Ask yourself...

Dual Enrollment Program

- Earn college credits while still in high school
- Save time and money - Dual Enrollment courses are free
- Classes taught on your high school campus
- Taught by teachers who meet the minimum qualifications at the community college level
- Complete a college degree or certification at an accelerated rate
- Get a head start on a great GPA
- Use LMC free resources - Library, tutoring, counseling, career and transfer services and more
- Credits are transferable to most colleges and universities
- Results in a permanent college transcript

This head-start on a college education can significantly improve your chances of graduating from college with a certificate, degree or ready to transfer to another accredited institution of higher learning.

ADJUS 110 Criminal Justice / FIRE 101 Fire Science
CHEM 006 Intro to Chem

Please note: LMC Fall classes will be asynchronous

Submitting your Course Requests:

Review Directions

- Read all instructions carefully

Follow along and take your time

- We will walk you through each step. You can go back and watch the video presentation again.

Write Out

- Write out the course number and name on your course request form
- Double check that course name and course number match
- DO NOT sign up for Leadership, yearbook, or Lions Crew

Course Catalog

- Check the Course Catalog for requirements and course description

Online entry

- Use the form link and enter your courses
- Link will be emailed to parent or guardian email on file
- You may only submit once!

Please Consider Academy Interest:

- Health Careers Academy Course #1060 required elective
 Public Art & Design Academy Course #1302 required elective
 Teaching & Learning Academy Course #1690 required elective
Last chance to join an academy!

You must include required elective in your elective selection

READ all directions BEFORE you begin:

- Put an **X** next to the required course you wish to take for courses 1 and 2.
- Course 3 write in math course number and name. Selection will be confirmed by teacher recommendation and math placement data.
- Choose electives to fill courses 4 – 8 using the Course Offering list - include course number and name.
- If choosing a semester course you must select another semester long course. Write semester 1 in column 1 and semester 2 in column 2.
- If you need to **repeat a course**, enter the correct course code in the appropriate semester box. If repeating a semester only, you must pair it with another semester course. For example, if repeating English 1 semester 1, write 3031 in semester 1 and choose another semester long course for semester 2. Repeatable class course numbers can be found on Course Offering List.
- Prerequisites (requirements for course) must be met prior to taking course.
- You **MUST** include **FOUR** alternates! Failure to include alternates will result in placement in open courses.
