Our cashless society is designed to make your life on board as simple as possible. Once you have registered your credit or debit card(s) (Visa®, Mastercard®, American Express® and Discover®) you will be able to use your onboard account for shipboard purchases. You are welcome to pay for other individuals you are traveling with; this can be completed during your Online registration or at the Front Office on board. Credit or debit card number(s) will be securely sent to

the ship in preparation for your cruise. Upon embarkation, we will seek an initial authorization on your card of US\$60 per person for each day of your cruise, plus all onboard charges for all guests 18 years of age and older* (Please note: This authorization will not be placed against your credit or debit card(s) until the day of sailing.)

At the end of your cruise, you will receive a final statement, and your card will be charged only for the actual amount of your purchases. Refunds for purchases of onboard products and services will be credited to your onboard account whether purchased prior to or during your cruise. Please have the credit or debit card(s) you registered with you and available for the duration of the cruise in case our shipboard staff needs additional information.

Please inform your credit or debit card issuer in advance that your card will be used on a Holland America Line ship. This will help prevent delays in obtaining the authorizations; please note there may be multiple authorizations requested throughout your cruise. Some banks may keep the authorization in place for up to 30 days. Please contact the credit or debit card-issuing bank with questions regarding the length of time such authorizations remain on your account.

If you do not want to use a credit or debit card, the ship will collect a cash deposit for all guests 18 years of age and older* at time of boarding in the same amount (US\$60/ person/day). Please Note: With the cash option, you MUST bring enough cash to cover the \$60/person/day account deposit. Failure to do so may forfeit your right to board. Any excess deposit will be refunded to you at the end of the cruise. Traveler's checks may be cashed at the front office to make your deposit. Personal checks are not accepted on board.

Please Note: There is not an Automated Teller Machine (ATM) available on board. The U.S. dollar is the only currency accepted on board Holland America Line ships.

CRUISE:

Disembarkation usually begins 2 hours after docking.

Due to security reasons, all guests must be on board 2 hours before sailing.

Itineraries are subject to change at any time without notice.

Check your specific sailing for exact departure and arrival times. All times are local to the port.
