More Information, More Confidence

IronClad Assurance – Buy with confidence knowing that equipment backed by our IronClad Assurance has been given a thorough inspection and the report is guaranteed to be an accurate description of the machine's condition. Inspection reports are or will become available at www.IronPlanet.com.

Safety – The safety and health of everyone in, on, and around the equipment at the auction site is our top concern. Our one-of-a-kind Leaderboard® displays in-action equipment footage and key technical information, giving you at-a-glance access to the information you need most, and affirms our commitment to safety as it limits equipment operation in the auction yard to predetermined safety zones.

Equipment Protection Plans – Certain Cat equipment will come with an Equipment Protection Plan included and will be identified with a gold badge on the inspection report and the Leaderboard. Items with silver badges will have Equipment Protection Plans available for purchase.
