Alumni Greetings 2019

From Our President:

Greetings to all alumni!

We have finished yet another journey around the sun and it is time to start thinking of the next all-school reunion, taking place the weekend of September 7 - 8, 2019. This year we will be honoring the Golden Jubilee Class of 1969, and we hope that there will be a good turnout for what should be a memorable weekend! Please look for information in this newsletter about your classmates who have stepped up to the plate to work on the event – and please, please, please let them know if your contact information needs to be updated! It is always a challenge keeping our lists updated when many alumni only come to their milestone reunions every five years, so those of you from other classes should also be sure to reach out with any changes. You can send to one of the following (or to any board member):

Anne Smith
asmith@fredhealth.com

Murtice Sherek
mcsherek@yahoo.com
612-267-1953

After this year's reunion, we will formally turn our attention to the **FINAL** reunion in 2020, even though there has already been lots of activity behind the scenes. We are especially grateful to Virginia Wentzel '59 and Monica Van Kirk '59 for volunteering to help with the big event. Please see the article "Mark your calendars now" for more information.

A special note to my 1970 classmates that we won't lose sight of that fact that it will also be our 50th reunion that year, and we will make sure that the usual traditions are part of the weekend.

At last year's reunion, the question was asked as to why 2020 will be the last reunion, so I wanted to touch on that topic as well.

It is indeed bittersweet to think of the last all-school reunion, with sadness for it coming to an end, but great joy for the many memories of our wonderful times together! With the last class reaching its 50th year anniversary in 2020, that has always been seen as the appropriate target date for the finale. None of us is getting any younger, and it just won't be feasible to continue as an alumni board or to keep up the reunion planning. If you and your classmates keep in touch, however, you may wish to organize some informal events for your individual classes going forward.

Those of us still living in Minnesota year-round (and there might be less of us after having endured the polar vortex and historic snowfalls this winter!), know that our brief summer days are very precious and filled with lots of family activities and other adventures. But I do hope that you will take the time to fill out the registration form for the 2019 reunion if you plan to attend, and please mail it back in a timely fashion so that the final arrangements can be made. **The deadline for sending in your registration is August 15, but earlier would be much appreciated!** (Kindly note that those sending it in after the deadline may not be able to sit with their class if space is already filled.)

Enjoy the warmer weather and I look forward to seeing you in September!

2018 ANNUAL MEETING MINUTES

September 8, 2018

The annual meeting was called to order and a welcome speech was given by President Anne Hermanson Smith '70. Quilts of Valor, made by Marilyn Ricard Sheehan '68, were given to Ann Schaeffer Schilling and Judy Danckwart Burfeind, both '68, for their service in the Armed Forces.

Nancy Ziegler Olson, president of the 1968 Class, gave a speech sharing memories of their time at Saint Marys.

The Secretary's report, by Barbara Leland Rasmussen '68, was given and approved as read.

The Treasurer's report, given by Marilyn Ricard Sheehan, '68, was approved as read.

Virginia Simons Wentzel, '59, Alumni Archivist, gave a report on the "Go for Broke" project which highlighted the Saint Marys role in training interned Japanese American nurses during World War II. She also discussed the alumni memorabilia room which has been totally archived. It is unknown what will happen to all the memorabilia after the final alumni meeting in September 2020.

There was no old business.

New business: a reminder that the banquet in 2020 will be the final alumni meeting. It will be held September 12 and 13, 2020.

The School song was sung and the meeting was adjourned.

Respectfully submitted,
Barbara Leland Rasmussen '68, Secretary

THANK YOU! THANK YOU! THANK YOU!

As many of you know, Murtice Sherek ('61) decided to step down as alumni board president this past fall, and I hope you will all join me in thanking her for her great service to our alumni the last few years. On a personal note, she helped me so much, including giving me literally boxes of notes and instructions for what needs to be done in my new role. That is a real blessing in this day and age, when many people want to hoard all the knowledge for themselves rather than sharing it with others – her generosity is much appreciated! Murt also worked tirelessly, along with our archivist, Virge Simons Wentzel, on the "Go for Broke" project last year, highlighting the great contributions to Saint Marys that were made by Japanese American nurses of the World War II generation. I know that Murt will miss being so involved with the board, but you can be assured she will still be plenty busy - between mission trips, great vacation adventures, volunteer community work, and babysitting her great grandchild, Murt is as always doing something!

Thank you, Murt, we appreciate all you did (and continue to do) for SMSN Alumni!

MARIAN HALL ALUMNI MEMORABILIA ROOM

The Alumni Memorabilia Room will be open on Sunday, September 8, following Mass and the Coffee in the Sisters' Dining Room. In years past, many of our fellow Alum have enjoyed reminiscing there, and spending a few minutes enjoying the old uniforms, caps, and class pictures. Consider including a few minutes to enjoy this experience – Class of 1969 - and all, as you make your reunion plans. Virge

Special messages to this year's Honored Classes

CONGRATULATIONS, CLASS OF 1969 - JUBILEE REUNION!

SMSN Class of 1969 Alumni,

May will mark the 50th anniversary of our graduation from Saint Marys. We are asking for your help to make this reunion our best ever.

If anyone uses Facebook and would be willing to set up a SMSN Class of 1969 site, that might facilitate communication (just a thought).

We have no contact information for the following classmates: Dorothy McCoy Kevin, Carol Walerius Rice and Judith Marietta Thompson.

For Sunday Mass, we need volunteers to present offertory gifts, usher, petition prayers, and read. Please let us know if you are willing to help and thanks in advance!

Class of 1965 – Next year's 55th!

Greetings, Class of 1965! It's not too early to begin planning for our 55th reunion in September 2020. It will also be the last reunion for Saint Marys School of Nursing, so let's pull out the stops and make the effort to attend. There will be many opportunities to reconnect with classmates; don't let time get away from us. Good health to all!
Sandra Forstrom Hayes, '65

Class of 1960 – Next year's 60th!

Ruth O'Neill Peterson, '60 writes: Since our last update, I moved to Ohio to be near my daughter and family. All 3 kids play soccer so that is my spectator sport. I continue to volunteer and chose to help first graders learn to read. In May, all 22 students made me birthday cards. My travels include Ireland with my sister-in-law, yearly trips to Oregon to see my son, his wife and two children, and to Minnesota to visit many O'Neill relatives. (Note from the Alumni Board: We know that Ruth also joins us in encouraging her classmates to attend their big reunion in 2020!)

Class of 1955 – Next year's 65th and Class of 1950 – Next year's 70th!

Please mark your calendars for the weekend of September 12 & 13, 2020 – We hope to see you then for your milestone reunions and the final all-school celebration!

FINAL ALL-CLASS REUNION MARK YOUR CALENDARS NOW!

It isn't too early to make note of the date for the final all-school reunion for Saint Marys School of Nursing, to be held in Rochester the weekend of September 12-13, 2020, and we hope to have as many alumni there as possible. The schedule of special events is still being worked on, but there will undoubtedly be activities Friday, September 11, 2020, as well. The traditional banquet Saturday evening and Mass on Sunday will be part of the reunion, as always.

We are pleased to announce that Virginia Simons Wentzel '59 and Monica Mellem VanKirk '59 have offered to oversee the special events for that final weekend. Several alumni have already offered suggestions, but we would love to hear everyone's ideas as to what types of activities (e.g., tours, exhibits) you are interested in to help celebrate our grand finale in style!

To help with planning, we are conducting an informal attendance survey. It is important to hear from each of you - so that we have an idea of how many Alumni to expect for the final celebration. Let us know if you think you might attend and if you may bring a guest.

Please contact either:

WOLESKY: DO WHAT YOU LOVE AND KEEP LEARNING

By Carolyn Bogott

American Association of University Women

Mary Anne Wolesky is another Austin woman who has made and continues to make a positive impact on our community.

She speaks with exuberant enthusiasm of her more than 45 years involvement in medical care in Austin and Rochester, first as an emergency room nurse, manager, and then as director of nursing, which later evolved into vice president of nursing and patient care with the Mayo Clinic Health System.

"I enjoyed every aspect of nursing, having an opportunity to make a difference for patients and their families," Mary Anne said. "I loved being in very direct contact with people who needed compassion. And I loved the teamwork, efficiency, knowledge and skill involved in emergency and hospital care."

Mary Anne (Gainey) Wolesky 70'

During her years in administrative roles, Mary Anne relished the opportunity to learn new things, and start new services, including the Hospice program.

Growing up in Austin and Owatonna, Mary Anne was the oldest of nine children. She experienced surgery herself and the hospital care that was required. She watched the nurses

and what they did to help patients, and a seed was planted. Later, she was a "candy striper", a youth volunteer in the hospital.

Mary Anne recalls feeding a patient who had severe damage to his face and realizing "in her heart" that nursing was her calling.

While in high school, Mary Anne had several jobs. One job was housekeeping and babysitting for their family doctor. The doctor's wife, who had trained as a registered nurse, was a wonderful mentor for Mary Anne and she offered to pay expenses for Mary Anne to go to nursing school at Saint Marys in Rochester. It was "a dream come true!" Mary Anne said.

The condition on the gift was that if Mary Anne could repay the amount, an opportunity would be offered to another person to go to nursing school. The deal was made and after graduation, Mary Anne was able to fulfill that bargain within the next few years.

At the beginning of her career, Mary Anne worked in the emergency department of Saint Marys Hospital in Rochester. She and her husband, Jerry Wolesky, made their home in Austin, where Jerry was teaching. When their third child arrived, as helpful and supportive as Jerry was, it became impossible for Mary Anne to commute between Austin and Rochester. As she began her work in the emergency room in Austin, she saw that what she had been told was true, that you had to be better to work in a smaller rural hospital setting which did not have all the equipment, staff and procedures she was used to at Saint Marys. It became a goal of hers to try to bring improvements and acquire skills to work in this new setting.

Carrying on with this drive for education, Mary Anne was privileged to participate in a two-year program in patient care administration at the University of Minnesota Graduate School of Public Health. At this point she was working full time, as well as going to school and raising her family. Jerry again helped and supported Mary Anne in this endeavor.

From the example set by her mother, who was always a mentor, Mary Anne learned the importance of being active in the community. Mary Anne was a founding board member of the Welcome Center, was able to travel to Los Angeles as a National Red Cross volunteer to help after the earthquake there and she also headed up a county-wide suicide prevention educational effort.

After retirement, Mary Anne has continued community volunteer work. She was in on the groundwork of the ArtWorks Festival, and has worked on it all eight years of its existence, co-chairing it with Bonnie Rietz for the last three years.

Other community activities include five-plus years as the executive director of the MCHS Austin Foundation, four years as president of the Austin Area Arts, Mayo Hospice Community Advisory Board, and the board of Mayo Clinic Health System-Albert Lea and Austin. Mary Anne bubbles with enthusiasm for projects that she sees in the future which will enhance our community.

Her words of wisdom, which she certainly has followed, are "Do what you love. And try to keep learning something new all the time."

Mary Anne Wolesky, we salute you and thank you for your many positive impacts on our community of Austin.

LAST 2 REUNION DATES

September 7 & 8 2019
September 12 & 13 2020

Special Request from the 2020 Planning Committee

We need help from every class --- please make a special effort to find someone - even better, 2 persons - in your class who will be the communication link between the Committee and your class. It is important that you search for 'lost' members, (i.e., those who have lost touch with the Alumni Association and don't get the newsletters). We want to reach out to all so they can attend if they are able and choose to do so. 2020 is our last "hurrah", and the last opportunity to re-establish these important personal connections. We can't make new old friends. So - please let Virge, Brenda, or any Board member know to whom we can send information and help us to get the mailing list as complete and accurate as possible. A suggestion --- come to this year's 2019 reunion, figure out the one or two from your class who will act as liaison(s), and let us know while you are here enjoying the get-together!
