2005 DAMON CHALLENGER

You've just found the most motorhome for the money. Challenger.

WELCOME TO PARADISE.

rolled into one beautiful package that surpasses your expectations but doesn't exceed your budget.

LUXURY AMENITIES.

A Carrier[®] ducted air conditioner is mounted on the roof and has a remote thermostat so you can adjust the temperature from inside your Challenger. Huge 40-inch-deep living-area slideouts and 30-inch-deep bedroom slideouts are available on select models to provide a wide-open interior usually found on higher priced motorhomes.

Challenger's aerodynamic gelcoated front and rear fiberglass caps offer a sleek, stylish appearance.

FLOOR PLANS

Damon offers a variety of floor plans and options. All provide the roomiest, most convenient mobile living experience you've ever had.

40-inch living-area slideout • 30-inch bedroom slideout • Private stool area

Generous closet space • 40-inch living-area slideout

Living-area slideout • 30-inch bedroom slideout • Garden tub

40-inch living-area slideout • 30-inch bedroom slideout

Dual-zone living • 40-inch living-area slideout • Floor-mounted television

More delicious details.

It's easy to enter and exit Challenger's captain's chairs, since the low-profile engine cover takes up so little floor space.

Cabinet doors are handcrafted with solid-wood for durability and long-lasting beauty.

Beautiful side-mounted awnings let you enjoy the patio, rain or shine. They also protect slideouts from detrimental weather.

Four-point hydraulic leveling jacks come standard on all Challenger slideouts and operate with an electric touchpad control.

A 5,000-lb. heavy-duty trailer hitch lets you tow most SUVs.

The kitchen is vinyl tile floor which is easy to keep clean and won't scratch or dent.

It's easy to keep your cooking supplies organized in Challenger's huge pantry with adjustable shelves and roll-out drawers.

There's plenty of room for your active life, thanks to extra-large, extra-strong multiple pass-through rotocast storage compartments. Plus, they have drain valves for quick wash out.

110-volt/12-volt outlets in the cockpit let riders use laptop computers, telephones and other electronic devices.

The optional driver's side door makes fuel stops easy. Features a slider window and lock for added convenience and security.

Premium AM/FM/Pioneer® CD player in the cockpit dash comes standard.

SIDEWALLS

Sidewalls are five layers thick, consisting of: • Exterior fiberglass • Wood backer • Aluminum frame • Bead-foam insulation • Interior wallboard Walls are also vacuum-bond laminated for added strength and rigidity.

FLOOR

A water-resistant, Structurwood® floor supports the living area. Framed in 1.5inch welded-steel tubing, it's insulated with solid bead-foam and protected with a galvanized underbelly, providing rust and corrosion protection.

BUILT WITH A REMARKABLE BALANCE OF STRENGTH AND SOPHISTICATION.

ROOF

Challenger's roof is vacuum-bond laminated for superior strength and rigidity. It features an aluminum rafter support system with bowed rafters to maintain the roof's crowned shape. A crowned roof permits better water runoff, which helps prevent leaks.

BASEMENT AND STORAGE

Challenger

The Challenger basement construction incorporates a strong, welded-steel truss system. Trusses are horizontal to better distribute weight. They also allow for Challenger's full basement and massive pass-through storage compartments.

UTILITIES

Travel in any season because of Challenger's heated holding tanks and fully contained plumbing systems. Tanks are mounted horizontally, making service and maintenance easy.

CHASSIS

Quality construction starts here. And Challenger uses only the finest: either a rugged Ford[®] or Workhorse[®] chassis depending on the floor plan.

Challenger

ena

FEEL RIGHT AT HOME.

Now it's time to choose your favorite fabrics, paint colors, wood styles, floor plans and other options. No matter which model and design package you choose, you can be assured that every Challenger Motorhome we make is built the same way — the right way with the same high-quality materials, components and state-of-the-art construction techniques.

Décor

Choose from a selection of wellappointed décor package that lend a sense of personality and make you feel right at home in your Challenger.

Paint

Challenger's exterior has a wonderfully fluid, sweeping look, with bold, clean graphics and optional paint styles. Few other motorhomes in Challenger's class offer this many choices.

Just discharged from the Marines in 1946, Bobby Troup and his wife headed for fame and fortune in California via Route 66. By the time they hit LA they had written "Get Your Kicks on Route 66."

P.O. Box 2888 • Elkhart, IN 46515 Sales: 800-860-5658 Customer Service: 800-860-3812 www.DamonRV.com

Due to constant product improvements, the specificati discontinue models without notice or obligation. Components Various RV components and features may differ to conform to local codes. Due to EPA environmental restrictions, engine power and torque ratings may change mid-year.
