# BUILDING A COLLEGE LIST

**“Reach schools”** are those where your academic credentials fall below the school’s range for the freshman class.

**“Target schools”** are schools where your academic credentials fall within or perhaps slightly exceed the school’s range for the freshman class.

**“Safety schools”** are schools you will almost definitely get into because your academic credentials are much better than the typical range for their freshman class.

## REACH SCHOOLS

Apply to 1 or 2

## TARGET SCHOOLS

Apply to 2 or 3

## SAFETY SCHOOLS

Apply to at least 1

# Reach, Target or Safety School?

Example: Georgia College,  
Milledgeville, Georgia

High School GPAs ranging from  
3.39 to 3.87 (calculated based  
on academic courses only)

1139

	25 <sup>th</sup> Percentile	75 <sup>th</sup> Percentile
SAT Critical Reading + SAT Math	1139	1280
ACT Composite Score	24	29

# Grade Point Average FAQs

- ▶ Academic GPA (**NOT** on transcript)
  - ▶ Also know as core GPA, core academic GPA, etc.
  - ▶ Basis is English, Math, Science, Social Studies, and World Language courses
  - ▶ Academic GPA is *usually* viewed unweighted
- ▶ Overall GPA (on transcript)
  - ▶ Take a look at the GPA on your transcript
- ▶ HOPE GPA
  - ▶ Any courses taken in English, Math, Science, Social Studies and World Languages. More on this later.

# Points to Consider

- ▶ Check Admissions Requirements
  - ▶ **The only way to be sure is to ask the admissions office!** It is YOUR responsibility to understand what is expected to complete an application.
- ▶ Most colleges only consider academic classes when calculating GPAs.
  - ▶ Each college decides how they calculate GPAs
    - ▶ Some coursework may not be included in the calculation
    - ▶ Colleges can and do weight courses differently
- ▶ Colleges want students who show an interest in their school.
- ▶ Weighted and unweighted GPAs will be reported on the transcript.
- ▶ Class rank will not be included on transcripts or reported on secondary reports.

# I Have the List of Colleges, Now What?

## Quick Steps:

1. Fill out an application for admission
  2. Send transcript
  3. Send test scores
  4. Send Supplemental materials
- ▶ Applications for most colleges are found online
  - ▶ The best place to start? **The college's website!**
    - ▶ If possible, review the entire application before you begin
    - ▶ Is there an application checklist?
    - ▶ Are supplemental materials even required?

# Submission Types

**(Mail Only)**-This icon represents colleges that only accept documents submitted via mail. The school does not accept documents electronically.

**(Electronic)**-This icon represents electronic destinations that accept documents electronically via Naviance eDocs

**(Common App)**-This icon represents Common App destinations that accept documents electronically via Naviance eDocs. It's important to note this icon means the student has explicitly chosen to apply via Common App and indicated "Yes" in **Family Connection > Colleges I'm Applying to**. However, on College tabs (showing the college profile) it indicates the fact that it's a CA college, but not whether the student is applying via CA.

**(Unknown)**-This icon is displayed when a student adds a Common App college but has not indicated whether or not he or she plans to apply via the Common App Online. This status does not prohibit you from submitting Common App forms for the student, but you will receive a warning message advising you that the student has not indicated their plan. A message is displayed to inform the school counselor that the student had not made a selection whether applying via Common App and submission would default to Common App delivery.

**(Common App via Electronic)**-This icon is displayed when a student has selected a Common App college and has indicated that he or she is not applying via the Common App Online. However, if the school is also an electronic destination (in addition to Common App) you can continue to submit documents (NACAC and other school forms, transcripts, and letters of recommendation) electronically.

**(Common App mail only)**-This icon displays when a student has selected a Common App college and has indicated that he or she is not applying via the Common App Online. However, the school is not an electronic destination so you will have to print and mail (other school forms, transcripts, and letters of recommendation) to the destination.

# Common App

- ▶ The Common App is an undergraduate college admission application that applicants may use to apply to any of the 500+ member colleges and universities.
- ▶ You can access the Common App by going to [www.commonapp.org](http://www.commonapp.org)
- ▶ Some schools are Common App exclusive, which means they do not accept any application other than the Common App. Some schools accept both the Common App and their own individualized, web-based application.
- ▶ We **STRONGLY** encourage you to apply via the Common App even if the college or university offers an alternate application for admission.
- ▶ Of course, this does not apply for schools who do not accept the Common App. To view the 500 schools that accept the Common App, check out the members page of the Common App website.

# Common App Matching

- ▶ For Common App schools, students are required to match their Common App and Naviance Student accounts.

- ▶ In order to match the Common App account, students must first complete the following steps in their Common App account:
  - ▶ Complete the Education section of your Common Application
  - ▶ Add at least one college to My Colleges tab
  - ▶ Sign the FERPA Release Authorization

**[Click](#) to watch video on common app matching.**

# Non-Common App Schools

- ▶ Some colleges and universities have opted not to accept the Common Application.
- ▶ Instead, they have created their own individual applications that, in most cases, are web-based and can be found via the school's undergraduate admissions website.
- ▶ Just because a school does not accept the Common App does not mean that they do not accept the transmission of important documents, like letters of recommendation and academic transcripts, through Naviance.
- ▶ When a non-Common App school allows us to submit documents through Naviance, it is called Direct to Institution. A Direct to Institution school is designated by this symbol.

# The Coalition for College

- ▶ “The Coalition was developed to improve the college application process for all students as they search for and apply to their perfect college. The platform provides a single, centralized toolkit for students to organize, build, and refine their applications to numerous institutions.”
- ▶ Free online resources/tools are available on their website: <http://www.coalitionforcollegeaccess.org/>
- ▶ Over 144 institutions have joined.
- ▶ Students can choose whichever application they feel more comfortable with- no preference given.
- ▶ When a student applies via the **Coalition**, they should select that **they are applying “Directly to the Institution”** when adding a college to their “Colleges I’m Applying To” list in **Family Connection**. Messaging on this page will help students know to check this box..

# Teacher Recommendations

- ▶ Allow **at least 3-4 weeks** for teachers to complete their recommendation portion of your application!
- ▶ Ask the teacher(s) you would like to write recommendations BEFORE you submit request in Naviance.
- ▶ Students “invite” their teachers to upload and send letters of recommendation in two steps:
  1. Provide teachers with a list of schools to which you are asking the teacher to write.
  2. Add the request digitally under your “Colleges I’m Applying To” tab.
  3. **IMPORTANT: ASSIGN YOUR TEACHERS TO SPECIFIC SCHOOLS, NOT “All Applications”**
    - It is your responsibility to research which schools require a letter of recommendation on their website.
    - If they do not ask for a letter of recommendation, they do not use it in the admissions process. DO NOT ASK YOUR TEACHER FOR ONE IF THIS IS THE CASE!

# Adding Teacher Recommendation Requests on Naviance

# Tracking Teacher Recommendations

## Consistent Delivery Confirmations

We will now display consistent document submission and delivery status messages for both Common Application and Parchment destinations. Status notifications for all schools beginning in 2016-17:

- Requested: Student has requested a letter of recommendation
- In Progress: Teacher has written the letter of recommendation
- Submitted: High school faculty member has sent letter of recommendation to designated college(s)
- Cancelled: Either the student, teacher or counselor has cancelled the request.

The screenshot shows the 'family connection' student interface. At the top, there are navigation tabs: 'home', 'courses', 'colleges', 'careers', 'about me', and 'my planner'. Below the navigation is the heading 'Letters of recommendation' and 'Your requests'. A sub-heading says 'You can track the most recent status of your teacher recommendation requests here.' There is an 'Add Request' button. Below this, it says 'Showing 17 requests'. A table displays the following data:

Recommendation For	Deadline	Recommender(s)	Status	Cancel Request
Bates College 2 required / 3 allowed / 3 requested	Jan 01, 2017			
George Mason University 2 required / 2 allowed / 2 requested	Dec 01, 2016

St. Lawrence University 2 required / 3 allowed / 2 requested	Jan 01, 2017	Virginia Dean Cheryl Rostad	Requested In Progress	

A tooltip is open over the 'Status' column, titled 'Letter of Recommendation Statuses:'. It contains the following information:

- Requested:** Student has requested a letter of recommendation
- In Progress:** Teacher has written the letter of recommendation
- Submitted:** High school faculty member has sent letter of recommendation to designated college(s)
- Cancelled:** Either the student, teacher, or counselor has cancelled the request
