Seaplane / Amphibian Equipment

Seaplane / Amphibious Float Kits and Options

Seaplane Prep Kit - Includes Dual Tail Struts and Lift Rings and Fairings

(Requires Use of Ventral Fin and Appropriate Seaplane Fitting Kit)

Seaplane Fitting Kit - Oleo Strut Gear Tailwheel Models: includes Aft Attach Points (Weld-In)

Float Fittings, Aft Bolt-On Float Fittings, Wire Pulls for Aft Bolt-On Float Fittings

(Specify Make/Model of Float)

Seaplane Fitting Kit - Spring Aluminum Gear Tailwheel Models: includes Aft Attach Points (Weld-In)

Float Fittings, Aft Bolt-On Float Fittings, Wire Pulls for Aft Bolt-On Float Fittings,

Float Fitting Adapters - Forward (Specify Make/Model of Float)

Seaplane Fitting Kit - Nosewheel Models: includes Aft Attach Points (Weld-In) Float Fittings,

Aft Bolt-On Float Fittings, Wire Pulls for Aft Bolt-On Float Fittings, Float Adapter Kit

(Specify Make/Model of Float)

Ventral Fin (Required for Float Operations / Specify Make/Model of Float)

Stainless Steel Kit (Includes SS Bolts, Control Cables, and Hinge Pins Where Approved)

Seaplane Floats

Wipline 2350 Seaplane Floats - (Approved on MX(T)-7-180 models)

Wipline 3000 Seaplane Floats - (Approved on M(T)-7-235, 260 models)

Installation: Seaplane Floats (Wipline)

Shipping of Floats to Maule Air, Inc.

Amphibious Floats

Wipline 2350A Amphibious Floats - (Approved on MX(T)-7-180 models)

Wipline 3000A Amphibious Floats - (Approved on M(T)-7-235, 260 models)

Installation: Amphibious Floats (Wipline)

Shipping of Floats to Maule Air, Inc.

Standard Interior Colors (All Models)

For highest level of comfort in the Maule pilot & copilot seats, we offer the **Oregon Aero Seat Cushion System**. The specially contoured visco-elastic foam is shaped for proper lumbar curve, and works with your body heat to provide even pressure distribution. You will be amazed at the comfort this seat system awards. For more information, visit www.oregonaero.com.
