected overnight \*\*The Venango Area Chamber of Commerce is not responsible for any loss or damage to entries. The Chamber also reserves the right to remove a scarecrow that the committee feels is offensive in regard to race, sex, or religion. The committee also reserves the right to use photographs of the scarecrows for future publicity.

Additional contest rules and information are included on the back of this Registration Form.

2nd Annual

# Cranberry Festival Scarecrow Contest

**Categories:** Individual, Family, Business, or Non-Profit

**Naming:** All scarecrows must have a name :) A sign identifying him/her cannot be larger than 24"x24".

**Themes:** Be creative and use your imagination. We are not limiting entries to a specific theme. Examples: Traditional, Whimsical, Scary, or Funny. Businesses are allowed to include promotional items and advertising propaganda. However, no religious or political propaganda will be permitted. *All scarecrows should be family appropriate.*

**Judging:** Judging will be conducted in the park on Friday, September 17th at 6pm. All scarecrows must be completed by 6pm. Scarecrows will be judged on originality, neatness of appearance, color, and durability. The judges will be comprised of the Cranberry Festival Committee Members. Decisions of the judges will be final.

**Awards:** 5 Ribbons will be awarded to an "Honorable Mention", Top 3 "Finalists", and a "Best of Show".

**Setup:** Each entry will be assigned a wooden stake to attach scarecrow to. The stakes will display your name. You will be responsible for locating your stake. Volunteers will be around throughout the day to assist you.

**Size Limitations:** Each entry will receive a 5ftx5ft "patch" to build the scarecrow. Scarecrows cannot be taller than 8 feet, and should not be shorter than 4 feet. A stake will be provided for you to attach your scarecrow to. Decorations are encouraged such as pumpkins, hay, straw, mums, or other creative props.

**Materials:** You are responsible for providing your own straw, clothes, props, etc to build your scarecrow. Scarecrows must be able to withstand the elements overnight and throughout the next day. Their construction should be durable and all props should be securely attached. No electric will be available.

**Rules and Restrictions:** Purchased scarecrows are not permitted. The Venango Area Chamber of Commerce is not responsible for any loss or damage to entries. The Chamber also reserves the right to remove a scarecrow that the committee feels is offensive in regard to race, sex, or religion. The committee also reserves the right to use photographs of the scarecrows for future publicity.

## Venango County Chamber Electricity Buying Pool

### It is simple (and Free) to join our Energy Buying Pool

- A number of the members of the Venango County Chamber of Commerce are already members of this buying pool. If you are not a member already, this is an opportunity for you to join our pool. Current members will be receiving pricing for their accounts over the next few weeks. New members will receive pricing options in the first half of July 2010.
- All you need to do to become a new member is complete the attached Pool Membership Form and Letter of Authorization and return them along with a copy of all pages of a recent utility bill to us at the fax number shown above. After we receive your completed forms, one of our energy experts will contact you to discuss available options. Remember, there is **no fee required** to join our Pool.
- You will NEVER receive a bill from Premier Power Solutions for our services! We receive our fee from the supplier only if we can find you a better rate that you accept.
- Our services are RISK FREE. Join our energy buying pool and we will provide you with a current market analysis for your accounts. We will then show you how much money we can save for you.

### What Happens Next:

We will be talking to chamber members and putting together the buying pool from now through July.

At that point in time, we will solicit final offers from suppliers and present what we believe to be the best option for you. This may be accepting a supplier offer or perhaps remaining with Penelec for your electric service. We will let you know what we believe will result in the lowest spend for your electric service and make that recommendation to you. We expect this process to be completed by the end of July.

If you have any questions or want to meet with us in person at your place of business, please feel free to contact me.

# “Highest Customer Satisfaction with Retail Banking in the Mid-Atlantic Region”

J.D. Power and Associates 2010 Retail Banking Satisfaction Study<sup>SM</sup>

Thank you, Northwest customers.

J.D. Power and Associates asked people nationwide to rate their satisfaction with their bank's facilities, fees, problem resolution, product offerings, account activities and account information.

**The result?** Northwest earned the highest ranking in our region.

**NORTHWEST SAVINGS BANK**

Where people make the difference.

**Not satisfied with your bank?** Stop in and make the switch today.

We'll give you \$100 when you become a Northwest personal checking customer.\*

Northwest Direct: 1-877-672-5678 • [www.northwestsavingsbank.com](http://www.northwestsavingsbank.com)

Northwest Savings Bank received the highest numerical score among retail banks in the Mid-Atlantic region in the proprietary J.D. Power and Associates 2010 Retail Banking Satisfaction Study(SM). Study based on 47,673 total responses measuring 27 providers in the Mid-Atlantic region (DE, MD, NJ, NY, PA, VA, DC) and measures opinions of consumers with their primary banking provider. Proprietary study results are based on experiences and perceptions of consumers surveyed in January 2010. Your experiences may vary. Visit [jdpower.com](http://jdpower.com). \*Open a Switch Rewards, Switch Free, or Switch Interest Checking Account with a \$100 minimum opening deposit and initiate a qualifying monthly direct deposit of \$100 or more. A \$100 credit will be posted to the account within 7 days of the first verified direct deposit and reported to the IRS on Form 1099 as income. Existing Northwest personal checking account customers, employees, and affiliates are not eligible for this offer. Offer may be extended, modified, or discontinued at any time.
