

Life Centers

We Choose Compassion

2014 Annual Report

Our Mission

The mission of Life Centers is to affirm the value of life by providing a network of care to those experiencing pregnancy-related crisis and by compassionately presenting biblical truth resulting in changed lives to the glory of God.

Heather's Story

I am so thankful for Life Centers. The staff and volunteers truly cared for me when I needed it most.

By the time God led me to Life Centers, I had already gone through quite a bit. More than once I had tried to have an abortion, but God sent circumstances to prevent me from making my abortion appointments.

When I found out I was too far along in my pregnancy to get an abortion locally, my boyfriend insisted that I begin to look for abortion options outside of Indiana. But I felt as though God was intervening, and He began to change my heart. I told my boyfriend I was thinking about keeping the baby, and he responded by leaving me.

As the pregnancy progressed, I needed to be hospitalized. Everyone was telling me to abort, but God was speaking to me as well. One day, I remembered that the Bible said something about God taking care of the birds, and that He said that we were more important to Him than the birds. At that moment, I decided to give it all to God.

After I was out of the hospital, I visited Life Centers. I was eight months pregnant and just needed some help. Becky (my counselor) and I prayed for a pack-n-play. In less than a day, I not only had a pack-n-play but many other items. Later, I even got a couch! Becky continued to stay connected with me and visited me when my son, Harper, was born.

I still talk to Becky often and we have become good friends. Life Centers holds a special place in my heart because God used it to bless me when I called upon Him.

24,383

Free Services

pregnancy tests, ultrasound exams, peer counseling, 24-hour Help Line calls, Gospel outreach, maternity support services, post-abortion healing groups

8,073

Total Client Visits

6,631 different women visited one of our centers one or more times for a total of 8,073 visits

294

Spiritual Decisions

persons who chose faith in Jesus Christ in our centers

264

Ultrasounds Given

free scans given by trained sonographers to pregnant clients at our centers in order to encourage them to choose life for their child

239

Babies Saved

moms considering abortion who chose life for their babies

Over **200** volunteers donated **28,847** hours of time.

56 new volunteers attended peer counselor training.

Over **2,450** individuals financially supported the ministry.

Celebration of Life

31st Annual Banquet

Eric Metaxas
Keynote Speaker

"Speak up for those who cannot speak for themselves..."
— Proverbs 31:8

Governor, Mike Pence

On May 1st, 2014, over 1,100 of Life Centers supporters gathered together to celebrate our 31-year anniversary. The evening was filled with wonderful testimonies of clients who made life-changing decisions after visiting one of our eight pregnancy centers. The Keynote Speaker, Eric Metaxas, gave an inspiring speech on the need for Christians to take a stand. Tom Shevlot, Executive Director, shared his vision for the future of Life Centers. And Governor Mike Pence signed new legislation to help remove barriers to adoption in Indiana. The 2014 Celebration of Life banquet raised over \$320,000 in support of Life Centers.

walk + run for Life

We had a great time at both the Lebanon (September 20th) and the Eagle Creek (October 4th) 2014 Walk + Run for Life. In addition to the walk/run, there was music, food, a bounce house, a clown to paint faces and make balloon animals and of course lots of fellowship and laughter. Thank you to the hundreds of walkers and runners that joined us. Along with our sponsors, they raised over \$94,000 to help save babies and transform lives.

In 2014, more than 90 churches participated in Life Centers' Bottles for Babies campaigns. These churches distributed empty bottles to attendees and encouraged them to return the bottles filled with cash or checks. The total for 2014, including matching programs at various churches, was over \$152,000!

New Branding and Websites

On December 4th, 2014, we launched our refreshed branding with our two new websites.

The ultimate reason why we have gone through a “branding refresh” and have completely redone both our main website (lifecenters.com) and our client-focused site (pregnancychoicesindy.com) is that we wanted to be more effective in ministry. With this new look and these new sites, we will be better equipped to reach new volunteers, donors and most importantly, new clients.

Our improved websites have new features, such as online appointments, blogs and interactive maps. They are much easier to use, more intuitive and mobile friendly.

Our main website

New Ultrasound Machines

At the 2014 Celebration of Life banquet, Tom shared the need to replace aging, antiquated ultrasound equipment at Life Centers. Praise God, three donors stepped up to fund replacing three new ultrasound machines! These new machines produce much better images that not only allow our sonographers and radiologists to read the ultrasounds more clearly, but now the client can see more details of the life growing inside of her.

To read more about how we got to this point, read the blog story on our new website:

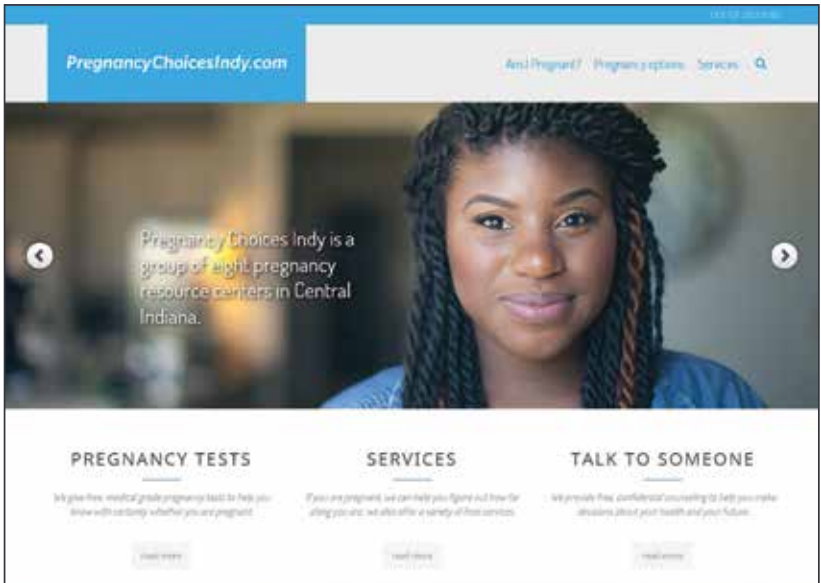

<http://lifecenters.com/the-long-story-of-new-branding-and-websites/>

PregnancyChoicesIndy.com

free pregnancy tests • confidential counseling

Our client focused website

We can now electronically send ultrasound images directly to the young woman's phone or email. Now, every time she looks at the image on her phone, a plea for life is made.

A Letter From Our Executive Director

Wow, what a year 2014 was for Life Centers! I am so thankful to God and to you for making our 32nd year such a wonderful year of ministry. Our eight locations in Central Indiana met the needs of over 6,631 women and their children, and 239 babies were saved from abortion. We were also a part of over 294 spiritual decisions for Christ that were made in our counseling rooms.

Praise God for the funds that were provided to help see these results! In 2014, we received direct funding to replace all three of our antiquated ultrasound machines with new ones, replace both websites (main and client focused), and refresh our branding. We were able to curb \$100,000 in expenses. Also in 2014, Life Centers had several Bottles for Babies Campaigns that raised over \$150,000.

As a result of these efforts and God's generosity through donors like you, we were able to meet our 2014 budgeted revenue goal! Doing so allows us to better serve our clients and broaden our services around our core mission of saving children from abortion and transforming the lives of their parents through the Gospel.

All of this paves the way so that in 2015 and beyond, Life Centers can deliver the compassionate love and care to the thousands of women and men who come in to our centers. Whether our client is there for a pregnancy test, ultrasound or seeking maternity items, Life Centers is ready to serve and share the hope of the Gospel.

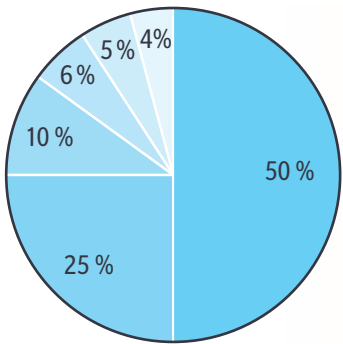

We are thankful to all of our supporters, volunteers and churches that partner with us to help us fulfill our mission to save the life of a child and help transform the life of our clients by sharing the Gospel of Jesus Christ.

In His service,

Tom Shevlot
Executive Director
