

2015 Tiguan

Das Auto.

The intersection of Want and Need.

When was the last time what you wanted and what you needed were the same thing? Well, the 2015 Tiguan certainly doesn't require you to choose. Want power? The Tiguan gives you a 2.0 TSI engine with 200 horsepower. Need control? The Tiguan offers available 4MOTION® all-wheel drive. A perfect combination of fun and practicality, the 2015 Tiguan is everything you've ever wanted and everything you'll ever need.

The only thing it's good for is everything.

Whether you're headed out for dinner, or to the great outdoors, there aren't a whole lot of places where the 2015 Tiguan won't fit right in. Features like a fold-flat front passenger seat and 60/40 split-folding and sliding rear seats mean you always have the space you need. And the classic Volkswagen combination of elegant, yet sporty design ensures you're always at the head of the class in the class department. So, if you're the kind of person who's always up to something, you'll love the 2015 Tiguan. Because it's up for anything.

Key Features

Features

Available Fender® Premium Audio System*

Recreate that live concert-going experience every time you take your Tiguan for a drive. Developed for Volkswagen and tuned for the Tiguan, this 400-watt system with 8 speakers and a subwoofer packs the power and precision you'd expect from one of the world's best-known names in music.

Available Bi-Xenon headlights with Adaptive Front-light System (AFS) and LED Daytime Running Lights (DRL)*

In every way, our lights go farther. Not only brighter than regular bulbs, the Bi-Xenon lights with AFS turn up to 13 degrees around corners before you do. On top of that, the LED DRL last significantly longer than traditional headlights while consuming less energy.

Available R-Line*

If you're wondering why it's so hard to tear your eyes away from the Tiguan, blame it on the performance-inspired styling of the R-Line Package.

Available panoramic power sunroof*

The panoramic, power-sliding sunroof gives a whole new meaning to the term "open road."

2.0 TSI engine with impressive 200 horsepower and 207 lb-ft of torque

This award-winning turbocharged engine has 200 horsepower and 207 lb-ft of torque. In plain English, it's fast. And powerful.

60/40 split-folding and sliding rear seats for maximum versatility

The Tiguan's rear seats offer a world of possibility. With their ability to fold, recline, and slide back and forth, you can either stretch your cargo space or stretch your legs out.

More Features

Fold-flat front passenger seat for transport of long items

If you're looking to take something long for a haul, the Tiguan's front passenger seat folds down to accommodate items up to 2.5 metres long.

Available KESSY keyless access with push-button start*

It's easy enough to lose your keys at the bottom of your purse. Or not have a hand free to reach the keys in your pocket. It happens. But with KESSY keyless access, you can lock or unlock your doors, and start your Volkswagen without having to search for your keys. You don't even have to know what pocket they're in.

Available 4MOTION® all-wheel drive system*

With 4MOTION®, the 2015 Tiguan can navigate almost any terrain with ease by instantly reacting to changes in wheel slippage and adjusting power to each individual wheel accordingly.

*Feature is available on higher trims only and/or as an option. See the Specifications page for details.

Think Blue. It's how we put more thought into what and how you drive.

Fuel Consumption*	Engine	City L/100 km	Highway L/100 km
Manual	2.0 TSI	13.0	9.0
Automatic	2.0 TSI	11.5	9.3
Automatic	2.0 TSI 4MOTION®	11.7	9.4

TSI – TSI brings together the power of FSI direct fuel injection with the boost of a turbocharger. The end result? An ultra-efficient engine that provides abundant low-end torque, giving you outstanding performance through a wide range of speeds, power when you really need it, ultra-low fuel consumption and, ultimately, lower CO₂ emissions.

Comfort high, fuel consumption low. Air conditioning and other auxiliaries add comfort, but rapidly consume fuel. So when the weather is nice, open your windows for some fresh air and let the heat escape. In the winter, turn off your seat heaters once warm and your defrosters once clear. Just a few ways that we can all Think Blue.

Think Blue.

Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. The estimated fuel consumption ratings for the 2015 Tiguan models are based on Natural Resources Canada's (NRCAN) newly approved fuel consumption criteria and testing methods effective with 2015 model year vehicles. Please note that comparisons to seemingly identical 2015 and 2014 model year and older vehicles will show discrepancies due to the difference in NRCAN approved calculation methods. Please refer to NRCAN's Fuel Consumption Guide 2015 for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, driver's habits and vehicle's additional equipment.
