WHAT'S NEW FOR FALL SEMESTER 2015

FERPA Annual Notification

LSU is committed to adhering to FERPA and ensuring the confidentiality of student education records. Any disclosure of education records will be made only in compliance with FERPA. Additional information, including LSU's Annual FERPA Notification, can be found in this booklet on page 30.

Grade Exclusion Policy

Effective with the 2013 fall semester, the university implemented the Grade Exclusion Policy. Under this policy, students may improve the undergraduate LSU and cumulative GPAs by repeating a maximum of three courses (up to 12 hours) in which a grade of "D" or "F" was received and requesting that the repeat grade be the only one that is used in the calculation. For the full list of rules and restrictions regarding this policy, please visit <https://sites01.lsu.edu/wp/registrarioffice/academics/grade-exclusion/>.

PLUS (+) / MINUS (-) GRADING

Beginning with the 2015 fall semester, the university will implement plus/minus grading. Plus/Minus Grading will be required for all undergraduate, graduate, and professional courses using the A through F letter grading system. The letter grades A, B, C, and D will have the suffix plus (+) or minus (-) included to distinguish higher and lower performances within each of these letter grades. The letter grade F does not include the plus/minus distinction. For more information regarding the new grading system please visit the University Registrar's website at <https://sites01.lsu.edu/wp/registrarioffice/academics/plusminus-grades-guidelines/>.

VIEWING FEE BILLS ON LINE AND PAYING FEES VIA AN ON-LINE CHECK/BANKDRAFT AND CREDIT CARD

Up-to-the minute fee bill information is available through myLSU. Students will find the fee bill link under **Registration Services** on their myLSU Desktop. This application also provides students with the ability to pay their fees using an on-line check/bank draft or a credit card. In addition, the University now accepts payment via American Express.

STUDENTS MUST COMPLETE REGISTRATION

All students must complete registration, even when their balances due are zero because their fees are paid by scholarships, sponsors, fellowships, student aid, payroll deduction, employee exemption, etc. You have four options to complete registration.

Use myLSU to pay the amount due using an on-line check/bankdraft.

Use myLSU to pay the amount due using a credit card.

Use myLSU to indicate you are registering if you have a zero balance.

Submit your remittance form to the Office of Bursar Operations by mail or in person.

SPECIAL INSTRUCTIONS FOR FINAL EXAMINATIONS AND REPORTING OF GRADES

All regular classes will be discontinued after 10:00 p.m., Saturday, December 5. University regulations require that final examinations be held. Where final examinations are inappropriate because of the nature of the course, exceptions to this requirement may be made upon approval of the appropriate department head, dean, or director, and the Office of Academic Affairs. Final examinations *must be given during the published dates for the final examination period.* **NO MEMBER OF THE FACULTY IS AUTHORIZED TO WAIVE FINAL EXAMINATIONS EXCEPT WITH APPROVAL AS PRESCRIBED.** Classes not included in this schedule are considered irregular and the dates of their examination shall be fixed by the instructor concerned, subject to the provision that they be held no earlier than 7:30 a.m., Monday, December 7 and that they not conflict with this schedule. Except for night classes, classes which meet for two or more hours on the same day shall be examined at the time assigned for the first hour at which they meet. A laboratory class is to be examined on laboratory material at its last regularly scheduled period. Final examinations for Saturday classes will be given at their regularly scheduled class times on the Saturday of exam week. Classroom availability for Saturday exams must be cleared through the Office of the University Registrar. Final examinations in courses offered at night are to be given at the times shown for evening classes, regardless of any group exam times listed. However, if an evening class time is not listed on this exam schedule, instructors should clear classroom availability through the Office of the University Registrar.

Students having three or more final examinations in a **24 hour period** may request permission to take no more than two examinations on the day concerned. Requests for special arrangements will be considered only when the three or more examinations cover **more** than seven (7) hours of credit work. These requests should be made to the dean or director at the college or school in which the student is registered. The dean or director is authorized to determine which of the examinations is to be taken at a time other than originally scheduled; that decision is final. A student scheduled for examination in two subjects at the same group examination period shall report for examination in the class listed first in the above schedule; the instructor of the other class shall arrange a special examination for the student. In case of a conflict between a group examination and an examination in a class for which a group examination is not scheduled, the instructor of the class having the group examination shall arrange a special examination. So that instructors concerned may have adequate notice for rescheduling examinations, **students with schedule problems must have all arrangements completed by 4:30 on Friday, November 6.** Instructors will make no changes in the examination schedule without the permission of the department head and the dean of the college.

DEGREE CANDIDATES

Grades for degree candidates must be filed in the Office of the University Registrar no later than 9:00 a.m., Tuesday, December 15. **GRADES FOR ALL NON-GRADUATING STUDENTS ARE TO BE FILED AS SOON AS AVAILABLE, BUT NOT LATER THAN 9:00 A.M., WEDNESDAY, DECEMBER 16.** It is the responsibility of the department head to see that instructors meet the deadline for submitting all grades.

The five-day period during the fall and spring semesters (Wednesday - Sunday) immediately preceding the week of final examinations will be set aside as a concentrated study period. During this time, no extracurricular student activities, such as social and athletic events, will be held on or off campus. Graded required course work (including exams, quizzes, and homework) may count for a total of at most 5% of the student's grade. Class projects (excluding exams and quizzes) are exempt from the 5% limit. The assumption is that work on such a project will take place throughout the semester. Exams and quizzes shall be defined as a question or set of questions to be given within a designated period of time. Laboratory courses are also exempt from this policy. Any other exceptions must receive prior approval from the Office of Academic Affairs. Students should report any violations of this policy to the Office of Academic Affairs.

REVIEW SESSIONS MAY NOT BE HELD DURING THE PERIOD OF FINAL EXAMINATION BECAUSE OF THE CONFLICTS WITH SCHEDULED EXAMINATIONS.

WORKSHOPS, SEMINARS, AND CONFERENCES CANNOT BE SCHEDULED IN CLASSROOMS CONTROLLED BY THE OFFICE OF THE UNIVERSITY REGISTRAR DURING THE FINAL EXAMINATION PERIOD. THE AUDITORIUMS AND LARGE CLASSROOMS ARE ALL ASSIGNED FOR EXAMINATIONS AND ARE NOT AVAILABLE FOR OTHER OUTSIDE ACTIVITIES.

CONTACT THE FACILITY SERVICE CUSTOMER SERVICE DESK - 578-3186 - IF BUILDING/ROOMS ARE NOT OPEN WHEN REQUIRED.

You will be able to select or change additional service selections via myLSU until your bill is generated on-line. **After your bill is published on-line, you must contact the individual office(s) providing the service(s) you have selected to change or delete charges on your account.**

LSU Dining is committed to offering students convenient services at an affordable price. Each dining facility offers a variety of quality selections.

First and second year* LSU students living on campus are required to have a resident meal plan for fall and spring semesters. Paw Points can be used at all dining locations. If no selection is made, students will be assigned to the **12 Tiger Meal Plan**. Changes/cancellations in the selection of the Meal Plan are permitted through the 14th class day.

For a complete listing of LSU Dining Meal Plans, contract terms and conditions, and days of service, visit our website at www.lsudining.com. Additionally, you may contact the Tiger Card Office, 109 LSU Student Union (225/578-4300), for more information.

◀ PARKING ▶

If you park a vehicle on campus, you must display a valid parking permit (vehicle hang tag or motorcycle sticker). When you request and/or receive a parking permit, you agree to abide by the LSU Parking and Traffic Regulations. **Those completing registration prior to the payment deadline will have their permits mailed to their billing address. It is the responsibility of faculty, staff and students to maintain a current mailing address with the Office of Parking, Traffic & Transportation at all times.** Lost or misdirected mail is not the responsibility of the Office of Parking Traffic & Transportation.

If you have not already selected a parking plan for the permit year, the first time you access myLSU, you will be asked if you will park a vehicle on campus. If you indicate that you will, you will automatically be assessed for a one-year automobile parking plan. If you want to change this selection, you will need to access the additional services fee selection menu on myLSU. Students who do not complete registration (i.e. schedule courses and pay fees) prior to the payment deadline must obtain their permits at the Office of Parking Traffic and Transportation.

If you have a vehicle that cannot be secured, you may exchange your hangtag at no charge for a special windshield decal at the Office of Parking, Traffic & Transportation. Visit the office in the Public Safety Building or call (225) 578-5000 for additional information concerning parking on campus.

For a complete listing of Parking Zones and fees associated with parking on campus, please visit the Office of Parking, Traffic and & Transportation's website at www.lsu.edu/parking. Select "Parking and Permits" and click to learn more about the process of purchasing a permit.

◀ STUDENT HEALTH INSURANCE ▶

All full-time and part-time students who pay the Student Health Center fee are eligible to use the services of the Student Health Center. However, a reasonable level of supplemental health insurance (particularly coverage for hospital care) is strongly recommended for all students.

Graduate students engaged in writing theses or dissertations are expected to register for research hours commensurate with the amount of University resources to be utilized that semester. There is a continuous registration requirement for doctoral students who have passed the general examination.

Regardless of where they are conducting their research/writing, these students must adhere to the regular deadlines published in this booklet for scheduling research courses and paying fees, or they will be assessed the **\$75** late registration service charge.

Linked Sections

Departments can link two sections of different courses. If you add a linked section to your schedule, the second section is automatically added to your schedule. If you drop a linked section, both sections are automatically dropped from your schedule. Departments identify linked sections with section remarks.

Majors Only Courses

You may not use myLSU to schedule courses listed with the "Special Enrollment" note of "MAJORS ONLY" unless you are enrolled in an appropriate curriculum. Permission of the department is required for exceptions.

Prerequisites/Corequisites

Students are expected to consult the *LSU General Catalog* to ensure that they meet all prerequisites or corequisites before they schedule courses. **myLSU interactively checks the prerequisites for a number of courses. Please be aware that you are responsible for meeting prerequisites whether or not they are interactively checked.** If you schedule a course and do not meet all prerequisites or corequisites, your enrollment in that course may be canceled.

Required Academic Performance

Your registration for the fall semester depends on your successful academic performance during the current semester; your schedule is subject to cancellation if you do not meet the required standards.

Service-Learning Courses

Many departments include hands-on service-learning components in some course sections. In these classes, students accomplish course learning goals while meeting community needs. Sections with **required** service learning placements are listed in this booklet with a "Special Enrollment" note of "SVC LEARNING." the Service-Learning website at www.ccell.lsu.edu. After accessing the website, select “courses.” You may register for these courses using myLSU.

For more information about service-learning classes, contact CCELL at 578-9264 or ccell@lsu.edu.

If you are not eligible to continue at the university, your registration will be canceled, and you will receive a 100% refund, minus the \$10 registration fee.

Waitlisting

On-line waitlists are a way for students to get open seats in full sections without having to spend all day, and night, trying to add. When students drop out of a full section, or its department opens seats, students are automatically moved off the section’s waitlist to fill the class. ***Being on a waitlist does not guarantee that you will get the class, but once a waitlist is turned on it is about the only way you can grab an open seat. It is critical that you regularly monitor your position on a waitlist to determine if you need to add an alternative course.***

Please read the following for detailed information regarding waitlisting.

- You may join only one waitlist per course and a maximum of three waitlists at one time.
- You may indicate that you want the system to automatically drop a class that would cause a time conflict if we attempt to add a waitlisted course to your schedule.
- **You will automatically receive an e-mail when we move you off a waitlist and into a class.**
- We do not use waitlisted courses in determining if you have reached your credit hour max.
- You may check your placement on a waitlist using the Schedule Request Link on your myLSU desktop.
- You cannot join waitlists that create time conflicts with other waitlisted sections.
- You may join a waitlist if you have not scheduled any classes.

Paying Fees By Credit Card

You may pay your fees via myLSU by using a Master Card, Visa, or American Express credit card. You will find the fee bill link under "Registration Services" on your myLSU Desktop. Please note that you will be charged a 2.5% processing fee if you pay by credit card.

Zero Balance Fee Bills

If your on-line fee bill reflects a zero balance due, you are still required to complete registration as follows.

- Indicate, via myLSU, by the payment deadline that you are completing registration. You will find the fee bill link under "Registration Services" on your myLSU Desktop.

◀SPECIAL PAYMENT OPTIONS ▶

Deferred Payment Plan

The University offers a deferred payment plan as a payment option. Eligible students are allowed to defer up to one-half (1/2) of their current semester charges. Payment of one-half (1/2) of current semester charges plus any account balance must be received by the due date.

Eligibility

All students are eligible for their initial deferred payment plan. Any future deferred payments are granted based on the individual credit history established with the University. Students who default on a deferred payment plan are ineligible to receive a deferment for one calendar year.

Terms

- A \$15 service charge will be assessed on all deferments.
- If payments are not received by the Office of Bursar Operations on or before the tenth (10th) calendar day following the scheduled due date, a five percent (5%) late fee will be assessed.
- If the amount due plus the 5% late fee is not received within fourteen calendar days after notification of delinquency, the University will withhold grades for the current semester, withhold transcripts and prevent completion of registration for a future semester until the amount due plus a **\$75** financial reinstatement fee is paid.
- In the event of withdrawal from the University before complete payment has been made, any credit or refunds due the student as provided for in accordance with current University regulations will be applied to the student's account. The balance must be paid.
- All **LOANS and GRANTS** made through or in conjunction with the University will be applied to the student's account.

- If necessary for LSU to commence legal action against the student to enforce the terms of this agreement, and the student's account is turned over by the University to an attorney-at-law for collection, by suit or otherwise, the student will be obligated to pay all court costs and legal interest from the date the debts are due (pursuant to LSA-CC article 2000) and \$100 or a sum equal to thirty-three and one third percent (33 1/3%) additional of the total amount due and owing as attorney fees, whichever is higher.

Deferred Due Dates

Fall Semester due dates are as follows:

| DATE DUE | AMOUNT DUE |
|------------|-----------------------|
| October 1 | 1/3 of total deferred |
| November 1 | 1/3 of total deferred |
| December 1 | 1/3 of total deferred |

Selecting this Payment Option via myLSU

To defer one-half of your current semester charges, follow the instructions on the myLSU Registration Worksheet and select the Deferred Payment Plan payment option. You must make this selection each semester.

LSU Employee Payroll Deduction

Full-time, regular employees may elect to pay their fees through payroll deduction. To pay fees through payroll deduction students must follow the procedure listed below.

- Using myLSU, select payroll deduction as a payment option.
This must be done each semester.
- Have a current, pending or approved payroll appointment.

NOTE: Student employees (paid on student wage) are not eligible for payroll deduction.

Graduate Assistants and employees who make this selection must indicate via myLSU, by the due date, that they are completing registration, even if the balance is zero.

Once fee bills are available, students may not delete payroll deductions via myLSU. Third party payroll deductions cannot be selected via myLSU. The payroll deduction option may be selected until students complete registration.

LSU Employee Tuition Exemption

Full-time, (100% effort) non-faculty employees with at least one year of service may apply through their departments to receive the employee tuition exemption (see LSU Policy Statement 12 for qualification/application information). Certain fees may not be covered by this tuition waiver (e.g., excellence fees, utility fees and technology fees). If employees have approved LSU Employee Exemption forms on file in the Office of Human Resource Management (HRM) by the initial registration deadline, the exemption will be reflected on their fee bill.

If approved forms are not on file at that time, employees will be responsible for payment of all fees that appear on the fee bill. The University must receive your payment by the payment deadline to complete registration. If you fail to complete registration by that date, your courses will be purged, and you will be required to pay the **\$75** late registration charge. Call HRM at 225/578-8200 if you are late in requesting the exemption or have any questions.

Over 65 Fee Exemption

If you are age 65 or older, before the first day of classes, you are eligible for a fee exemption. This exemption covers only instructional costs. To qualify for the exemption, continuing and admitted students who have not previously validated that they are age 65 or older must complete the following steps:

- By the initial registration deadline, provide the Office the University Registrar with proof of age (e.g., driver's license, birth certificate, etc.).

- Complete registration by the payment deadline.
- Report to class the first class day.

Sponsors

Sponsors are trusts, government agencies, or other organizations who are willing to pay all or a portion of a student's educational expenses. When prior written notice of a sponsor's intent to support a student has been received, the University will bill the sponsor for approved charges rather than require payment from the student.

Transfer of your charges to a sponsor's account will be permitted only when specifically authorized in writing by the sponsor. Charges rejected or unpaid by the sponsors for any reason are the responsibility of the student along with possible late payment charges. Questions regarding sponsor billing should be directed to the Office of Bursar Operations.

Privacy and Release of Student Education Records

The Family Educational Rights and Privacy Act of 1974 (sometimes referred to herein as “the Act”), as amended, sets forth requirements designed to protect the privacy of student education records. The Act gives parents certain rights with respect to their children’s education records. These rights generally transfer to the student when he or she reaches the age of 18 or attends post-secondary (beyond 12th grade) school. The law governs access to records maintained by educational institutions and the release or disclosure of certain information from those records. This notice is published in each “Registration Schedule of Classes” to explain the rights of students with respect to records maintained by Louisiana State University and A&M College (“LSU” or “University”). It also outlines LSU’s procedures to comply with the requirements of the Act. Copies of the Act, the Federal Regulations adopted pursuant to it, and this notice are available for viewing on LSU’s website (www.lsu.edu/registrar), and in the Office of the University Registrar, Room 112, Thomas Boyd Hall, Baton Rouge, LA 70803.

Definitions

I Education Records

- A. The meaning of "education records" is, with certain exemptions as listed below, those records, files, documents, and other materials which contain information directly related to a student, and are maintained by any employee or agent of the University. The following categories of information are exempted and are **not** considered to be "education records":
1. Records made by University personnel which are in the sole possession of the maker and are not accessible or revealed to any other person except a temporary substitute of the maker.
 2. Records maintained by the LSU Police Department for law enforcement purposes.
 3. Medical and counseling records used solely for treatment. (Medical records may be personally reviewed by a physician of the student's choice.)
 4. Records of student workers related exclusively to the student’s employment with the University.
 5. Records only related to a former student (alumni records) that are not directly related to the student’s attendance as a student. Records of that individual while a student continue to be considered education records.
- B. All records pertaining to students which are maintained by University offices are official University records, and as such, remain the property of the University.
- C. Each University unit has an obligation to keep a record of requests for access to, and disclosures of, personally identifiable information in student records information except when the request is from the student, a University official with a legitimate educational interest, someone requesting directory information, or related to a request with written consent from the student. Students have the right to review this record of requests and disclosures of student record information.

II Personally Identifiable Information

Data or information which includes, but is not limited to the following:

- A. The student’s name.

- B. The name of the student's parent or other family members.
- C. The address of the student or the student's family.
- D. A personal identifier such as the student's Social Security Number, LSUID, or biometric record.
- E. Other indirect identifiers, such as the student's date of birth, place of birth, mother's maiden name.
- F. Other information that alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty.
- G. Information requested by a person whom the University reasonably believes knows the identity of the student to whom the education record relates.

III Student

Any individual who is or has been in attendance at LSU and regarding whom LSU maintains education records.

Policy Detail

I Right to Inspect and Review

Students are granted the right to inspect and review all of their education records, except the following:

- A. Financial records of parents.
- B. Confidential letters and statements of recommendation placed in education records prior to January 1, 1975.
- C. Confidential letters and statements of recommendations for admission, employment, or honorary recognition placed in education records after January 1, 1975, for which students have waived their right of access.

II Waiver of Rights of Access

Students may waive their right of access to confidential letters and statements of recommendation. Even if the student signs a waiver, upon request, the names of all persons making confidential recommendations will be made available. Employees or agents of the University may not require a student to waive his or her right of access for receipt of University benefits or services.

III Procedures for Inspection and Review

- A. Students have the right to inspect and review education records within 45 days after receipt of the request for access. Requests to review records must be made separately, in writing, to each office maintaining records. That office will make arrangements to comply with the request as expeditiously as possible not later than 45 days after receipt of the request. If the records are not maintained by the office to which the request was submitted, that office shall so advise the student, and the student shall address his or her request to the appropriate office.
- B. Information contained in education records will be fully explained and interpreted for students by

University personnel assigned to, and designated by, the appropriate office.

- C. Students have the right to review only their own records. When a record contains information about more than one student, disclosure cannot include information regarding the other student(s).
- D. The University reserves the right to deny copies of records, including transcripts, not required to be made available by the Act if the student has an unpaid financial obligation to the University.

IV Right to Challenge Information in Records

- A. Students have a right to challenge the content of their education records if they consider the information contained therein to be inaccurate, misleading, or in violation of the students' privacy rights.
- B. This process includes an opportunity for amendment of the records or insertion of written explanations by the student into such records.
- C. Students challenging information in their records must submit, in writing, a request for amendment of the records to the appropriate office maintaining the record, listing the specific information in question and the reasons for the challenge.
- D. Within 45 days of receipt of the written request, the University shall inform the student as to whether the record will be amended. If the decision is negative, the University shall so notify the student and inform him or her of her right to a hearing regarding the request for amendment.
- E. The right to challenge grades does not apply under the Act unless the grade assigned was inaccurately recorded, under which condition the record will be corrected.

V Procedures for Hearing to Challenge Records

- A. Students challenging information in their records must submit, in writing, a request for a hearing to the appropriate office maintaining the record, listing the specific information in question and the reasons for the challenge.
- B. Within 45 days of receipt of the written request for hearing, the University will inform the student of the date, place, and time of the hearing and the identity of the official in charge of the hearing. The notice will be mailed to the student at least two weeks in advance of the hearing.
- C. Hearings will be conducted by a University official who does not have a direct interest in the outcome of the hearing.
- D. Students shall be afforded a full and fair opportunity to present evidence relevant to the reasons for the challenge, as referenced in item IV. The student may be assisted by individuals or an attorney at his or her expense.
- E. The hearing officer will render a decision, in writing, noting the reason and summarizing all evidence presented within 30 days of the hearing. The decision will be based solely on the evidence presented and will include a summary of the evidence and the reason(s) for the decision.
- F. Should the hearing be in favor of the student, the record shall be amended accordingly and the University shall notify the student of the amendment in writing. Should the request be denied, the student may choose to place a statement with the record commenting on the accuracy of the information in the record and/or setting forth any basis for inaccuracy. When disclosed to an authorized party, the record will always include the student's statement and the hearing officer's decision, as long as the student's record is maintained by the University.

- G. If students have questions regarding the procedure for challenging records, they should contact the Office of the University Registrar at registrar@lsu.edu or 225-578-1690.

VI Consent for Release Required

Written, dated, and signed consent must generally be obtained from students for the release of information from education records, specifying what is to be released, the reasons for release, and name of the party or class of parties to whom the record are to be released, with a copy of the record sent to the student if he or she desires.

VII Release Without Consent

- A. The requirement for consent does not apply to the following:
1. Requests from school officials who have a legitimate education interest on a "need to know" basis. School officials are members of the faculty and staff of LSU, including student employees or agents of the University, as necessary or appropriate, to conduct official business, as authorized by the University. Legitimate educational interest includes performing a task related to the regular duties of the employee or agent, the student's education, the discipline of a student, a service or benefit for the student, or maintaining safety and security of the campus.
 2. Requests from a person employed by or under contract with the University to perform a special task.
 3. To public officials as specified in the Act.
 4. To agencies or institutions that have requested records in which a student seeks or intends to enroll or is already enrolled so long as the disclosure is for purposes related to the student's enrollment or transfer.
 5. To organizations for use in studies designed to develop, validate, or administer predictive tests, administering student aid programs, and improving instruction. Such agencies must agree not to divulge personally identifiable records to third parties and must agree to ultimately destroy these records.
 6. Requests in compliance with a judicial order or lawfully issued subpoena, provided the University makes a reasonable attempt to notify the student in advance of compliance (except in certain cases involving grand jury subpoenas and subpoenas issued for law enforcement purposes and the court has ordered that the existence of the subpoena not be disclosed); or, when the University is involved in a legal action with a parent or student, where disclosure to the court, without a court order or subpoena, of records that are relevant for the University to proceed as plaintiff or to defend itself is permissible.
 7. To comply with a court order obtained under the USA PATRIOT Act of 2001 for education records considered relevant to a terrorism investigation or prosecution, without advance notice to the student.
 8. Requests in connection with a student's application for or receipt of financial aid.
 9. Requests by state authorities and agencies specifically exempted from the prior consent requirements by the Act for disclosure of records to organizations conducting studies on behalf of the University, if such studies do not permit the personal identification of students to any persons other than to representatives of such organizations and if the personal identification data is destroyed when no longer needed.
 10. Information submitted to accrediting organizations.

11. Requests by parents of a dependent student, as defined in Section 152 of the Internal Revenue Code of 1986.
12. To parents or legal guardians of a student regarding the student's violation of any Federal, State or local law, or of any rule or policy of the University governing the use or possession of alcohol or a controlled substance.
13. To any person, including a parent, whose knowledge of the situation is necessary to protect the health or safety of the student or any other individuals when, considering the totality of the circumstances, the University has determined that there is an articulable and significant threat to the health or safety of a student or any individual.
14. To authorized federal officials who have need to audit and evaluate federally-supported programs.
15. To the U.S. Citizenship and Immigration Services (USCIS) / Department of Homeland Security (DHS) concerning an F, J, or M nonimmigrant alien, only to the extent necessary for the University to comply with Student and Exchange Visitor Program (SEVP) reporting requirements, as mandated by the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, the USA PATRIOT Act, the Enhanced Border Security and Visa Entry Reform Act of 2002, and the regulation at 8 CFR 214.1(h). Consent is not necessary for the University to disclose required information to USCIS or DHS in compliance with SEVP reporting obligations.
16. As of January 3, 2012, the U.S. Department of Education's FERPA regulations expand the circumstances under which education records and personally identifiable information (PII) contained in such records — including the Social Security Number, grades, or other private information — may be accessed without the student's consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities ("Federal and State Authorities") may allow access to the records and PII without the student's consent to any third party designated by a Federal or State Authority to evaluate a federal- or state-supported education program. The evaluation may relate to any program that is "principally engaged in the provision of education," such as early childhood education and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State Authorities may allow access to education records and PII without the student's consent to researchers performing certain types of studies, in certain cases even when the University objects to or does not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive the PII, but the Authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without the student's consent PII from education records, and they may track a student's participation in education and other programs by linking such PII to other personal information about the student that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.
17. The results of any disciplinary proceeding conducted by the University against an alleged perpetrator of a crime of violence to the alleged victim of that crime.
18. To the victim of an alleged perpetrator of a crime of violence or non-forcible sex offense.
19. To disclose information provided to the University under Section 170101 of the Violent Crime Control and Law Enforcement Act of 1994 (42 U.S.C. 14071) concerning registered sex offenders who are required to register under that section.

20. Requests for "directory information" (see item VIII).

- B. The University reserves the right to verify the accuracy of any information contained in what purports to be an official University document (e.g., a transcript or diploma) or is provided to a third party. In addition, degrees (any honors, majors, minors and specializations) are considered public information since they are conferred in a public ceremony.

VIII Directory Information

- A. LSU, in accordance with the Act, has designated the following information about students as public (directory) information:
 - 1. Name
 - 2. Address (local, home, and e-mail)
 - 3. Telephone (local and home)
 - 4. Major field of study/classification
 - 5. Dates of attendance
 - 6. Degrees, awards, and honors received
 - 7. Most recent educational agency or institution attended
 - 8. Participation in officially recognized activities and sports
 - 9. Weight and height of members of intercollegiate athletic teams
- B. Students have the right to have this directory information withheld from the public if they so desire. Each student who wants all directory information to be withheld needs to complete a form available in the Office of the University Registrar. The hold will remain in effect until the student requests that it be lifted. Only currently enrolled students may place a hold on the release of directory information.
- C. The University receives many inquiries for "directory information" from a variety of sources, including friends, parents, relatives, prospective employers, other institutions of higher education, honor societies, licensing agencies, government agencies, and the news media. Each student is advised to carefully consider the consequences of a decision to withhold "directory information." The University, in good faith, will not release directory information requested to be withheld, and any requests from persons or organizations outside the University will be refused unless the student provides written consent for the release.
- D. Given the ability of students to stay connected with family and friends via the Internet, etc., the University **strongly recommends** that personnel with access to directory information not release any addresses, phone numbers, or e-mail addresses to third parties. Requestors are to be directed to the Office of the University Registrar.
- E. The University publishes student address information on the MyLSU Directory, but not on the public directory. If students want to withhold their address information from the MyLSU Directory, they may do so using the MyLSU Directory Information application.

IX Complaints, Concerns, or Suggestions

Final responsibility for the interpretation of the provisions of this policy rests with the University

Registrar. Any student who has reason to believe that the University is not complying with the Act or this policy should inform the University Registrar in writing. The University Registrar shall promptly review all such allegations. Students also have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the Act.
