

2010 Motorhomes by Jayco

**Jayco**

AMERICA'S MOST LIVEABLE RVs.

2010 SENECA

# Great Explorer

# Freedom

## POWERFUL

Seneca's Duramax® V8 turbo diesel engine, six-speed Allison® 1000 Series transmission with overdrive, 150-amp alternator and 1,000-watt engine block heater will never leave you stranded.

SENECA®  
2010 Motorhomes by Jayco®

LIVEABILITY MEETS MANEUVERABILITY

# granted.

Whether the kids are grown up yet or not, family time will always be important. Fortunately, the spacious, comfortable and easy-to-drive Seneca makes hitting the road and visiting with family easier than ever before. Seneca's powerful engine offers unbeatable carrying capacity, while its distinctive and tastefully decorated interior rivals the best hotels. You'll enjoy every minute spent in your new Seneca.

## MANEUVERABLE

Tight corners are a breeze with Seneca's 53-degree turning radius, while its smart cab design, large windshield and sloped hood make it easy to see objects as close as 13 feet from the bumper.

## SMOOTH

Built on a 22,000-pound Chevy™ Kodiak® chassis for maximum cargo carrying capacity, Seneca utilizes rear suspension helper springs, a heavy-duty front stabilizer bar, power all-wheel ABS brakes and power steering to provide a smoother ride.

## A TRADITION OF LIVEABILITY

Starting with our first lifter system for fold-down campers in 1968, which made for an easier, more enjoyable camping experience, Jayco has always been about liveability. Today, we're the world's largest family-owned RV manufacturer, yet our priorities remain the same: making RVs more liveable and family time more memorable.

SENECA 36FS | INDIGO

## BIG ON COMFORT. BIGGER ON SAVINGS.

With Northridge Maple raised-panel cabinetry, oil-rubbed bronze cabinet hardware, J-Stone® solid-surface countertops and interior halogen recessed ceiling lights throughout, Seneca's lavish interior offers the comfort and luxury of an upscale Class A motorhome, for the price of a Class C.

## SPACIOUS

There's no chance of getting in each other's way in Seneca's roomy living area, with comfortable dinette and leather hide-a-bed sofa.

## CHARMING

Seneca's tastefully designed bedroom features a decorative headboard, contemporary cabinetry, color-coordinated fabrics and ample storage.

## PEACEFUL

A rounded glass shower door, medicine cabinet with mirror and residential linoleum floor are just a few of the bathroom's home-like touches.

## Jayco construction

At Jayco, we've built a reputation for superior construction and craftsmanship. We always use top-quality materials and production techniques, giving our products **reliable resale value** and our owners peace of mind.

### FLOOR

Vacuum bonding joins our welded aluminum frame with a heavy-duty Structurwood® floorboard to create one of the strongest foundations in the industry.

### WALLS

TuffShell™ vacuum bonding combines with welded aluminum frames and metal backers, creating a durable structure designed to withstand use and travel.

### ROOF

The laminated, vacuum-bonded roof is comprised of ¼" plywood decking on 5" arched aluminum trusses with bead-foam insulation (R-23) and a seamless fiberglass shield that protects against moisture and resists aging.

## Jayco craftsmanship

Jayco's dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations.

## Jayco liveability

### DRAWER GUIDES

New ball bearing drawer guides provide smooth operation and full-drawer extension.

### HDTVS

The living area boasts an impressive 32" LCD HDTV, while the bedroom features a 22" LCD HDTV.

### BACK-UP MONITOR

The in-dash built-in back-up color camera, monitor and optional in-dash navigation system add an extra layer of safety.

### STAY COOL

Central air conditioning and a Carefree® 12V Eclipse™ electric patio awning make it easy to stay cool both inside and out.

**Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the motorhome, including the Unloaded Vehicle Weight (UVW) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the Cargo Capacity Capability.

**Gross Combined Weight Rating (GCWR):** The maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle.

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements.

AMERICA'S MOST **LIVEABLE** RVs.

## 2 YEAR WARRANTY

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco's limited warranty is not transferable.

**Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!**

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

Your Jayco Dealer

## 300 JAYCO DEALERS

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to provide a full product orientation and walkthrough at the time of delivery. It's a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

## 1 YEAR ROADSIDE ASSISTANCE

Travel worry-free with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

- Free jump starts
- Free tire changes
- Free fuel delivery
- Free lockout service
- Free travelers checks
- Toll-free nationwide service appointment assistance
- 24-hour toll-free emergency message service
- Free custom trip routing and full-color map service
- Free dispatch of on-site mechanical service
- \$2,000 trip-interruption reimbursement
- RV technical assistance hotline
- Free towing to nearest qualified service

Jayco proudly sponsors Tread Lightly!, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.
