EDUCATION CENTER PROGRAM DESCRIPTIONS

Games Room Leaders (Tuesday's 6:30-7:30)- Where youth learn leadership skills and the social skills to take ownership of their space.

3D Printing Workshop: Sign up at the front desk for an introduction in 3D printing. We will be exploring a building website, Tinkercad.com and learning to build simple designs that could be useful in day to day play. **Fridays 5:30-6:30 (7-12)**

App Lab: In this program, kids will be introduced to logical thinking and the idea of computer language while getting a jump on App invention leading to the creation of their own Apps by the end of the session.

Wednesdays 4:00-5:00 (5th through 7th grade) 5:30-6:30 (1st through 4th grade)

Word Vomit: This is the time where youth can free write and express themselves on paper without restrictions. There will be a prompt for each session but, it is completely optional. **Thursdays 4:00-5:00**

Middle School Group- Come and bond with other middle schoolers as you participate in team building exercises and identity workshops. Being in Middle School can be tough, this is a great way to make friends and get support (Mondays 4-5pm middle school only)

Science Fair Prep: Science is very interesting and kids need a chance to experience the fun in it. During Science Fair Prep on Mondays, we are going to break down the scientific process and gather a little more understanding of how to conduct science experiments. In May we will get to dive deeper in experiments they liked and showcase their new knowledge and participate in our second annual science fair!

Mondays 5:30-6:30

Non-Cook Cooking: (Enables youth with the opportunity to have hands-on experience with cooking without the use of a stove. Learn to read and follow recipes, use measuring tools, practice patience, exercise team working skills, and learn healthy habits with real-world applicability. The goal of Non-Cook Cooking is to allow youth the ability to learn, create, and have a sense of pride in their accomplishments through the teaching of life skills. **Fridays 3:00-4:00 (Middle School)**

Torch Club: Torch Club is a "club within the Club," helping to meet the special character development needs of younger adolescents at a critical stage in their life. A Torch Club is a powerful vehicle through which young people develop and strengthen their 21st-century leadership skills, giving them a firm foundation of good character and integrity. Torch Club members elect officers and work together to implement projects in the four focus areas: service to Club and community; education; health and fitness; and social recreation. **Tuesdays 5:30-6:30 (Middle School)**

Social Justice Academy: Social Justice Academy is a program that brings together curiosity and media influence with activism to advocate for social justice. Through a series of hands-on workshops, SJA empowers youth to use social media as a tool of enlightenment and become agents of social change. Many of our youth will explore issues such as gender discrimination, mass incarceration, gun violence, and gentrification. Our goal is to use platforms that are heavily trafficked to bridge differences in race, age, and socioeconomics on a wider more positive scale and sparks conversations and action in our community.

TEEN CENTER PROGRAM DESCRIPTIONS

Middle School Monday- Teen Center is available for the Middle School from 2-4 for them to use as a recreational space.

Teen Talk- A time for teens to find out what is happening at the club during the week and have conversations with each other about a variety of topics.

Exploding Kittens- Exploding Kittens is a kitty-powered version of Russian Roulette. Players take turns drawing cards until someone draws an exploding kitten and loses the game. The deck is made up of cards that let you avoid exploding by peeking at cards before you draw, forcing your opponent to draw multiple cards, or shuffling the deck.

Catan Club- A group dedicated to teens who enjoy playing the board game *Settlers of Catan*. Participants can play for fun or take part in tournaments.

Video Games- PS4 (2K, Fortnite)

Card Games- Teens can play and learn different card games like Pitch, Spades, and UNO.

Trivia- Teens will be asked questions surrounding a variety of topics. On occasion winners will receive prizes.

Teen Poker- Teens can learn the basics of poker as well as some of the math behind it. Could also lead into discussions about the negative side of gambling.

Old School Games- SEGA Genesis, Nintendo NES

Bullseye Bucket- Cornhole with a twist

K.U.C (Kings Under Construction)- A group dedicated to high school-aged teens who identify as male to discuss topics about manhood and break down what it means to "be a man."
