**2016-17 ANNUAL REPORT OF GIVING**

## LIVE BRAVELY + LEAD *for* GOOD +

This year, Saint James School is celebrating its remarkable 175-year history.

The School's mission is "to prepare young men and women for academic success in college, and to challenge and inspire them to be leaders for good in the world." Our students are pushed to cultivate their strengths and improve their skills in multiple disciplines—but most of all to be better people: resilient and self-confident, caring and helpful. This was as true in 1842 as it is today.

Saint James has been able to carry out this mission for 175 years due in large part to the philanthropic tradition of giving in our community. Because of you, our generous donors, we look forward to the next 175 years.

Together, your gifts advanced our mission of educating young men and women and creating leaders for good.

For your ongoing and faithful generosity, we thank you.

From the Chairman of the Board

# Dear Fellow Alumni and Friends of the School

Dear Fellow Alumni and Friends of the School,

As Saint James School celebrates its 175th year there is much to be thankful for. There has been one constant throughout Saint James School's 175-year history and that is the support of alumni, parents, friends, and staff who have seen to it that the School has had the resources to not only survive such catastrophic events such as Civil War, World Wars, and depressions, but to prosper even when times were good.

To understand the value of one's investment in Saint James, whether this is measured in time, financial contribution, or general good will, all one has to do is attend a graduation ceremony in early June and witness the students themselves on their last school day. There can be no doubt of the positive contribution that Saint James has had on these students as they head out into the world to help make it a better place than they found it.

As a Saint James alumnus and parent I can think of no other institution that is more worthy of our support. With the School's small size every contribution has a large impact and is easily measured. It is through generous giving that Saint James School has been a beacon of light the past 175 years. Let us all give thanks for everyone and everything that has made this possible and continue the tradition onward for the next 175 years.

Sincerely,

A handwritten signature in black ink that reads "Geoffrey P. Pohanka".

# Dear Friends and Supporters of Saint James School

Dear Friends and Supporters of Saint James School,

As you know, this year Saint James is celebrating the 175th anniversary of our founding, which makes us mindful of all those faithful teachers and benefactors who have served on this campus and built this school through peace and war, prosperity and adversity since 1842.

I think of our first rector, the Revd. Dr. John Barrett Kerfoot, who founded Saint James and led the college with such courage and conviction as the Civil War raged around us, of Henry Onderdonk who restored the school after the Civil War, and his son Adrian who kept us alive after Claggett burnt to the ground in 1926 and through the Depression.

I think of our campus during the first and second world wars, the Korean and Vietnam Wars, of our young alumni going forth from Saint James to fight with only the skills, resilience, and courage that they had learned here in class, in the dorm, and with their friends on the playing fields, of Donn Porter '49, who won the Congressional Medal of Honor, which his mother gave to the school, and Watty Wheelwright '49 who won the Distinguished Flying Cross in the Korean War, and Tim Shryock '38, who won the Distinguished Flying Cross in World War II.

I think of two presidents of the board whom I was so privileged to serve: Admiral James L. Holloway III '39, who fought in World War II, the Korean War, and the Vietnam War, and was highly decorated for his courage and leadership in all three, and of Lud Sells '60 who fought in the jungles of Vietnam and refused to leave his men until he was relieved by another officer, keeping himself in danger for the sake of those he served. In both cases, the place they credit for their faith and their survival is Saint James, which is why they are so grateful and so devoted to this school.

And you have your reasons to love Saint James: the lessons learned, the friendships made, the challenges overcome, the triumphs achieved, the tears shed, and the laughter shared - that journey into adulthood which is so well nurtured and so well begun here.

For 175 years.

Thank you!

Yours faithfully,

The Revd. D. Stuart Dunnan, D. Phil  
Headmaster

# GIFTS BY TRUSTEES

Every member of the Board of Trustees participates in the yearly Annual Fund Campaign. As School leaders, they give early and generously to the Annual Fund. Trustees made gifts to the 2016-2017 Annual Fund totaling \$401,412, contributing 35 percent of the overall giving to the Campaign. The School community is grateful to Mrs. Ann C. Davis for her service as the Board of Trustees Annual Fund Chair, and to all of the Trustees for their generosity and deep commitment to the School's mission.

# ANNUAL FUND GIFTS BY CURRENT PARENTS

Remarkably, nearly 90 percent of current parents made gifts to the Annual Fund in 2016-2017. We thank the Parent Annual Fund Chairs, Mrs. Laura Menas (Cole '17) and Mrs. Janel Welty (Olivia '20), for their work throughout the year. They, with the help of other dedicated parent volunteers, provided the momentum to achieve this outstanding participation goal. The School is deeply grateful for the generosity of each family during the 2016-2017 Annual Fund Campaign.

# ANNUAL FUND GIFTS BY PARENTS OF ALUMNI

Saint James is fortunate to receive tremendous support from parents of alumni. These parents continue to help the School even after their daughters and sons have graduated. We are grateful for this ongoing generosity and endorsement of the School's mission. The support of alumni parents is vital to the success of the Annual Fund. In 2016-2017, 20 percent of alumni parents made gifts, making up 10 percent of the year's overall Annual Fund donations. We extend our sincere thanks to Mrs. Michele K. Hoke, mother of John '03, for leading this portion of the Annual Fund Campaign.
