

2005 | ADMIRAL[®] SE

This is Living[®]

 HOLIDAY RAMBLER[®]

This is Living[®]

Fifty-one years. It's a proud reminder of our many accomplishments. After all, we were there from the start of an industry, and innovation by innovation we've led the way toward creating a rich and wonderful RV lifestyle.

Maybe it's not until you own a Holiday Rambler that you can truly feel the strength of our heritage. You'll feel it in the peace of mind you'll have knowing your family's in the safest RV on the road. You'll feel it in the quality of your experiences, thanks to the hundreds of conveniences we've developed. And you'll feel it when you realize you're free to roam throughout North America with confidence, knowing our network of support is with you every mile of the way.

So join us as we look forward to a new model year. For 2005, we're celebrating an exciting new lineup, full of more groundbreaking products and high-tech advances than ever.

2005 ADMIRAL SE

THE ROAD'S BEST VALUE.

When you're ready to step up to a gas motorhome, you can be confident you'll find Holiday Rambler's legendary quality in every coach we build. Our commitment to innovation extends throughout our lineup, including the 2005 Admiral SE. This value-packed RV is highlighted by our exclusive Alumaframe® superstructure and multi-layer insulation. And this year, it boasts a whopping 32% increase in storage capacity, so you can plan to bring along everything you need for your family's outdoor adventures.

Holiday Rambler®

1954 - 2005

CASTLE GATE DECOR WITH VINTAGE OAK WOOD.

36DBD

{ SEE MORE. DO MORE. LIVE BETTER. }

Welcome aboard the 2005 Admiral SE. Allow us to point out some of the quality, value and innovation that make this affordable gas motorhome the best choice in its class. To begin with, you'll notice the warmth and beauty of the woodwork. Details include raised panel doors on the overhead cabinets, stylish satin brass hardware, new wood slide-out fascia and wood grain crown molding. To customize the coach to fit your lifestyle, you'll choose from a long list of furniture options — in both plush fabric and soft touch vinyl coverings. You'll also enjoy upgraded padded carpeting in the living area and bedroom, paired with optional laminated plank flooring or Armstrong laminated tile flooring in the kitchen, bath and entryway.

As you look to the front of the coach (below), you'll see the large, comfortable cockpit seats, shown here in optional soft touch vinyl. And overhead, you'll find the 24" flatscreen stereo TV, as well as cabinets with smoked glass doors for the optional VCR and DVD player.

{ READY AND WAITING
FOR YOUR NEXT ADVENTURE. }

The Admiral SE's stylish efficiency is designed to take you wherever the next road leads. In the kitchen, you'll enjoy a full complement of high-quality appliances, with attractive options that include a large double-door refrigerator with optional ice maker and a versatile convection microwave. The dining area comes standard with a wood booth dinette with side-sliding table top and convenient storage doors. Or, you may choose the optional freestanding table and chairs shown here. In the living area, an optional hide-a-bed sofa enhances the flexibility of your floorplan, giving you more sleeping room for family or guests. And in the bedroom, you'll love the queen bed with beautifully coordinated bedspread and decorative pillows. On most floorplans, a swing-away cabinet neatly houses the optional 19" color TV with remote control.

This year, the Admiral SE features new side-hinged baggage doors, making it easier to see and reach items stowed below. Plus, with new pass-through bays, the coach has a 32% increase in storage capacity. You can also count on your Holiday Rambler to have the most reliable slide-out construction in the industry — for years of trouble-free operation.

CASTLE GATE DECOR WITH VINTAGE OAK WOOD.

36DBD

ALUMAFRAME® CONSTRUCTION SINCE 1966:

The Admiral SE features Holiday Rambler's exclusive Alumaframe® Superstructure. Our revolutionary system of aluminum C-Channel crossmembers runs the entire length of the unit, with double-welded intersections for added strength. This rigid design is both lighter and sturdier than wood or tubular aluminum frames — and much more reliable than butt-welded or screwed joint designs. From dirt roads to potholes, you can count on Alumaframe® to handle the relentless stresses of the road and provide superior structural integrity for many years to come.

Alumaframe®

Wood

Aluminum (Butt-Welded)

Alumaframe® (C-Channel)

SLIDE-OUT:

When you get a Holiday Rambler, you can be sure the slide-out boxes are some of the strongest and most reliable you'll find anywhere. They feature our exclusive multi-layer construction to give you maximum insulation and to reduce the chance of warping, twisting or shifting.

9-LAYER ROOF: (top to bottom)

- Peaked aluminum roof
- Luau backing
- Thick, tapered bead foam insulation
- Aluminum double I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- 1/2" bead foam insulation
- Foam padding for extra insulation
- Padded vinyl ceiling

5-LAYER EXTERIOR WALL: (top to bottom)

- Smooth .063 aluminum is standard, gel coat fiberglass is optional
- Interlocking C-Channel filled with 1-1/2" fiberglass insulation bonded in place so it doesn't sag or leave spaces uninsulated
- Vapor barrier
- Bead foam adds comfort, saves energy and provides a thermal insulative barrier
- Interior paneling

SMARTSTRUCTURE II: STRONGER AND BETTER

The SmartStructure II achieves overall chassis strength by optimizing the inherent benefits of strain hardened steel in conjunction with an aerodynamic metal removal principle to allow stress flow in the truss system to evenly distribute both static and dynamic loading across the coach platform.

Integrity is stamped into the truss system instead of relying on the welds of the tubular structure.

This equates to 40% fewer welds and strategically located metal removal to reduce the overall chassis weight and provide for greater carrying capacity.

SmartStructure II is fully integrated with your choice of Ford or Workhorse Chassis.

- 4-LAYER FLOOR:**
(top to bottom)
- Structurwood™
 - Blue foam insulation
 - 1-1/2" aluminum tube
 - Three-ply poly underbelly

CELEBRATING THE FREEDOM OF CHOICE.

At Holiday Rambler, we're dedicated to giving you more ways to help you create the coach of your dreams. That's why the Admiral SE features a wide selection of exciting double and triple slide-out floorplans, with numerous furniture options to fit your lifestyle. In addition, our designers have created exquisite color and fabric combinations to give you the most beautiful interiors you'll find anywhere. Add to that the woodwork of your choice, and you'll have a luxurious motorcoach you can truly call home.

* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your Owner's Manual for further towing information.

** Variances in the fabrication and installation of the tanks may cause the actual "usable capacity" to be greater or less than the capacities designated above.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information.

The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the HR logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders.

While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated.

Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by the Monaco Coach Corporation companies. To learn more on what specific component parts and appliances are excluded from the Limited Warranties issued by the Monaco Coach Corporation companies please contact your selling dealership or Monaco Coach Corporation directly or review the warranty packet inside the recreational vehicle.

{ IT'S ALL ABOUT BUILDING A LASTING RELATIONSHIP. }

WELCOME TO THE FAMILY ADVANTAGE.

What is the Family Advantage? It's all the ways we put the strength of our family to work for yours. It's the unmatched level of teamwork, expertise and combined experience of all our companies.

It's our ability to respond rapidly to our owner's needs, with new features and technologies. And it's our commitment to value and to giving you more RV for your money.

The most important aspect of the Family Advantage is being there when you need us. Our staff is available 24/7/365 to help you with virtually any situation that may arise — with troubleshooting, operational instruction or facilitating repairs at the nearest of our 350 nationwide service centers. In addition, you will be enrolled in our Owner Advantage Roadside Assistance Program free of charge for your first year of ownership — providing additional emergency assistance, including towing, tire repairs and many more services around the clock. No matter where you are, someone is standing by to talk with you 24 hours a day — to help you get the most from your time on the road.

In short, when you purchase an RV from Monaco Coach Corporation, you get a wider array of benefits than any other manufacturer can offer. To see it all for yourself, call 1-800-634-0855 or 1-800-650-7337. We'd love to meet you Monday through Friday for a tour of one of our state-of-the-art production facilities in Oregon or Indiana.

350 | SERVICE FACILITIES
NATIONWIDE AND GROWING.

OWNER ADVANTAGE ROADSIDE ASSISTANCE PROGRAM
At no charge to you in your first year of ownership, we offer an extensive support program that provides complete roadside assistance and special motor club benefits that follow you wherever your travels take you. This coverage also includes one additional family vehicle at no extra charge! Highlights include towing, tire repairs, fuel delivery, lock-out service, service appointment assistance, trip interruption coverage and much more.

WARRANTIES

12 MONTH/24,000 MILE
basic limited warranty

5 YEAR/50,000 MILE
limited warranty on aluminum or steel frame structure of sidewall, roof, front and rear cap

Applies to certain models. See owner's manual for complete details.
