

JOHN 5 – Gematria Study

INTRODUCTION

Readers who want to learn more about the numerical values for Greek and Hebrew letters are invited to visit our pages on the site: [Hebrew](#) and [Gematria](#). The Greek letters in this study are taken from the KJV source of the text in the original languages. The meaning of Bible Numbers is based on our own conclusions. See the [Introduction](#) on our site for more information. Blessings. servant mark.

When a number is in square brackets it is the ordinal of the prime. E.g. In verse 4: 5,087 [680] means 5,087 is the 680th prime. Numbers in yellow are the sum of the Gematria of the words in the verse. The Bible and New Testament verse counts exclude the last 12 verses in Mark 16 (which are disputed).

FACEBOOK POST (March 27, 2018)

JOHN 5. Is happening right now. Before your eyes.

"I'm sick and tired. And I'm not going to take it any more"

The story of the healing by the pool of Bethesda.

A sick man was lying on his pallet by the pool (along with many other blind, lame, paralyzed, and invalid). No one would carry him so he could be healed when the angel stirred the water.

Jesus came along and said "**Do you want to get well?**" "**Get up! Pick up your pallet and walk!**"

At once the man was cured; he picked up his pallet and walked.

This story is historical. But for us Christians 2,000 years later it is also allegorical. Of prophetic events. Happening this year.

(Astute readers will notice JOHN 4 happened last year. [See our earlier post Oct 13, 2017](#))

The pool of Bethesda was outside the sheep gate of Jerusalem. It was surrounded by five covered colonnades. Roman style.

The sick man was a welfare case. He could not carry himself. Rome provided him with a beautiful shelter (covered colonnade by a pool).

Along with thousands of other invalids he hoped for an angel to come and stir the waters so he could be healed.

The word angel means "messenger". The sick man waited for word that Rome would improve his situation.

But he could not carry himself. Others got into the water ahead of him when it was stirred. (resentment is rising)

Every society has people who are dependent: children, elderly, mothers with children, youths.

Every society also has people who are less fortunate: day-workers, immigrants, landless citizenry, struggling students, refugees, religious minorities, mixed races, strange tongues.

Jerusalem is the "City of the Great King". Allegorically it represents entitled people: privilege, power, influence, and money: the "haves".

The pool of Bethesda was outside the gates of Jerusalem: the "have-nots".

The United States of America is (roughly) based on the Roman style of government: a supreme ruler (president) whose power is balanced by a senate (lawmakers). Note the covered colonnade architecture of American government buildings.

America is very sick. America is filled with "have-nots".

The "American dream" is a distant memory. Tuition for school is astronomical. Houses in good neighborhoods are a king's ransom. Millions of people live "outside the gates" perpetually.

The "have-nots" lie on their mats waiting for the angel to stir the water: waiting for government to do something.

Behold! There is a "trigger" that will change this scene. (O the irony!)

John 5 said "**Some time later, Jesus went up to Jerusalem for a FEAST OF THE JEWS**". (verse 1).

The "FEAST" is the Passover. What happened at the first Passover?

The Jews (allegorically, the people who lived in Jerusalem, the "haves") rested inside their homes and ate a tasty meal (entitled landowners enjoy safety & plenty) while outside all the first sons of the Egyptians were killed by angels.

Who are the prophetic Egyptians? Egypt is highly prophetic of America. Egypt was a powerful military nation. Egyptians thought that Pharaoh was a god. Pharaoh was like an angel who could stir the waters: instantly make life better for you if he so desired.

[Specifically: Grand Vizier Joseph of Egypt had two sons: Ephraim (prophetic of USA) and Menasseh (prophetic of UK)]

At the FEAST there was a mass killing of Egyptian first sons (prophetically American youths).

A ha! Now we are seeing the prophecy fulfilled before our eyes.

America has suffered mass killings of children for decades now: school shootings.

But this time is different. Jesus came along. The Messiah: "national savior".

Trump came on the American scene: one not like past Roman style leaders.

He was elected president, but he did not come to play nice with the lawmakers (allegorically the "Jews").

Trumps's message is this:

"I'm sick and tired. I'm not going to take it any more"

Trump, and Trump supporters, blamed the Washington elites and the deep state for ruining America for the "have-nots": e.g. unemployed steel workers.

Jesus went up to Jerusalem. Trump was elected President!

There was a feast of the Jews. Another (it is an annual feast) mass school shooting of American youths.

But this time was different. After the mass shooting at the school in Florida the students said:

"I'm sick and tired. I'm not going to take it any more"

This past weekend a half a million students marched ("walked") on Washington and demonstrated with placards ("carried their pallets"). (iiii?iiii?iiii?)

The "sick man" is not going to wait any longer for government to make things better. He "picked up his pallet and walked"!

There is much more in John 5 that concerns America and the political reality of 2018.

We invite you to read the rest of John 5.

What does it mean when Jesus found the "sick man" in the Temple and said "**See, you are well again. Stop sinning or something worse may befall you.**"?

What does it mean "**because Jesus was doing these things on the Sabbath the Jews began to persecute him**"?

The woman at the well had five husbands. Betheseda had five covered colonnades. Does this link the two prophecies? Who are the "five husbands"? How many government institutions [covered colonnades] or offices of government in America share power over the people?

(Note carefully: I am not suggesting Trump is a saint. There was only one sinless perfect Savior, Jesus Christ. I am suggesting Trump is perceived by many as a national savior, a messiah figure.)

Blessings
