Amazing single owner rig inside and out. Very low miles and well maintained. Great features such as air conditioner, furnace, 2500 watt propane generator, toilet/shower, and much more. The kitchen is complete with large refrigerator w/freezer, microwave, and 2 burner gas stovetop. This RV has it all!! The dual rear twin beds converts into a queen bed. This model also features an additional sleeping area for one person behind the driver seats from the center fold-down couch.

Great interior storage, fully self-contained for any adventure that awaits. Nonsmoker, no pets, and not a single fender bender. From the beginning of ownership until now, the original customers kept a detailed record for any service or maintenance work to both the Mercedes chassis and RV coach. In light of Covid19, this Winnebago was recently detailed and disinfected by Mercedes including the interior/exterior, motor, and front chassis. The engine bay was steam cleaned, exterior paint clay bar treated, 2 coats wax, and polished. All she needs is a new home to take her camping. Happy Trails!!!
