ABOUT US

PulseTV.com was founded in 1996. Many of us have worked together for over 15 years at this company and earlier at a leading catalog company. We all had a passion for building a great company and joined forces to create PulseTV.com. We started out by promoting products on TV.

You probably remember some of our campaigns... Riverdance, Lord of the Dance, The Honeymooners, Stomp, The Carpenters and others. How did we branch out into other products besides DVDs? The credit goes to our customers! We began

getting emails and letters asking us if we could get other TV products. We listened and started first with TV products and branched out from there. Our goal is to maintain a mutually beneficial relationship between our business and you - the customer - by providing a simple shopping experience with a wide assortment of products at a good value. We work hard to maintain efficiency and we assure honest and dependable service.

Our dedicated (and very friendly) customer service representatives are available **Mon-Fri 8am-5pm**

CST by phone and e-mail. Please send us your feedback, requests, comments, or complaints through our online form at PulseTV.com or give us a call at **1-800-711-1361**.

When you shop with us, we want you to be completely satisfied. If for any reason you are not satisfied with your purchase, our 100% money back guarantee allows you to return it within 60 days for a replacement or a refund of your purchase price (less shipping and handling).
