Ms. Senior America Pageant

*The Ms. Senior America Pageant
is the world's first and foremost pageant
to emphasize and give honor to women
who have reached the 'age of elegance.'*

*It is a search for the gracious lady
who best exemplifies the dignity, maturity
and inner beauty of all senior Americans.*

*The Ms. Senior America Pageant
philosophy is based upon the belief
that seniors are the foundation of America,
and our most valuable treasure.*

*It is upon their knowledge, experience
and resources that the younger generation
has the opportunity
to build a better
society.*

Dr. Al Mott, Founder
Ms. Senior America, Inc.

Wow, what a wonderful year I have had representing the state of Virginia as the 2010 Ms. Virginia Senior America (making 120 some appearances, speeches and performances—among them the grand opening of the casino at the prestigious Greenbrier Hotel in West Virginia and riding in the parade with Debbie Reynolds and Barbara Eden). It has been an honor and a privilege to serve in this wonderful capacity. Just remember all you beautiful contestants vying for the crown of Ms. Virginia Senior America 2011—SENIOR LADIES ROCK!!!

JUDGING PROCEDURES

Interview: One of the most important aspects of the Pageant is for the judges to meet each contestant individually. It is during this personal interview that the judges have an opportunity to observe personality, charm and conversational ability.

Evening Gown: Clothes don't make a woman, but rather it is the woman who makes the clothes. During this event, the judges seek the contestant whose poise and grace display not only her style of clothes, but also her style of life.

Inner Beauty: Physical beauty is recognized, but the Pageant seeks to emphasize that true beauty is a matter of insight as well as eyesight. Each contestant is given the opportunity to present a statement which conveys her "philosophy of life".

Talent: The talent presentation is an integral part of the Pageant. It is designed to encourage talent from music to art to homemaking, and demonstrates that these gifts do not diminish with age.

COMMUNITY SERVICE AWARD

The Ms. Virginia Senior America organization offers a Community Service Award to honor the contestant who excels in volunteer service in her community. This optional event is judged independently from the rest of the Pageant. The contestant chosen for this award need not be a Pageant finalist. To qualify she must submit a short essay describing her activity and supply supportive information to substantiate her involvement. The selection is made prior to the Pageant and the selected contestant is recognized at the Ms. Virginia Senior America Pageant. Prior recipients of this award include: Dorothy Russ, Beverly Wetherbie, Barbara Guerrieri, Patricia Torrence King, Jackie Bong-Wright, Suzann Howe, Nancy Lee Martin, Mary Sunbeam, Betty Mann, Suzi Athanas and Linda F. Huntley.

Linda F. Huntley, right, won the Community Service Award at last year's pageant.

MEET THE JUDGES

Julie Moore, Judges' Co-Chairperson, is publisher of the *Buyer's Guide* newspaper, which carries local advertising and leisure news offerings, and is mailed to 100,00 homeowners in Fairfax County through five zoned editions. A strong supporter of the arts, Julie has enjoyed publishing local arts news and events to area readers for over 34 years.

Jackie Bong-Wright, Judges' Co-Chairperson, is the President & CEO of the Vietnamese-American Voters Association. Crowned Ms Virginia Senior America in 2004, Ms. Bong-Wright serves as host of VNDC Radio, commentator for SBTN TV, and reporter for the Asian Fortune Newspaper. She graduated with a Master of Science in International Relations from Georgetown University.

Ralph Kuethe, our Pageant auditor, is a retired Army Lieutenant Colonel. He served 41 years with the U.S. government—33 in the military and 18 years as a civilian with the Defense Intelligence Agency. Ralph was an ardent tap dancer and performed for many years with the Snappy Tappers.

JUDGES

Leslie Morton holds a Master of Science degree from Texas A&M University and is currently a Professor in professionalism and civility at George Mason University. She has over 20 crown-winning titles in her pageant career, including being a former Miss Dallas USA, Miss Texas USA runner up, and Miss Congeniality. She continues her pageant work as a private success coach and motivational speaker for girls.

Milton Nelson graduated with a Business Administration degree at the City College of New York. He is a Choir director, organist, and piano teacher. He has performed extensively in France, New York, California and the Washington area at public and private events as well as in churches and senior centers for thousands of people. He was awarded the Army Commendation Medal in 1965.

Sophie Luu is the President of Vietnam Washington DC Radio. She has been a News Anchor for 14 years and a talk show host for several programs, including fashion, music, and entertainment. She holds a Bachelor's Degree in Business Management and Program Management, and has received many awards as a top business salesperson during the past years.

David Colton is one of our Community Service Judges. He is very active in community activities. He has served as Vice President of the Lincolnia Hills Civic Association and as a member of the Alexandria Sister City Committee. He has edited government staff directories and managed international exchange programs. He is a very civic minded person with a passion for politics.

Cheryl Anne Colton is our second Community Service Judge. For over 18 years Ms. Colton has been a leader in developing arts programs in the Alexandria community. These programs include intern training, enhancing public art activities and Alexandria's City Gallery program. She also serves on the Board of the Alexandria Regional Council for the National Capital Region.

ALTERNATIVE JUDGE

Dottie Russ, a retired systems mathematician from IBM, was the second runner up in the MVSA 1997. She won the Community Service award in 2000.
