Commencement Speaker

Horst H. Schulze

Chairman and CEO
Capella Hotel Group

Horst Schulze, Chairman and CEO of Capella Hotel Group (parent company of Capella Hotels and Resorts), is a legend and leader in the service world. His vision has helped reshape concepts of customer service throughout the hospitality and service industries.

In 1991, Mr. Schulze was recognized as “corporate hotelier of the world” by *HOTELS Magazine*. In 1995, he was awarded the Ishikawa Medal for his personal contributions to the quality movement. In 1999, Johnson & Wales University gave him an honorary Doctor of Business Administration degree in Hospitality Management. Most recently, Mr. Schulze has been honored as a “Leader in Luxury” by *Travel Agent Magazine* and its sister publication *Luxury Travel Advisor*.

Mr. Schulze served as Vice Chairman of The Ritz-Carlton Hotel Company from 2001-2002, after serving as President and COO of The Ritz-Carlton Group. Under his leadership, the Group was awarded the Malcolm Baldrige National Quality Award in both 1992 and 1999—the first and only hotel company to win even one such award. In addition, Ritz-Carlton was continuously voted “best hotel company in the world” by meeting and other trade publications.

Upon joining Ritz-Carlton as a charter member in charge of operations in 1983, Mr. Schulze created the operating and service standards that have become world famous. When he left Ritz-Carlton to form The Capella Hotel Group, Mr. Schulze was responsible for the \$2 billion Ritz-Carlton operations worldwide.

Prior to his long tenure with Ritz-Carlton, Mr. Schulze spent nine years with Hyatt Hotels Corporation, where he was a hotel General Manager, Regional VP, and Corporate VP. Before his association with Hyatt, he worked for Hilton Hotels.

Mr. Schulze serves on the boards of Reliance Trust Company, Cancer Treatment Centers of America, The Travel Institute, Georgia Family Council, and The InfiLaw System.

The lists of degree candidates in these programs are tentative and based upon the anticipated successful completion of work undertaken. These documents should not be taken as official record that degrees have, in fact, been awarded.

OUR MISSION

The principal mission of Western Governors University is to improve quality and expand access to post-secondary educational opportunities by providing a means for individuals to learn independent of time or place and to earn competency-based degrees and other credentials that are credible to both academic institutions and employers.

OUR PROMISE

We help our students achieve their dreams for a degree and career success by providing a personal, flexible, and affordable education based on real-world competencies.

We provide employees a meaningful, enjoyable, and rewarding work experience.
