A Message from our President - Mindy Boyd

Greetings Ladies and gents:

Where has the summer gone! Seems like yesterday we had our State Convention and I attended our IC Convention. Everything for me is moving extremely fast. My husband, John official retires September 24th. Not sure I'm ready to have him home daily as he can't sit still. He has lots on his honey due list, but he's so frugal, I'm sure things will lag behind.

Our poor 3 year old grandson, Alex has active COVID as I write this article and hope he'll be able to join us on vacation in Orlando, FL, Sept 11-18. We're in a wait and see status. Mom and Dad are vaccinated, but Mom tested too and waiting on results. Everyone else is good!

I am trying to keep you all updated on ESA information as it comes in, with that being said, I'm trying to post a simple newsletter monthly by the 15th, with exception of lamplighter article deadlines. (This month is prime example.) If any chapter has information to get out please notify me by the 10th of the month and I'll include it my newsletter!

Note of Education:

"Kindred Spirits", is my theme. Definition: A person whose interest or attitudes are similar to one's own. We in ESA I believe share our same interest in community, philanthropy, and education. My symbol are angel wings for the reason I stated at our state convention and to add to that while at IC convention, Brenda Bowersox and I were looking for our assigned sitting, and I looked down and saw a quarter sitting under a chair. It was not where I was to sit but believing my parents were telling me they were with me, I sat down anyway. While looking on the internet for spirits you find that there is an actual television show called Kindred Spirits which I will start watching but if scary I can't watch! Also noted are liquid spirits, Ha! While in KY, John spent several days visiting distilleries and enjoying several spirits and last week on vacation with some of our ESA friends we visited a winery/distillery and bought a few bottles of those too. At Leadership I will share with you some Kindred Spirit from a brewery here in Richmond.

"Archangels "of VSC: Our Executive Board: del angel of high rank, derived from Greek, literally "chief angel ". During a recent executive board retreat I was able to learn more about the board and each person's unique qualities. We have a lot to offer in ESA and everyone seems eager to proceed and make the VSC the best we can be. Some new proposals will be introduced at the fall meeting and I hope we can all appreciate the work these great ladies have suggested.

Thank you all again for allowing me to represent our state at state, regional, and international conferences. See you all at Leadership, October1-3 at Smith Mountain Lake.

A Message from our 1st Vice President - Beverley Wright

I hope every Virginia ESA member has been healthy this summer and will continue to do whatever they feel necessary to remain so. The VSC Executive Board Retreat at Massanutten was so nice. We ate some wonderful food, had a productive meeting, and got to know one another a bit better.

In looking towards the future – specifically the next year of Virginia ESA – I believe my job as 1st Vice President should focus on encouraging members to serve on the elected and appointed board. I sincerely hope that the days of “I can’t do it as well as (fill in the blank)” are over. The health and continuation of our organization is reaching the critical care state. Yes – we do need new members but just as important is the fact that we need current members to step up and become part of the “leadership” team that keeps the organization viable. The way I look at it is I find time to get involved in things that mean something to me and ESA has meant the world to

me for over 45 years. It saddens me that there are so many talented men and women out there that have the ability to give a small amount of their time and talents to keep this organization running but for whatever reason will not give of themselves. Personal testimony – the comradery of my ESA sisters and brothers, the good we do in our individual communities, for Easter Seals, St. Jude, Hope for Heroes, etc. far outweigh the effort we put into supporting these causes. I feel blessed that I am still healthy and relatively clear minded enough to do so.

So bottom line – I don’t want this to come off as a lecture but I would encourage each of you to truly sit down, take a moment, and think – am I doing all that I can to ensure Virginia ESA is healthy and will provide the help and hope others depend on?

I will have an empty form available at the VSC Fall Council Meeting. Please look into your heart and consider signing your name to the form as a willing team member supporting the future of Virginia ESA.

A Message our 2nd Vice President - Priscilla Browning

I hope everyone has had a good summer and were able to relaxing and enjoying yourselves. I am honored to serve as your Second Vice President this year and hope we can have fun and increase our membership in the chapters and in the state. I encourage you all to participate in the scheduled state and International meetings and opportunities, have some fun, learn valuable information and get to know each other better in person or on line.

October is Membership Recruitment Month. Schedule fundraisers, membership teas, and get together with your sisters and advertise the function. Whether it is in the newspaper, radio public announcement, or social media. Think outside the box and extend invitations to others that you may know.

ESA has been the best kept secret for 90+ years let us make some noise and market our beloved organization and the successes we have made through the years.

A Message our Corresponding Secretary - Marie LaDuke

I have been madly working on getting the State Yearbook completed. I am just waiting to receive some last bits of important information.

As soon as I finish the yearbook, Mindy will send it out to everyone. Let me know if any changes need to be made. I hope you will find this a valuable tool.

"I have put my nose to the grindstone for so long it is almost gone".

A Message our Parliamentarian - Beth Sherron

Happy Fall, y'all!

I am so looking forward to the cooler weather, sweatshirts, and Alabama football. As parliamentarian, my job is to read the bylaws, collect any suggestions for changes or corrections and present them to the membership. If you have any concerns about the VSC Bylaws or Standing Rules, please send them to me with your suggested changes. There has been one suggestion made that the membership need to think about and at Fall meeting we can discuss the pros and cons. The executive board would really like your input into this idea.

A lot of states that are like Virginia State Council VSC with a smaller number of active members have gone to two-year terms for their executive board. Since we have had a difficult time getting members to volunteer to run for the executive board, this may be a good solution for the VSC.

After the discussion at the Fall meeting, I will send the proposed changes for your review and to be prepared to vote at the VSC annual convention.

I hope everyone stays healthy this Fall and I am looking forward to see each of you at the Leadership and Fall meeting. Until then – be safe!!!!!!

A Message our Jr Past President / Disaster Chairman - Brenda Bowersox

I want to thank each and every one of you for all of your hard work as ESA members last year. It was a very different year and we were able to continue doing the things that help make other people's lives better. A lot of you were unable to attend convention so I want to also thank you for my lovely gifts. Here is a photo of the Pandora bracelet that I received (my very first). The three charms in the middle were part of the gift. I added the horse charm at IC in Louisville and the turtle charm when Jim and I were on vacation early in the month. There will be lots of additions as time goes on. Maybe a guitar when we go to Nashville for SERC? **Thank You!!**

As your Disaster Fund Chair I will certainly be asking for your chapter/individual donations to this worthy cause. I am sure that there are many members in the gulf coast at the moment who will need to ask for that help. Things like this can happen to anyone at any time. If you are on of those that need help do not hesitate. That is the reason we ask for everyone's donations. At this time, the most important thing for me is to let you know that there has been a **major change** in how a member submits a claim to the Disaster Fund. No longer will it be required to send the claim form to the chapter and state presidents. **"Due to HIPAA guidelines, members must not submit a claim to their Chapter President or to the State President. All claims must be completed by the member and sent to the ESA International Council Disaster Fund Chair for review."**

This year a claim should be sent to:
LeAnn Wray, Jr. Past President
10355 Blaine Road
Brighton, Michigan 48114
Email: lwrap2@comcast.net
Phone: 810-772-9551

The newest forms are not yet on the IC website so if anyone needs a claim form, please let me know and I will send one out. I do have a new electronic copy. Once the new forms have been uploaded to IC I will let our website team know so that the link can be added to our state website. If you have any questions about this change let me know.

A Message our ESA for St Jude Director - Susan Caldwell

Did you know that you can donate to St Jude by

- Holding your personal fundraising event
- Donating a car—Use website--Charitable Adult Rides & Services
- Ordering St. Jude Checks and Address Labels
- Setting up Memorial Giving
 - Make Honor/Memorial Fund donations
 - Dedicate a Brick at St. Jude
- Signing up for Planned Giving
- Gifting stocks, bonds, mutual fund shares
- Asking Alexa "Alexa, I'd like to make a donation to St. Jude."

- Giving at your workplace
 - Payroll Deduction
 - Fundraise at work
 - Use Employer Gift Match
- Donating unused gift cards
 - stjude.cardcash.com
 - Enter gift card number, PIN, and basic information
 - Complete donation and receive acknowledgement

Have you signed up to be a St. Jude Volunteer? (The process has changed)

- Go to stjude.org
- Click on Ways to Give
- Click on Volunteer Locally
- Fill out Registration Form—Choose ESA
- or
- Contact the Regional Office to become a St. Jude Volunteer
 - 757-6871200
 - 888-499-6090
 - Email Region-VirginiaBeach@stjude.org

Follow on Face Book

- St. Jude Children’s Research Hospital-Virginia

A Message from our Finance Director - P-Nut Schools

Kindered Spirits - **“Celebrating the Holidays”** at the ESA-VSC Meeting on October 3, 2021,

With the **Lucky Numbers**, In the beautiful location of Smith Mountain Lake - October 3, 2021.

This projects helps support the VSC and envelopes are \$2.00 for one (1) and for \$5.00 (3)

A Message our Lamplighter Editor - Theresa Morris

I think I surprised everyone by volunteering to be the Lamplighter Editor this year, including myself! The position was open as we left convention, and I knew I wanted to support our new President Mindy, in any way I could. Mindy and I have been friends since high school, and gave me the gift of ESA, over 30 years ago

when she pledged me. I am forever grateful for that gift, and again, want to support her in any way I can! THANK YOU Mindy for your dedication to ESA - VSC.

Please remember the following deadlines for future Lamplighter issues:
Winter issue - January 14, 2022 Spring Issue - April 10, 2022

A Message from our Philanthropic Director - Sue Stone

Thank goodness the hot lazy days of Summer are over. When September arrives we come alive by going outside for a walk, renewed energy and bright ideas to begin another new year in ESA.

Some chapters continue to clip coupons, others hold a fund raiser for Easter Seals, volunteer at the Discovery Shop which benefits the American Cancer Society and one chapter supports the Kids Soar program in Roanoke. Philanthropic events/service can be a small local project or participate in the huge Dream Home give away.

I look forward to receiving your reports with the deadline for this years Reporting is March 30, 2022. The current IRS mileage rate is .575. **Click on the links below for the VSC, ESA Chapter Philanthropic Entry Form**

If I can be of help, please contact me:
Sue Stone, Philanthropic Dr.
422 Windward Dr., SW Roanoke, VA 24018
540-343-6235 (h) msstone1@cox.net

A Message from Our Social Director - Gaynell Krista

Hello, Virginia Sisters! Is everyone ready to plan some chapter socials this sorority year? After COVID-19 hit, everything was halted, including most planned social events in our Virginia chapters, unfortunately. Even now this year, with the Delta variant spreading like wildfire, that virus is still affecting so many aspects of our lives once again. However, I want to be positive that we can still have our chapter socials and be able to interact with our own social connections but also simultaneously practice safety amongst each other.

As most of you know, you can find the scoring system for those entries in the VSC Standing Rules, when it comes time to judge for the Lisa Files Social Award. I will go ahead and list it here.

- 1) Social events reported during the year – 36 possible points (Maximum points for 9 events, 4 points deducted for each failure to report. In the event more than 9 events are reported, the best 9 shall be considered for judging.)
- 2) Social Event – 40 points
- 3) Theme – 10 points

4) Originality – 10 points

5) Method of execution (this should include everything used to carry out the theme and make the event a success—invitations, decorations, entertainment, refreshments, etc. Pictures and any outing publications should also be included.) Reports may be electronically transmitted by the deadline specified. In the event pictures, invitations and other outing publications are transmitted, it will not be necessary for the chairman to individually print each document. However, notation must be made on original report as to what was transmitted in order that points may be awarded accordingly. – 20 points

6) Percentage of members attending – 24 points

You can find the reporting form on the Virginia ESA website, and you can submit your forms to me via U.S. mail or email. Don't send them to my cell phone by text, please. My address: 2017 Angle Plantation Road, Rocky Mount, VA 24151. My email: gaynellk@embarqmail.com. My home tel#: 540-483-1725 & please leave a message.

Now, get busy planning those wonderful socials and let's have some fun this year!! I am waiting to hear from each chapter! Let me know if you have any questions.

Mindy, congratulations as our VSC President! Your year will be fabulous!!!

2022 Convention Update - Ginger Hodges, Chairman

“Southern Starts Here” - The Central VA ESA Chapters have been planning your 2022 Virginia State Convention, putting together some “different” ideas to make this convention exciting and fun. We invite you to share the weekend of May 20-22, 2022 with us in the beautiful Hilton Garden Inn, atop a very large hill, in Roanoke where you will enjoy a breath taking view when not attending meetings.

Registration begins Friday at 3:00 pm, followed by the Past Presidents Auxiliary Meeting, registration for Association of the Arts, Executive Board meeting and the President's Reception. Although we will not have a planned dinner or other functions on Friday night at the hotel, we are planning several dutch treat dinner ideas we will share with you later. We are excited to share time with our sisters with no time limit as to bed time. Early Saturday will find us following the regular convention schedule with PPA Luncheon and our Installation Banquet on Saturday ending with Sunday morning brunch.

We haven't forgotten the men and will share our plans with you as they are completed. At this time, there will be no planned Men's Hospitality Room.

Begin now making plans to enjoy time with your ESA sisters in Roanoke May 20-22, 2022 as **“Southern Starts Here.”**

2022 VSC Convention Registration Form

CHAPTER NEWS

Alpha Nu Chapter - Theresa Morris

Alpha Nu Chapter is thankful to have the opportunity to meet virtually as we have members all over the state. Our President, Pat Holtsclaw has helped keep us up to date, and Theresa Morris hosts the Zoom calls.

We are so very proud of Mindy Boyd for stepping up as VSC President and helping to keep the membership and state energized with activity.

Sue Stone have been very busy on the VSC Convention committee and planning the PPA Luncheon.

Candance Corrente has successfully completed her Masters degree, and Pam Blevins recently moved into her new house.

Dot Harcum has been busy quilting and celebrating her family, Katie Wheeling stays busy with many philanthropic events, and Sandy Wood has been very helpful with the area St Jude Dream Homes.

We presently have 9 members, and would love anyone to join in on our monthly meetings.

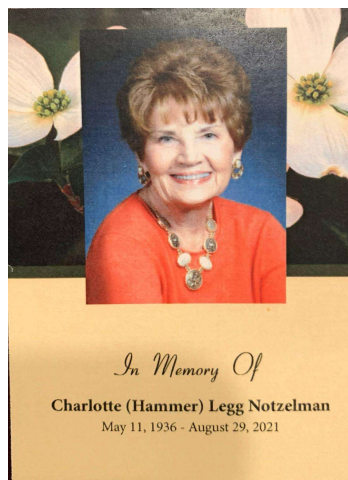

Alpha Omega - Jane Parrish

It is gratifying to know the VSC has carried on through this pandemic. It seemed to stop many of us for this year and a half. We had decided to start up again in September and planned an installation on Sunday, August 29. Our first meeting was to be September 4th.

As most of you heard from our Chaplain, Brenda Orebaugh, Alpha Omega sustained a horrific loss of a great member, Charlotte Notzelman, following that installation, and members Betty Hess and Nan Keckley were injured in that accident. They will be awhile recovering and Charlotte's funeral was held September 3rd.

Our meeting the 4th was cancelled so I have no news to pass on at present. I do wish to thank our chaplain for attending Charlotte's funeral and sitting with the chapter. On the 29th I installed our chapter and Polly Look did a pledge ceremony for Cheryl Spurr, our new member. Ann Taylor, our Educational Director, agreed to take on Charlotte's position as Treasurer. Laura Cain will be President.

Beta Delta - Shelby Hodges

Hello ESA sisters – where did spring and summer go? Now we are looking at fall full in the face and making plans for fall fun in ESA. We're excited about 2022 VA State Convention being in our city and make certain you seek out the article concerning convention in this issue of the Lamplighter.

Even with Covid attempting to put Beta Delta activities on hold, we have been moving along attempting to help others as best we can. We have continued with our monthly meetings in homes of members and began bringing cans of soups, boxes of crackers and jars of peanut butter to meetings for our annual donation to Soup for Seniors. We donated personal items to The Turning Point and thanks to Julie & Gaynell for stuffing special bags containing these items. I believe John helped with this project also. We will continue helping Turning Point later in the year. We realized a nice profit for our Ways & Means program when we hosted a Mary and Martha Party and tucked it away for our Christmas project. Julie has remodeled her kitchen/dining room area and we're ready to enjoy a Pampered Chef party there in the fall as well as a possible Tupperware Party.

Our third St. Jude Dream Home was a success as we sold out of tickets in eight days. It was quite an exciting time but hard to keep up there for awhile and thanks to a couple Richmond ladies who saved our lives by helping with the tickets we made it. The house was given away this past week. There was no Open House due to the fact it was not completed because of shortage of materials during the summer months. I was happy to volunteer in the office, its an experience for sure.

We have planned socials and birthday fun for members in the fall and will let you in on the “fun” in our next issue. Love and blessings to each of you.

Beta Kappa - Deana Renn

The summer has not slowed us down! We kicked off the 2021-2022 year with our July word of the month - Time. We were able to meet at a local winery to enjoy great food, tasty samples of vino, and some much loved social time!

The August word of the month brought us Citizenship. We raised donations for school supplies and had enough to pack 23 backpacks for homeless children and give an additional \$250 for last minute needs. And the first of the fall official meetings was able to be held outdoors where we learned that the

September word of the month is bought and created as much as it is learned - Patience! Cheers to a beautiful beginning of the school year, cooler temps for those who enjoy campfire nights, and decorating for the approaching seasons!

Beta Omicron - Jane Harris

Under the leadership of Jackie Nash for 2021-22, Beta Omicron will hopefully be able to continue our community projects such as supplies for the Cancer Center, Retirement Home, etc. Jackie’s theme for this year is “LIGHT THE DAY WITH A NEW WAY WITH ESA” with the Lighthouse as her symbol and educational programs on lighthouses in different states. The summer in the valley has been hot and dry but we are having some nice fall nights and days. Hoping winter will be mild and the pandemic will pass quickly.

Beta Sigma - Pam Cook

Happy Fall! Times have been interesting as we navigate this ever-changing world. We met up in April for a Yard Sale for Easter Seals followed by a Picnic Social at Susan Caldwell's. May found several of our members traveling to Fredricksburg for Convention and to support Mindy for her installation as State President. June we were hosted at the home of P-Nut Schools for Installation of Officers. New President Pam selected the Theme - "It's About Time". June the Beta Sigma Board was hosted by Lynne Rightmyer at Gwynn's Island to get the ball rolling then we broad it all

together with the membership planning meeting at Marie LaDuke's. Looking forward to getting back together for fun and fellowship. Because....."It's About Time".

Beta Tau - Sandy Reed

Edna, Beta Tau's outgoing chapter president did an excellent job of leading the chapter during the 2020-2021 COVID 19 sorority year with only three members. Beta Tau started its new 2021-2022 with an Installation Luncheon at Doris' home on April 12, 2021. The following officers were installed: Doris Hood, President, Edna Plancon, Vice President, Secretary and Parliamentarian and Sandy Reed, Treasurer and Educational Director. Doris' Theme is "Joy is a Song in my Heart" with a songbird as her symbol.

After installation, Beta Tau continued working on the VSC 2021 Convention in Fredericksburg at the Clarion Hotel & Suites Convention Center with Delta Sigma. Thanks to Susan Caldwell's closet of decorations we used some of them for the convention which was a big money saver. We didn't lose money on the convention which was a big plus. The food was outstanding. At our June Business Meeting, we brainstormed our projects for the 2021-2022 sorority year. Our educationals will be about songbirds, and we are going to try going out in public again for socials.

Due to the Delta Variant Outbreak, we decided at our August business meeting to forego the Garfield High School Christmas Craft Show. The organizer couldn't tell us if would be possible until after school was attended for a while. We had to start making our soups to sell, and we wouldn't be able to hand out soup samples which is why the soup sold.

On August 29th, we attended the Riverside Dinner Theater to see "Grumpy Old Men". The play based on the movie was hilarious and the food was excellent. In addition to the Beta Tau three, Catherine (Doris' sister) Pat & Jim Holtsclaw (Alpha Nu) and friend Martha McCaslin attended. The Fredericksburg Trolley Tour is on our social schedule for September 13th. This is a tour of Historic Fredericksburg. We are planning a yard sale at Edna's on October 9th.

All three of us plan to attend the Leadership Conference and Fall State Council Meeting at Smith Mountain Lake the first weekend in October. Look forward to seeing our Virginia sisters there.

ESA PPA Leadership Weekend - Carol Campbell

"Frolic with Friends at SML"

JOIN us at the Skelton Conference Center

775 HERITAGE Road, Wirtz, VA 24184

October 2, 2021

ESA PPA LEADERSHIP

Download the Registration Form Here!

Bring your lounge chair, coolers, extra snacks and drinks. Wear comfy shoes for walking the trails, volleyball, basketball or miniature golf (basic).

Group Reservations at OLD OAK CAFÉ –6 PM* on Friday night. Good food! I love their catfish and baked potatoes. Steak, chicken, hamburgers and salads will be offered. *Serving dinner just for us so please plan on eating with us.

Beds will be made prior to arrival with fresh comforters and pillows—not used by campers. Directions vary so use GPS and follow 4-H camp signs when in the Moneta-Scruggs area. NOTE THE BLUE RIDGE PARKWAY HAS MANY DETOURS DUE TO SPRING STORMS AND BRIDGES OUT. Contact Blue Ridge Parkway for information.

Saturday Buffet Breakfast will be in dining hall 7:30-8:30 AM. Group Leadership meeting prior to going to D-Day Memorial in Bedford, VA. We will car pool to that area; No buses available due to COVID. For those not wanting to do tour, Bedford has many lovely downtown attractions—antiques, coffee houses, art galleries, New BEDFORD BOYS MUSEUM downtown, and Beale's Beer. Nearby one can visit Popular Forest-Jefferson's summer home, Emerson Pottery or wineries in the area. Those of you who collect VIRGINIA LOVE Signs, find Bedford's version designed by local students. Bedford has an outstanding Visitors Center near the Memorial.

Plans are to eat at Liberty Station* after our D-Day tour. This is a great restaurant and if not open to us that day due to restrictions*, Bedford has numerous places to eat. If you don't want to do any of the above, hang out at the lodge or check out the sights of nearby cafes and shops located on the lake. Ask Bev Scott for suggestions. Returning to camp, a light dinner is planned for Saturday night. Bring beverages of your choice but make sure you discard them properly.

Presently we have 32 members and guests registered with some coming for only one night. *All guest staying and eating at the lodge must pay \$50 leadership fee along with their lodging choices.* Those members arriving for Saturday buffet breakfast will be charged \$15 per person. Food Service begins at 7:30-8:30 AM in dining hall. Our PPA Leadership Meeting begins at 9 AM Saturday in the Reid Jones Jr Lodge.

Sunday -- pastries and coffee will be served in our lodge from 7:30-8:30 AM. Meeting begins 9:30 AM. Just attending VSC Fall Council on Sunday, \$5 fee for pastries and coffee.

Register today!
