PRESIDENT'S MESSAGE

Fellow Shooters, Friends and Guests,

IT IS MY PLEASURE, on behalf of the ITA Board of Directors and myself, to welcome you to the 127th Indiana State Trapshooting Championships.

A special thank you goes out to Indiana Gun Club, all our event sponsors, and our many volunteers. The participation and efforts of our volunteers allow this gathering to be possible, and the opportunity to renew old friendships, make new ones and participate in the sport we enjoy. Thank you to everyone for your continued dedication.

Over the years I have enjoyed working with fellow Board of Director members, past and present, serving the shooters of Indiana as a Northern Zone Director and now President. We have seen many improvements to our grounds, made possible by the ITA Board of Directors over the past years as well as by Indiana Gun Club. Be assured improvements will continue to be made.

I owe a debt of gratitude to my girlfriend Carol Deming for her support during the past several years and for answering the call for taking on the Friday and Saturday BINGO responsibilities. To my long-time squad mates Bernie Matthews, Tim Richards and Bob Johns, I promise I will try to be on time for our squads this year.

Thank you Don Barker and your late wife Judy. Your examples of dedication and enthusiasm to this sport and the participants have led me to this great experience.

Thank you,

Bill Mager
ITA PRESIDENT

IMPORTANT NOTES FOR 2021 STATE SHOOT

1. You may pre-squad online at presquad.com beginning June 1st.
2. Please note ATA rules regarding declarations for shoot-offs for category shooters. See Indiana State Shoot Tournament Information Item #20.
3. Septic services will be available for all campers on Thursday & Sunday. If interested, please sign up at the cashier's window.
4. Starting banks will be drawn each day. There will be a drawing made by the BOD at the clubhouse 1 hour prior to the start of that day's events. The bank assignments will be posted on the Shooter's Information Board, on the scoreboard and around the trapline. **If you sign up for an event after the bank assignments have been posted, you must take a position on the first available squad.** There will be no exceptions to this rule.
5. All operators of golf carts, both personal and rented, must have a valid driver's license and proof of liability insurance. Shooters who rent golf carts from the ITA are responsible for all damages to their golf cart.
6. **Shooter will need a plastic ATA card and updated Average Card to classify, squad, return a squad position, cashier, and/or receive payouts.** See "Rules for Squadding" for additional information.
7. For Singles & Handicap events, we will be using eight two-trap banks, shooting 50 per trap, 5 per post. For Doubles events, we will be using six two-trap banks, shooting 50 per trap, 5 pair per post.
8. For Friday Night's MISS & OUT, event donations include various prizes from several generous contributors. Further details will be available at the shoot.

INDIANA STATE SHOOT TOURNAMENT INFORMATION

1. **ATA Rules and Regulations will govern this program.**
2. The ITA Board of Directors (BOD) reserves the right to refuse any entry and/or to remove any person interfering with the harmony of this shoot. The ITA BOD reserves the right to change, cancel, or postpone any part of this program. All decisions in regard to rules, trophies, and money shall be made by this body and are final.
3. The ITA will not be responsible for any loss or accidents. See “Waiver and Release Agreement” on the previous page, prior to entering any event.
4. Classification, Squadding, and Cashiering will open at 7:30 AM each day, except on Tuesday (Fun Day) which opens at 8:30 AM. Classification and Squadding closes at 5 PM each day except Sunday, which closes at 1 PM. Cashiering closes at 5 PM each day except Sunday, which closes at 2:30 PM.
5. **All shooters must have their ATA Average Card accurate, updated, and averages computed.** If your ATA Average Card is not up-to-date, classification will be at the discretion of the Handicapping Committee. Each shooter will also need their plastic ATA card for classification, squadding and cashiering.
6. Handicapping and Classification will be performed by the ITA BOD, ATA Indiana Delegate and Alternate Delegates, or by appointed personnel. No entry will be accepted until the shooter has been classified and handicapped by the classification committee.
7. **Target Requirements are as follows:**
 - a. Targets must be shot in the current Target Year.
 - b. 500 targets are required for Singles, otherwise shooter will be advanced one class based on established average and/or known ability.
 - c. 500 targets are required for Handicap, otherwise shooter will shoot current ATA assigned yardage plus two (2) yards Penalty. Penalty yardage shall not exceed 25 yards, or current yardage, whichever is greater.
 - d. 300 targets are required for Doubles, otherwise shooter will be advanced one class based on established average and/or known ability.
 - e. Shooters with no target history for Singles & Doubles will be placed in Class C or higher based on known ability.
 - f. Targets shot at the State Shoot on Tuesday will count towards the target requirement. However, the shooter will need to be reclassified on Wednesday if they meet the target requirements.
8. **Classification shall be as follows:**

16-Yard		Doubles	
97% and over	AA	93% and over	AA
94% to 97%	A	89% to 93%	A
91% to 94%	B	85% to 89%	B
88% to 91%	C	78% to 85%	C
Under 88%	D	Under 78%	D
9. **Categories must be declared at the time of classification.** Once a participant begins his or her first event, their category will not be changed. Categories will be per current ATA Rules.
10. **Special Rules Governing Classification:**
 - a. **Reduced Target Price** – ITA will deduct ½ the target price for Juniors and Sub-Juniors if they choose to forfeit the right to play options. This declaration must be made at the time of initial classification and is irrevocable for the remainder of the shoot. Juniors and Sub-Juniors that shoot ½ price targets are still eligible for trophies and added money.

- b. Penalty Waivers – Target requirements will be waived for Senior Veterans and Lady II shooters age 70 and older, making them eligible for trophies and added money.
 - c. Targets Only – Penalty yardage may be waived by any shooter so electing to do so. However, such waiver shall prohibit them from winning any trophies, added money, options, and prohibits the shooter from participating in any special events or options, including HOA & HAA. Once declared, this declaration shall be in effect for the rest of the tournament, unless their target requirement has been met prior to Wednesday.
 - d. Starting with Wednesday’s Events, if a shooter shoots the high score in their Singles and/or Doubles Class, regardless of Category, the shooter’s classification will automatically be moved up by one class for the next event and rest of the shoot.
 - e. If a participant wins yardage in any handicap event, please report to classification for proper updates. Any shooter who does not report shall be ineligible for trophies, options, or added money for subsequent events.
11. **Rules for Squadding** – The ITA has eliminated the paper entry cards and will be utilizing an electronic squad ticket. You will only be able to squad one position per event per ATA number. **Those desiring to reserve a position for another person must have that shooter’s ATA plastic card to reserve a position.** If you do not wish to enter an event that you have previously squadded for, you must use your ATA card to release that position before being eligible to reserve a new position. If you have enough shooters for a full squad, it is highly recommended to pre-squad for those events to ensure that all five shooters shoot on the same squad.
 12. Please do not squad for a late squad in one event and an early squad in the next event on the same day.
 13. Squadding and Cashiering for Tuesday’s Events will take place Tuesday morning. Squadding and Cashiering for all other events will start after 1:00 pm on Tuesday.
 14. No entry fee will be refunded unless shoot is cancelled or per ATA rules.
 15. **No entry will be changed after the participant has left the cashiering window.** Targets not cashiered prior to shooting an event will count as “targets only” and the shooter will be ineligible for all trophies, options and added money for the event. The targets will be registered and the shooter will be required to pay all target fees and ATA/ITA fees for the event. Shooter will NOT be allowed to shoot remaining events until restitution is made for those targets. Multiple occurrences will result in disqualification.
 16. All events will start on time as stated in the program. No shooter will be called to the line for any reason. Shooters should be prepared to shoot early in the morning if squads are empty. 2021 INDIANA AIM STATE CHAMPIONSHIP

AIM is the official Youth program of the ATA. The purpose of AIM is to provide a safe and positive experience with firearms and registered trapshooting for youth, elementary school through college age. AIM encourages good sportsmanship and responsibility through competition while establishing the foundation to make trapshooting a lifelong avocation.

The ITA Board of Directors have decided to hold the AIM championship on Tuesday, July 6, 2021. The AIM program will be 100 16-yard targets followed by 50 pair of doubles. The AIM Events will run concurrent with Event #1, as a separate program on the east end of the trap line.

The Indiana AIM program is always looking for people to volunteer their time or donations of money, guns, shooting items, and flats of shells for our annual shell raffle.

Please contact us with any questions you may have.
