

2015 The Jewish Federation
Report to the Community

**The Jewish
FEDERATION**
OF GREATER LOS ANGELES
JewishLA.org

A young boy with curly hair is in the foreground, looking towards the camera. In the background, a girl is smiling. The background is blurred, showing what appears to be a wall with some red and white items.

The Jewish Federation is a vibrant, forward-thinking, mission, impact and results-driven organization — and Jewish to our core. We identify, assess and address both the most pressing challenges and greatest opportunities in order to support and sustain Jewish community today and ensure a rich Jewish community accessible to everyone for generations. The result?

We touch every Jewish life in Los Angeles, Israel and the world — *starting with yours.*

Dear Friends,

On behalf of The Jewish Federation of Greater Los Angeles, our lay leaders and professional staff, we thank you for your generous support in 2015.

Thanks to you, we are able to address our community's most pressing problems and take advantage of our greatest opportunities. Working with partners who share our values, we create lasting change throughout Los Angeles, in Israel and around the world. The impact on individuals and scope of what we accomplish is nothing short of amazing. This report provides a snapshot of how we support and sustain Jewish community today and create a brighter future for generations to come.

We are grateful for your ongoing partnership as, together, we strive to make Jewish life the best it can be — today and always.

With deep appreciation,

CARING FOR JEWS IN NEED

Around the world, we support Jews in crisis and Jewish renewal. We provide assistance to Jews in need, extending a helping hand here and abroad, and fortify our community by offering opportunities for inclusion.

CARING FOR JEWS IN NEED **HIGHLIGHTS**

- Through The Ezra Network, we provided social services assistance from job counseling to legal services and more to **1,545 individuals at 19 synagogues** throughout L.A., offering convenience, comfort, and confidentiality.
- We also launched the Los Angeles Jewish Abilities Center (LAJAC) — a community resource for Jewish adults with special needs and caregivers that features a comprehensive website, case management, and more. In 2015, we helped **3,544 people** find the resources they needed to become self-advocates and understand their rights and responsibilities. This initiative was funded by a grant from the Jewish Community Foundation.
- We also had one new local program partnership: Friendship Circle of Los Angeles/Friends@Home — **90 teen volunteers** were matched with **68 children with special needs** to participate in weekly activities together to reduce social isolation and engender self-worth and growth.

CARING FOR JEWS IN NEED
HIGHLIGHTS—ISRAEL

In partnership with the Israel Trauma Coalition, we established **3 regional resiliency centers**. Their purpose is to create an infrastructure for emergency preparedness, establish emergency operation protocols and provide trauma response and psychological training for professionals to meet the needs in their communities.

We started 3 new partnerships in Israel:

- Unistream, a program that empowers underprivileged youth. Together we provided **70 teens** with business development tools to become entrepreneurs.
- Caring for Survivors in Israel (JDC) — Providing social and therapeutic **services for 550 homebound survivors in 15 locations** throughout Israel.
- Accelerating Inclusion in Israel A3I/ Presentense Israel — **17 entrepreneurs started 12 ventures** to impact **more than 1,000 people with disabilities**.

ENGAGING WITH OUR COMMUNITY

We educate and advocate for Israel throughout Los Angeles and work with our neighbors to make our city better for us all.

ENGAGING WITH OUR COMMUNITY **HIGHLIGHTS**

The Holy Land Democracy Project continued to expand into more schools. During the 2014-2015 school year, we sent **60 teachers** from local parochial, charter and public schools on a trip to Israel and empowered them to teach curriculum about modern Israel that reached **4,250 students**.

Our Campus Impact Network, funded by a Jewish Community Foundation cutting edge grant, trained over **80 student leaders**, providing them with the expertise to be changemakers on their campuses during the 2014-2015 academic year.

We led a delegation of **15 government and civic leaders** who work with traumatized populations in Los Angeles to Israel, so they could experience the country's community-based approach to building resiliency. We also led a delegation of **8 legislators** to Israel to explore water technology, cyber security, immigration and diversity.

ENGAGING WITH OUR COMMUNITY **HIGHLIGHTS**

We have built a strong volunteer community through our Community Service Days. We have a **volunteer base of 2,500 individuals** and **established partnerships with over 60 organizations**. In 2015, we held **6 Community Service Days at 23 sites**, and we grew our attendance from 300 to **more than 400 volunteers**.

We launched the third year of our ChangeMaker Challenge, awarding seven winners with strategic support and micro-grants to support their grassroots initiatives to foster equity and inclusion, fight hunger, and support economic development.

ENSURING THE JEWISH FUTURE

We reach out to our youngest generation and transform the young adult community to secure a strong, vibrant Jewish future.

ENSURING THE JEWISH FUTURE **HIGHLIGHTS**

- In partnership with The Harold Grinspoon Foundation, the PJ Library® program in Los Angeles, with support from a Jewish Community Foundation Cutting Edge Grant, sent monthly mailings of free, quality Jewish-themed literature and music to **nearly 11,000 local children** ages 6 months through 8 years. We also expanded to include PJ Library Community Connectors, who bring together families with children ages 0-2 on their Jewish journeys in targeted neighborhoods.
- Through our Tel Aviv-Los Angeles School Twinning Program, approximately **600 students from 20 schools in Los Angeles, 19 schools in Tel Aviv and one school in Vilnius, Lithuania**, lived in each other's homes, learned in their partner schools and experienced the local Jewish culture firsthand.

ENSURING THE JEWISH FUTURE
HIGHLIGHTS

We launched the Los Angeles Jewish Teen Initiative (LAJTI), in partnership with the Jim Joseph Foundation, to dramatically increase the number of post *b'nai-mitzvah* Jewish teens who are engaged in effective and compelling Jewish experiences in Los Angeles. In the summer, **27 teens** participated in our new Community Internship Program. Our Teen Engagement Scholarship Fund awarded **23 incentive grants** and need-based financial aid to reduce barriers for teens who want to participate in immersive Jewish programming.

ENSURING THE JEWISH FUTURE
HIGHLIGHTS

Our partnerships with organizations that serve undergraduate and graduate students are fostering vibrant Jewish life on campus and creating the next generation of Jewish leaders. During 2015-2016, we distributed **close to \$900,000 to nearly 20 organizations** running **over 30 innovative and collaborative campus programs**.

Through our partnerships with Birthright Israel, Onward Israel, Masa Israel Journey and Honeymoon Israel, we gave **more than 3,500 Angelenos** ages 18-40 high-impact, immersive Israel experiences.

In 2015, Young Adults of Los Angeles (YALA) offered **more than 80 social, professional, volunteer and leadership opportunities to more than 3,000 participants**. YALA also held its first annual fundraiser, MainStage 2015, which was enjoyed by over **450 attendees**.

ENSURING THE JEWISH FUTURE
HIGHLIGHTS

More than 65% of graduates from our Community Leadership Institute (CLI) are currently involved with boards and committees at Jewish community organizations throughout Los Angeles, including the Federation.

Our NuRoots initiative inspires once-unengaged young adults to build a Jewish community that speaks to them. Through intimate experiences, creative events and neighborhood-based community building, NuRoots connects people to meaningful Jewish experiences. We united **40 young adult organizations** through Infinite Light, L.A.'s first-ever citywide Chanukah festival, and **touched 2,500 young adults**.

Thanks to your generous support, The Jewish Federation makes a tangible impact in the lives of thousands of people in Los Angeles, Israel and around the world!

CENTENNIAL ENDOWMENT FUND **100** *Celebrating* YEARS of TZEDAKAH

The Centennial Endowment Fund was launched in 2011 to celebrate the 100th anniversary of The Jewish Federation of Greater Los Angeles. The Centennial Endowment Fund welcomes gifts of one million dollars and is now the top level of our Legacy Society, where all gifts in wills and estates are honored. It will ensure that our community is in good hands for the next 100 years and beyond.

Every act of generosity has the power to uplift the community. With your legacy, you can guarantee that the most vulnerable in our community will know that they are not alone. You can ensure that families not only survive, but live full Jewish lives. You can help build community and ensure the Jewish future. Because a legacy with The Jewish Federation ensures that you and your values will live on.

We invite you to join the leaders of our community in celebrating a century of *tzedakah* by making a bold new investment for our Jewish future through the Centennial Endowment Fund.

On the edge of the Pacific, The Jewish Federation is building the most compelling destination for modern Jewish life.

Once a thriving social center, the Israel Levin Center on the legendary Venice Beach boardwalk is now serving a small population of elderly seniors. Revitalizing this space will open endless possibilities for rich cultural and spiritual engagement — across generations.

Located on the most iconic and trafficked stretch of the beach, this state-of-the-art hub will be a stunning beacon for dynamic expressions of inspired Jewish life. Through vibrant art exhibitions, sunset concerts, holiday celebrations, farm-to-table cooking classes, workshops with local innovators, and much more, we will link generations, uniting toddlers, teens, and young adults with baby boomers and seniors.

We thank these visionaries for their early support of our capital campaign to transform Jewish life in Los Angeles:
