

The 2013 Rocky Mountain Gathering of Haunters

The Annual Rocky Mountain Haunter's Gathering for 2012 is coming
June 6th, 7th, and 8th, at
The Stringtown facilities in Lindon Utah.

As in years past—NO drinking, smoking, or cussin' on the property please...

Activities going on during the weekend

- **Make-n-Take builds:** This year we are please to be able to offer the following builds - LED Lights, Simple Prop Controller, Milk Jug Skulls, Pouring Liquid, Haunted Bookcase, Flying Crank Ghost, One-Armed Grave Grabber, Swaying Zombie. It's a lot of classes, so no one should be bored.
- **Demos and Classes:** Demo's and/or haunt related Classes for this year include - Soldering 101, DMX Controllers, Fog Machines, and Projections (house, pumpkin, etc).
- **Silent Auction:** We are NOT going to hold a silent auction this year. Instead we will have a 'donation' box with a suggested donation (per person), to help cover the costs of the annual gathering.
- **Prop-Swap:** We do want to continue the tradition of the prop-swap. Members who have items they want to sell or trade, are encouraged to bring them to the Annual Gathering, where a special area will be set up for you to display your items.
- **Back Stage Tour:** The tour everyone looks forward to each year, this year we scheduled to do a lights-on back-stage tour at the new Castle of Chaos Orem.
- **Show-n-Tell:** Don't forget to bring items you have been working on this year, that you want the whole group to see. We've got time allotted to allow everyone to show off their haunt skills! It is always great to see what other members of the group are doing. And a great opportunity to get some great ideas from others in the group.
- **Food and Socializing:** We are keeping with the 'simple' the food again this year, so the only meals we are offering is the Bar-B-Queue dinner on Friday and the Pizza dinner on Saturday. The other meals will be on your own. Since we are at Stringtown, there is also the use of the pool, and rides on the train. So bring a towel and suit, and don't miss a ride on the train! The pool hours will be posted, so check the pool gate for times.
