A LETTER FROM THE CHAIRMAN

STRATEGIC PLAN

In fiscal year 2015-2016, a major focus for the board and staff of the Catholic Foundation was the completion of a new strategic plan. Since 2008, we have been guided by our prior plan. Our latest plan defines how the Foundation will carry out its objectives in the years ahead.

The new strategic plan provides a vibrant mission and vision statement and an updated logo. Goals

include enhancing processes, upgrading technology, training staff, and recruiting more staff at a later date. The 2016 strategic plan will be a blue print for the work of the Foundation for the next three to five years. Along with the rest of the Board, I am very pleased with the results of this process. Overseeing strategic planning is another way that the Board of the Catholic Foundation fulfills its fiduciary and governing responsibilities.

IN THIS ISSUE

Throughout this annual report, we are featuring a number of individuals - some well-known, and other committed Catholics - who are choosing to make a lasting difference with the help of the Catholic Foundation. Starting on page 2 you can review the list of Catholic and secular organizations and social service agencies that benefitted in 2015-2016 from Catholic Foundation grants. Our financial statements are located on page 20, opposite the members of the Pastors Advisory Council and our dedicated volunteers.

But most of all, I hope this publication gives you a glimpse of the ministry of the Catholic Foundation and recognize that we are all called "to give back to the Lord for the good he has done for us." Psalm 116.

SHARE YOUR COPY

I hope you will enjoy reading this annual report. To help the Catholic Foundation raise awareness (while keeping costs down); please consider sharing your copy with a friend who isn't familiar with the Catholic Foundation. Charles Calder Cattanach, Jr.
(1945 - 2016)
Grant Recipient

Dedicated to preventing abortions, Charles Cattanach started Life Images, a mobile ultrasound ministry, in 2003. In the next dozen years, Mr. Cattanach performed more than 10,000 free ultrasounds for pregnant women who visited 13 crisis pregnancy centers in North Georgia. After seeing the image of their unborn child on Mr. Cattanach's ultrasound machine, many women made the choice to carry the child to term.

In 2010, the Catholic Foundation was pleased to award a grant to Life Images, which allowed Mr. Cattanach to upgrade his ultrasound machine and also to offset some of his operational costs.

Charles Cattanach was a member of Our Lady of the Mountains parish. He was active in the Knights of Columbus, Legion of Mary, and a past President of the Parish Council. He is survived by his wife, Linda Liles Williams Cattanach, children, step-children (including Father Paul Williams), grandchildren and extended family.

Rev. Richard A. Kieran

(1940-2016)

*"God Calls,
We Respond"*

Fr. Richard Kieran was born and raised in Ireland. Recruited by the Archdiocese of Atlanta, Fr. Richard spent his 51 years as a priest here in Georgia - teaching, leading and serving.

As a young priest, Fr. Richard served as an educator. Later, he held the position of pastor at six different parishes across the Archdiocese.

Besides his assigned duties, Fr. Richard used his "free time" to minister to his flock in a variety of ways. For nearly 20 years, he was the spiritual director of the Atlanta Cursillo movement. In order to minister to the growing Hispanic Catholic population, Fr. Richard learned Spanish. He was a member of the Christian Council of Metropolitan Atlanta and he led pilgrimages to the Holy Land so that Catholics might deepen their understanding of Scripture.

Fr. Richard is also credited with helping a young David Talley (the future Bishop Talley) discern for the priesthood.

Father Richard's motto was: "God calls, we respond."

He certainly did.

CATHOLIC FOUNDATION OF NORTH GEORGIA

Brother Priests Create a Lasting Legacy

Father John C. Kieran and Father Richard A. Kieran Endowment Fund

It's no secret that our priests give freely of their time and talent. But did you know that we have priests who also give generously of their treasure?

In 2016, Irish-born priests, Rev. John Kieran and his brother, (the late) Rev. Richard Kieran created the Father John C. Kieran and Father Richard A. Kieran Endowment Fund. The fund will benefit the Catholic Foundation, and in turn, our local Catholic community. Fr. John said his brother wanted their gifts to help the Catholic Foundation of North Georgia "with no strings attached" to support the mission and operations of the Foundation. Fr. John said he knew that it would be invested well by trustworthy, knowledgeable people. In other words: "Give it to God, and let it be."

This wasn't Fr. John's first collaboration with the Catholic Foundation. As pastor of St. Pius X parish in Conyers, Fr. John became one of the first pastors to establish a parish endowment fund with the Catholic Foundation. Once he learned about the Catholic Foundation, Fr. John immediately saw the value of the Foundation's work in supporting the long-term financial needs of parishes. He even contributed some of his own money to start the parish endowment fund.

Fr. Richard Kieran (left) and Fr. John Kieran

A few years later, when the two brothers were looking for a way to benefit the Church in North Georgia, they decided to establish a fund named for their family. "We had great parents, so I want the Kieran name to be remembered in gratitude for their hard work in parenting us." Fr. John said his parents made great sacrifices in the face of many struggles for their children and sent all to college who wanted to go.

A founding donation of \$25,000 was provided by Fr. Richard to create the Father John C. Kieran and Father Richard A. Kieran Endowment Fund. Fr. John's gift to the endowment will be realized after he passes. Proceeds from the sale of his condo will be invested in the fund, per the bequest in Fr. John's will.

Fr. Richard Kieran died in November 2016, but his legacy will live on in the fund that the brothers created. Fr. John's hope for the future of the endowment is that "it continues to grow and realistically helps parishes."

To conveniently make a gift in memory of Fr. Richard, or in honor of Fr. John's 50 years of priestly service, please use the donation envelope included in this publication.

CREATING AN ENDOWMENT FUND

Who can create an endowment fund?

Any individual, couple, or family! So can friends, classmates, golf buddies, PTA parents and choir members.

Why create an endowment fund?

To serve a need or a future need, or to pay tribute to a special individual.

Here's how:

Open a Fund

Donate or raise the \$5,000 needed to open an endowment fund with the Catholic Foundation of North Georgia. Many donors choose to begin with a gift of at least \$25,000, since that amount is needed to make an **immediate charitable impact**.

Pick a Beneficiary Organization

Your family or group gets to decide which organization or ministry will benefit from the fund. Your endowment can support a parish, a Catholic school, the homeless, youth ministry, a campus ministry, or more. Just decide which organization or ministry you want to help **long into the future**.

Choose a Name

The new endowment will need a name. Endowment funds are an excellent way to memorialize a family member or a beloved teacher or priest. Funds are also named to honor respected individuals, alumni classes, even a patron saint.

Grow the Endowment

Your original gift is invested to start growing towards the established purpose of the fund. If your fund has not yet reached \$25,000, you should plan to add \$5,000 per year until it's fully funded. When your endowment fund reaches the \$25,000 mark, it will be able to provide its first distribution to the beneficiary organization of your choosing and begin to make a "lasting difference."

Please contact the Catholic Foundation at 404.497.9440 or jgreco@cfnga.org to see a copy of the endowment agreement and learn how to get started!

THE DEO GRATIAS SOCIETY

Deo Gratias: *Thanks be to God*

The Deo Gratias Society was created to honor Catholics throughout the Archdiocese of Atlanta who have created Catholic legacies for the charitable organization of their choosing or those who have made a gift of \$5,000 or more to a fund at the Catholic Foundation. We are forever grateful for these generous donors.

BENEFITS OF MEMBERSHIP

The Catholic Foundation is very grateful for the support of our Founders and Deo Gratias Society Members. To show our appreciation, we invite these individuals to submit prayer requests to be placed on the altar at Saint Dominic Chapel at the Chancery during daily mass throughout Lent, where they are included with the Prayers of the Faithful. At that time, our members are also remembered in prayer.

Another popular benefit of membership in our giving societies is the annual Deo Gratias Mass and Luncheon: a Eucharistic Celebration with Archbishop Wilton D. Gregory, followed by an elegant luncheon, insider updates from the Foundation Board Chair, and pictures with the Archbishop. This spiritual and social event continues to grow in popularity.

Of course, all of our giving society members are recognized in the Foundation's print publications and on our website.

WANT TO BECOME A MEMBER OF THE DEO GRATIAS SOCIETY?

- Notify us that you want to include your parish, a Catholic school, nonprofit or the Catholic Foundation of North Georgia in your will or estate plans.
- Name a Catholic organization as a beneficiary of your IRA, 401K, 403B or life insurance policy. Please let us know.
- Make a donation of \$5,000 or more to a new or existing endowment fund at the Catholic Foundation.

If you would like to learn more about becoming a member of the Deo Gratias Society, planning your will, or creating an endowment fund, please contact Juliet Greco at 404.497.9440 or jgreco@cfnga.org. We would be happy to assist you.

THE FOUNDERS SOCIETY

The Founders Society is named to honor the formation committee members, donors, and original board members of the Catholic Foundation whose leadership, hard work and financial support made this organization possible. Today, the Founders Society recognizes and honors Catholics who have made a significant donation to support our ministry.

These gifts support the Foundation's future, and in turn, strengthen the future for the Church in north and central Georgia. We are grateful to all of our Founders, past and present.

"Mickie"
Keough**
(1926 - 2016)
Founders Society
Member

Founders Society Member, Marilyn "Mickie" Keough didn't just practice her faith, she lived it. Along with husband Don, she raised six children in a devout Catholic home, was a long-time benefactor of their parish, the Cathedral of Christ the King, and a founding (and sustaining) donor of the Catholic Foundation.

Mrs. Keough was also a dedicated supporter of education and the arts. She gave of both her "time and treasure" to support these causes. This legacy of community involvement has been passed on to her children, including her son Michael, a member of the Catholic Foundation Board and former Board Chair.

Mickie Keough was pre-deceased by her husband Don. She is survived by their children, grandchildren and great-grandchildren.

Frank Bourbeau (1921 - 2016)
Started a Charitable Gift Annuity

Deo Gratias Society Member Frank Bourbeau was a Catholic Foundation "pioneer." Just the second person to start a Charitable Gift Annuity with the Foundation, Mr. Bourbeau was quick to grasp the benefits for himself and for his parish, St. Francis of Assisi, Blairsville.

In 2009, when asked why he created the Charitable Gift Annuity for his parish endowment, Mr. Bourbeau said he wanted to honor his mother who had attended Mass every day while raising seven children.

A life-long volunteer, Frank Bourbeau gave of his time to help Meals on Wheels, the Boy Scouts, and at a hospital for disabled children. Mr. Bourbeau was also a third degree Knight of Columbus.

Fred Johansen (1931 – 2017)
Created a Family Fund

In 2015, Fred Johansen and his wife Barbara created a family fund at the Catholic Foundation to honor their parents and other family members. Named the Gunning Johansen Endowment Fund, once completely funded, the proceeds from this fund will directly support the work of the Catholic Foundation.

Mr. Johansen was a graduate of Marist School and Georgia Tech, a retired Delta Airlines pilot, a Cathedral of Christ the King parishioner, St. Helena Catholic Church summer parishioner, and a member of the Catholic Foundation's Deo Gratias Society. He is survived by his wife of nearly 60 years, Barbara, their five children, 12 grandchildren and many, many friends.

The creation of a THOUSAND FORESTS is in one acorn.

Following in a Saint's Footsteps

Father Stanley Rother Endowment Fund for Catholic Charities Atlanta

Diane Hardin grew up in a German-Catholic community in Oklahoma which taught her values, morals and a strong work ethic. Her father was a farmer and philanthropist in the community. His best friend and cousin was Stanley Rother – future priest and martyr.

Father Stanley Rother

Stan felt called at an early age to join the priesthood. In 1968, a few years after his ordination, Fr. Stan volunteered to serve in a poor mission at Santiago Atitlan in the highlands of Guatemala during their long and bloody civil war. He learned their language, translated the New Testament for them, and assisted with education and farming. Diane remembers Fr. Stan coming back to Oklahoma during her childhood to gather used farm equipment to help his people plow their fields in days instead of months. Fr. Stan also founded a hospital, a school and a radio station near the mission.

After being warned that he was named on a death list, Fr. Stan went home to Oklahoma in January 1981. However, not wanting to be separated from his flock for Easter, Fr. Stan returned to Guatemala for Holy Week. In July 1981, masked men entered the rectory and shot Fr. Stan. He was declared a martyr by Pope Francis in December 2016 – the first recognized martyr born in the United States.

In 2000, Diane moved to Atlanta to join her husband Hamilton, a Methodist. After they adopted two children, they realized that God too was an integral part of their family. When they began discussing their estate plan and their children's future, the Hardins knew they wanted to support both their children as well as make an eternal gift in thanksgiving to God. She said, **"We realized how critical it is for parents to establish family traditions toward sharing God's blessings."** They chose to divide their estate into three parts – one part for each child, and one part split between each of their faith traditions. "As we all know, we can't take it with us. We decided the next best alternative was to leave a portion of what God has given us in an endowment that will continue to help here on earth in perpetuity."

Diane and Hamilton reflected on Jesus' life, and knew that Jesus was especially present to those who were struggling. To support the work of Catholic Charities, the Hardins started an endowment at the Catholic Foundation of North Georgia, which they intend to grow through future gifts and a bequest in their will. They chose Catholic Charities as the endowment's beneficiary because of the work it does with Hispanics, immigrants and refugees. "It reflected Father Stan's legacy the best."

The Hardin family will be attending Fr. Stanley Rother's beatification on September 23, 2017 in Oklahoma City. "It's very emotional and overwhelming being related to someone on the path to sainthood," said Diane.

Walking behind Fr. Stan as a child – literally in his footsteps – has become a metaphor for Diane's life. "My parents taught me to give back to God what He gave to me," Diane said. "If all of us would pick just one passion for Christ, and give our time, talent and treasure to that passion, this world would be such a better place." She feels all of us should find a saint within our faith and follow in their footsteps with our hearts and actions. Diane feels blessed to have as her role model, her cousin, Fr. Stanley Rother.

Making a Lasting Difference

Create an Enduring Legacy through your Giving

As faithful Catholics it is our duty to not only look after those in need in the present, but **also those who will be in need in the future.** Catholics who make "legacy gifts" – gifts that support long-term or future needs – through the Catholic Foundation help ensure a thriving Church for generations to come.

Each legacy gift is unique in its allocations and charitable intentions, based on the wishes of the donor. The Foundation staff and website (www.cfnga.org) can help Catholics determine where their help is needed most and what steps need to be taken to make that happen.

If you would like more information on creating an enduring legacy for the Church, please contact Juliet Greco at the Catholic Foundation at jgreco@cfnga.org or 404.497.9440.
