SKOR Simmental Bull Sale

Wednesday, **MARCH 5**, 1:00 p.m.
Pavilion B, Camrose Regional Exhibition

Sales Management Comments

The 300 mother cows the Skor Simmental bulls are made from annually would be as impressive as any group collectively gathered in any herd across Canada. This is why they have one of the best bull sales in Canada every year! The bulls are very purposefully created through very methodical planned out matings.

The Skor Bulls, in my opinion, have all the strong attributes that Simmentals are supposed to have. They have growth with big tops, thick, wide hips, deep ribcages and plenty of testicular development. They do all this with solid Black and Red haircoats to boot!

These are some of the hardest working people I know and make their entire living from this cowherd - a true anomaly! They endure all the same everyday challenges we all do in this circle we call life. This is an opportunity for you to buy bulls from people who exist in the same world you do.

We invite you on sale day to the Camrose Regional Exhibition for their bull sale, of course, but also for the traditional "pizza party" in the bleachers prior to the sale and "Skor" chocolate bars after the sale! If you can't make yourself, let us know if we can assist your buying needs by calling our cell phones listed. This order buying service is at no extra charge to you or the sellers and is proven to be confidential and highly trusted.

See you March 5,

Delivery Options:

A: \$100 discount per lot if picked up from Camrose on sale day.

B: Bulls delivered free of charge in Alberta and Saskatchewan at the seller's convenience. All other points, bulls delivered at cost.

C: If you cannot take delivery of your bull when we are in your area, bulls must be picked up from the farm by the purchaser.

Bulls will be wintered free of charge until April 15. After April 15th a charge of \$3.00/day will be applied.

All bulls returning to the farm do so at the buyer's risk and must be insured. Insurance agents will be available sale day.

Health

The cowherd is on an annual vaccination program using Bovisheild Gold FP5, Vision 8 with Somnus and Jencine. The bulls receive one shot of Bovisheild Gold, Vision 8 with Somnus, and Once PMPH at spring turnout. The same is given on pasture 3 weeks prior to weaning and then boosted the day they come home and given A&D.

Semen Interest

We reserve the right to obtain semen on all bulls for on farm use at the buyer's convenience and seller's expense.

**Come early for the all-you-can-eat
Pizza Party at 11:30!**

Welcome from all of us here at Skor Simmentals

A huge thank you to everyone who has supported our program and we look forward to seeing you again in March. 2013 saw the return of profitability to the cattle industry and now 2014 is setting records for calf prices and fat prices. Our hope is that those of you who have remained in the industry because of your passion for cattle are finally getting paid for your years of hard work. The future looks bright, demand for calves is up and feed prices have fallen. The industry has gotten back to the business of raising meat and the Simmental breed has the genetics that are right for the times. Whether its performance, calving ease or strong maternal traits a Simmental bull in your herd is a great way to increase your bottom line. Our offering this year is one of the most consistent sets of bulls we have ever raised. They are a truly powerful set of beef bulls.

The bulls are developed on a total mixed ration of silage, hay and non-starch pellets from Wetaskiwin Co-op Feeds. All the bulls are semen tested and guaranteed.

The bulls will be available for viewing at the CRE in Camrose, the Monday and Tuesday before the sale. However, as always, we encourage you to make the trip to the farm and see the bulls prior to the sale. We understand that circumstance does not always allow for travel and are more than happy to discuss the bulls with you over the phone at your convenience.

We wish you all the best in the coming calving season. If you are unable to attend the sale and are interested in purchasing a bull please feel free to give the reliable and capable sales staff a call. They will be more than happy to assess the bulls and help you with your purchases.

We invite you to join us in Camrose, March 5. Come early and enjoy the Pizza lunch. We look forward to seeing you sale day.

Terms & Conditions

TERMS - The terms of the sale are cash or cheque payable at par at sale location. The right of property shall not pass until after settlement is made. Transcon Livestock Corp. reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any purchaser fail to settle for his purchase Transcon Livestock Corp. reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released.

BID - Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

SALES TAXES - Applicable sales taxes will be charged on semen, embryos and trucking fees (if listed), respective to the home province of the buyer, not the seller.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

INFORMATION SUPPLIED - The information contained in this catalog is believed to be true and accurate. However, the information has been supplied by the seller and neither Transcon Livestock Corp. or Jamesway Enterprises Ltd. assume any responsibility if the information supplied is not accurate.

CATTLE PICTURES - The images in this catalog are believed to be accurate representations of the individual animals. Transcon Livestock Corp. and Jamesway Enterprises Ltd. assume no responsibility if the images as received have been altered.

ANNOUNCEMENTS from the auction block will take precedence over the printed matter in the catalog. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - A registration/recording certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is assumed by the Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

BREEDERS GUARANTEE - As per applicable Canadian Breed Association Breeding Guarantee guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time. In no event shall the seller be responsible for reimbursing more than the purchase price.

EXCEPTION TO GUARANTEE - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

HEALTH - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Transcon Livestock Corp. assumes no responsibility for the health status of any animal in the sale.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, consignors. or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

TRANSCON LIVESTOCK CORP. IS AGENT ONLY - It is to be clearly understood that Transcon Livestock Corp. is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations, neither does Transcon Livestock Corp. assume any financial obligations to collect or enforce collection of any monies between parties, and any legal action that may, in exceptional cases, be taken, must be between buyer and seller.

The Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner or Sale Managers.
