AutoPark Dallas is excited to offer you this modified 2010 Hyundai Genesis Coupe for sale! Sharing the same basic structure with the larger and more upscale Genesis sedan, this performance-oriented coupe is smaller and designed to offer significantly sharper handling. Enough to say, its a whole different machine on the road than its larger sedan family. With the 2.0L Turbocharged I4 Engine under the hood pumping out a good 210 horses, this savvy Hyundai isn't a coupe to overlook. Come check out this Genesis parked in our indoor 16,000 Sq Ft Showroom located in Addison, Tx. amongst our inventory of 60+ vehicles!

****All vehicles are priced for QUICK SALE. All REASONABLE offers will be considered****

AutoPark Dallas is dedicated to offering a level of customer service not usually found in the automobile industry. We take pride in continuing this service long after the vehicle has been delivered. We strive for excellence and make every effort to see that our customer is completely satisfied with every purchase. Referrals and Testimonials is what our business is built on.

Our extensive buying experience guarantees quality, pre-owned and new vehicles hand-picked from factory sources. Our love for the automobile and our dislike of traditional dealership tactics motivate us to provide the service we do!

Pre-purchase inspections are always welcomed! We also offer airport shuttles, amazing finance options, extended warranties and so much more!

We accept trade-ins, will BUY your car (modified or not) even if you don't buy one from us, and offer consignment deals to SELL your vehicle for you! For more information just give us a CALL or TEXT!!
