Jesus 2.1: An Upgrade for the 21st Century by Thomas W. Shepherd, D.Min.
 Every generation throughout history has rethought, reshaped and reinvented Jesus to meet the needs of the times. This successive remaking of Jesus, Dr. Thomas Shepherd asserts, is a sign of a healthy, positive course of intellectual and spiritual growth critical to understanding Christian-based faith. In his sharply witty style, and founded on a decade of research, Dr. Tom takes a solid whack at more than a few human concepts of Jesus handed down through history in an attempt to topple culturally biased, often bigoted, images of the man behind the myth.
\$17.95, softcover, 256 pp., #B0022

Kingdom Come: Understanding the Book of Revelation by Ed Townley
 A Bible enthusiast, Ed Townley focuses on the metaphysical meanings, rather than the literal text with its varied translations. In Kingdom Come, he tackles his toughest task—the Book of Revelation. In 22 easy-to-follow steps, he approaches the Revelation not as an apocalyptic end-of-the-world prophecy, but as a personal, practical guide to spiritual growth. By looking beyond the Revelation's gloomy shadows, he reveals a positive message of creative possibility. The Kingdom, Townley explains, doesn't await us in the afterlife. It's ours to experience today, as we learn to find the good within even the darkest challenges.
\$15.95, softcover, 233 pp., #B0115

Soul Sunday: A Family's Guide to Exploring Faith and Teaching Tolerance by Carrie Brown-Wolf
 Realizing that her family's spirituality and faith were taking a backseat to play dates, school-work and activities, Carrie Brown-Wolf developed a unique concept for providing a thought-provoking and nonthreatening environment in which family members—even the youngest—are encouraged to interact and speak out. There they gain an understanding of diversity and tolerance and a stronger belief in themselves and of each other. Now other parents can follow Carrie's methods and create their own time and space by using the guidelines and Playshops included in this book.

The Five Principles: A Guide to Practical Spirituality by Ellen Debenport

The Five Principles was written to provide tools for daily living and suggests answers to the great questions of existence that humans have been asking since the dawn of conscious awareness. The five principles constitute the core teachings of the Unity spiritual movement founded in 1889 by Charles and Myrtle Fillmore. These same principles reflect the laws of the universe that apply to everyone, all the time. They show up in every major religion and are all reflected in the teachings of Jesus Christ. The author encourages every reader to “work with these principles, test them, apply them to your life, and watch what happens.”
\$12.95, softcover, 125 pp., #B0054

Heart-Centered Metaphysics: A Deeper Look at Unity Teachings by Paul Hasselbeck

Anyone who is curious about the nonphysical, intangible aspects of life is, on some level, a student of metaphysics. Heart-centered metaphysicians explore Ultimate Reality through the “lens of the heart,” ensuring that beliefs are more than just cold, hard facts. Through the understanding and compassionate application of heart-centered

metaphysics, you can raise your own consciousness and at the same time contribute to an elevated consciousness in the world. This new level of awareness is our best tool for creating loving, fulfilling lives in a peaceful world.

The Five Principles: A Guide to Practical Spirituality

by Ellen Debenport

The Five Principles was written to provide tools for daily living and suggests answers to the great questions of existence that humans have been asking since the dawn of conscious awareness. The five principles constitute the core teachings of the Unity spiritual movement founded in 1889 by Charles and Myrtle Fillmore. These same principles reflect the laws of the universe that apply to everyone, all the time. They show up in every major religion and are all reflected in the teachings of Jesus Christ. The author encourages every reader to "work with these principles, test them, apply them to your life, and watch what happens." \$12.95, softcover, 125 pp., #B0054

The Gathering: A 40-Day Guide to the Power of Group and Personal Prayer

by Jim Rosemergy

exploration by a group of people who are seeking a closer walk with God that impacts not only their exterior world, but their interior life as well. **\$12.95**, softcover, 190 pp., #B0042

***The I of the Storm: Embracing Conflict, Creating Peace* by Gary Simmons**

Simmons shows how to experience conflict from your center instead of from the outside world where all is seeming chaos. Just as those at the “eye” of a storm experience calm, the “I” of your storm of conflict is where you experience your wholeness and spiritual essence. **\$13.95**, softcover, 160 pp., #B0184

***Jesus 2.1: An Upgrade for the 21st Century* by Thomas W. Shepherd, D.Min.**

Every generation has reinvented Jesus to meet the needs of the times. This, Shepherd asserts, is a sign of a healthy, positive course of intellectual and spiritual growth. In an attempt to topple the culturally biased, often bigoted, images of Jesus, Dr. Tom takes a witty, yet solid, whack at more than a few of these human concepts. Recognizing Jesus as a focal point for a discussion about values—and with evident love and respect—Dr. Tom affirms that it’s time for our generation to create a more interactive version of Christ. **\$17.95**, softcover, 256 pp., #B0022

***Let It Begin With Me: 21 Voices of the New Peace Movement* by Mindy Audlin**

***Living Originally: Ten Spiritual Practices to Transform Your Life* by Robert Brumet**

In *Living Originally*, Robert Brumet explores how most of our perceived problems stem not from the world, but from a false sense of self. Living originally is the art of knowing the truth about who you are. Using the book’s 10 spiritual practices, you can rediscover your origin—your true self. As you master the practices, you will be transformed from a false sense of self, defined by our needs and the strategies to fulfill them, into a higher consciousness. As you live from the truth of who you are, everything in your world naturally falls into harmony. **\$15.95**, softcover, 191 pp., #B0113

***Native Soul: Unlocking Your Life’s Potential* by J Douglas Bottorff**

***The Many Faces of Prayer: How the Human Family Meets its Spiritual Needs* by Thomas W. Shepherd, D.Min.**

In his cross-cultural study of world religions, Rev. Dr. Thomas Shepherd uncovered two common themes: the need to make sense of life and the need to live it successfully. This dual quest flows through all cultures and unites us all, not by the answers, but by the questions. Central to the human spiritual journey is prayer. From spoken confessions to symbolic rituals and silent meditation, prayer takes many forms. You may have questioned whether your method is correct, or if you’re talking to the right source. With logic and heart, dispel these thoughts as you engage in Shepherd’s rich content and insightful learning exercises. Inside this multicultural study is the practice that’s right for you. **\$17.95**, softcover, 381 pp., #B0194

Even Mystics Have Bills to Pay: Balancing a Spiritual Life and Earthly Living

by Jim Rosemergy

Rosemergy says the key to prosperity is turning toward God to find the proper balance in life. Mystics have learned how to put earthly matters in perspective by seeking first the kingdom of God and by realizing that God is our source and that the consciousness of God is our supply. Abridged audiobook is read by Ron Zoglin.

The Five Principles: A Guide to Practical Spirituality

by Ellen Debenport

The Five Principles was written to provide tools for daily living and suggests answers to the great questions of existence that humans have been asking since the dawn of conscious awareness. The five principles constitute the core teachings of the Unity spiritual movement founded in 1889 by Charles and Myrtle Fillmore. These same principles reflect the laws of the universe that apply to everyone, all the time. They show up in every major religion and are all reflected in the teachings of Jesus Christ. The author encourages every reader to “work with these principles, test them, apply them to your life, and watch what happens.”

Good Business: Putting Spiritual Principles Into Practice at Work

by Charlotte Shelton and Martha Lynn, Editors
As adults, we spend a significant amount of our waking lives at work. *Good Business* reminds us that we don't have to drop our spirituality at the office doorstep; that we can live a meaningful life all the time, even in the workplace. In fact, progress and prosperity depend on it. Editors Charlotte Shelton and Martha Lynn, along with 20 successful leaders from top organizations, define the essence of “good business,” explaining how to lead with head and heart, contribute to our planet's sustainability, and develop new skills for the new millennium.

Jesus 2.1: An Upgrade for the 21st Century

by Thomas W. Shepherd, D.Min.

Every generation has reinvented Jesus to meet the needs of the times. This, Shepherd asserts, is a sign of a healthy, positive course of intellectual and spiritual growth. In an attempt to topple the culturally biased, often bigoted, images of Jesus, Dr. Tom takes a witty, yet solid, whack at more than a few of these human concepts. Recognizing Jesus as a focal point for a discussion about values—and with evident love and respect—Dr. Tom affirms that it's time for our generation to create a more interactive version of Christ.

The Lazarus Blueprint: Ancient Secrets for Healing and Inner Peace

by Mary-Alice and Richard Jafolla
Like a masterpiece hidden beneath another painting, another story lies behind the well-known New Testament story of Lazarus. On the surface, Jesus appeared to perform a miracle when he raised Lazarus from the dead. However, also embedded within the story is an extraordinary blueprint—Six Steps for overcoming seemingly impossible situations. *The Lazarus Blueprint* is so universal, timeless and powerful it can work for everyone. With this book as your guide, uncover the masterpiece—hidden for more than 2,000 years. Learn this blueprint for peace, healing and fulfillment. Then apply the Six Steps to overcome any obstacle and redesign your life.

Living Originally: Ten Spiritual Practices to Transform Your Life

by Robert Brumet

In *Living Originally*, Robert Brumet explores how most of our perceived problems stem not from the world, but from a false sense of self. Living originally is the art of knowing the truth about who you are. Using the book's 10 spiritual practices, you can rediscover your origin—your true self. As you master the practices, you will be transformed from a false sense of self, defined by our needs and the strategies to fulfill them, into a higher consciousness. As you live from the truth of who you are, everything in your world naturally falls into harmony.

The Many Faces of Prayer: How the Human Family Meets its Spiritual Needs

by Thomas W. Shepherd, D.Min.

In his cross-cultural study of world religions, Rev. Dr. Thomas Shepherd uncovered two common themes: the need to make sense of life and the need to live it successfully. This dual quest flows through all cultures and unites us all, not by the answers, but by the questions. Central to the human spiritual journey is prayer. From spoken confessions to symbolic rituals and silent meditation, prayer takes many forms. You may have questioned whether your method is correct, or if you're talking to the right source. With

logic and heart, dispel these thoughts as you engage in Shepherd's rich content and insightful learning exercises. Inside this multicultural study is the practice that's right for you. **\$17.95**, softcover, 381 pp., #B0194

The Practical Visionary: A New World Guide to Spiritual Growth and Social Change
by Corinne McLaughlin with Gordon Davidson
There is astounding evidence of a powerful New World growing in our midst—despite escalating worldwide crises—if you know where, and how, to look. A guide to this New World, *The Practical Visionary* unveils eight keys to spiritual growth and social change: how to shift from what's dying to what's being born; understand the evolutionary plan; make your livelihood a social change strategy; invoke the magic of your soul; turn within to find your higher purpose; shape your vision into an achievable mission; see money as a spiritual asset; transform conflict into a higher synthesis. Upgrade your inner life, and join the thousands of practical visionaries worldwide who are pioneering creative solutions to today's toughest problems. **\$17.95**, softcover, 336 pp., #B0090

Soul Sunday: A Family's Guide to Exploring Faith and Teaching Tolerance
by Carrie Brown-Wolf
Realizing that her family's spirituality and faith were taking a backseat to play dates, schoolwork and activities, Carrie Brown-Wolf developed a unique concept for providing a thought-provoking and nonthreatening environment in which family members—even the youngest—are encouraged to interact and speak out. There they gain an understanding of diversity and tolerance, and a stronger belief in themselves and of each other. Now other parents can follow Carrie's methods and create their own time and space by using the guidelines and Playshops included in this book. **\$12.99**, softcover, 143 pp., #B0088

Trust Your Life: Forgive Yourself and Go After Your Dreams
by Noelle Sterne, Ph.D.
In our perplexing age of conflicting advice to "follow your bliss" or amass everything that can fit in a decorator-designed warehouse, many people today feel they cannot trust themselves to pursue what they truly desire or secretly feel "called" to do. They lament their past deci-

sions and chafe with discontent in their jobs, careers, relationships, life. *Trust Your Life* shows readers how to overcome their guilt and step beyond their self-imposed "shoulds" and deep dissatisfactions to reach and live their treasured dreams. **\$15.95**, softcover 195 pp., #B0044
