

2016 The Jewish Federation Report to the Community

Our Federation identifies and addresses our greatest challenges and opportunities. We built this Jewish community and have been at its center for over 100 years.

As the Federation of today, we are the one Jewish organization in Los Angeles that is as focused on the future as much as the present.

We have both the 35,000-foot view required to plan for tomorrow and the hands-on partnerships that make it possible for us to care for our community today. We do this in collaboration with our organizational partners and our most committed leaders and donors.

As a result, our work is strategic, impactful, and inspiring. We focus on Los Angeles, and serve as a global Jewish leader, doing essential work in Israel and throughout the Jewish world.

Ultimately, it's not what we do but why we do it — which is to create the kind of enduring Jewish community we all want and need, based on shared goals and Jewish values.

Dear Friends,

On behalf of The Jewish Federation of Greater Los Angeles, our lay leaders, and professional staff, we thank you for your generous support in 2016.

Because of you, we are able to identify and address our city's greatest challenges and opportunities — caring for our community today, and strengthening our shared Jewish future. We work in collaboration with organizational partners and our most committed leaders and donors to create the most strategic, impactful, and inspiring work possible. This report offers a glimpse into the local and global mark on Jewish life we made together in 2016 — and continue to make.

We are grateful for your long-standing support and partnership in our mission to touch every Jewish life in L.A., Israel, and the world — *starting with yours.*

CARING FOR JEWS IN NEED

Around the world, we support Jews in crisis and Jewish renewal. We provide assistance to Jews in need, extend a helping hand here and abroad, and fortify our community by offering opportunities for inclusion.

CARING FOR JEWS IN NEED
LOS ANGELES

The Ezra Network

We provided social service assistance from job counseling to legal services and more to **1,636 individuals at 20 synagogues** throughout L.A., offering convenience, comfort, and confidentiality.

Los Angeles Jewish Abilities Center (LAJAC)

This community resource for Jewish adults with special needs and caregivers features a comprehensive website, case management, and a “Knowledge is Power” workshop series.

We helped nearly 3,000 people understand their rights and

responsibilities and become self-advocates. This initiative was launched with a grant from the Jewish Community Foundation.

We developed seven new program partnerships:

JVS ExperienceWorks; Aish Tamid Community Educational Resource Center; Jewish Big Brothers Big Sisters College Guidance & Scholarship Program; Jewish Family Service Training for Caregivers of Holocaust Survivors; The Miracle Project for Adults; Camp Ramah in California Ezra Vocational Training; and Jewish Family Service Paraprofessional Training Program.

CARING FOR JEWS IN NEED
ISRAEL

Village Way Educational Initiative

Our new partnership with Yemin Orde's Village Way Educational Initiative trained educators in a step-by-step work process to empower youth to realize their full potential and help them feel more connected to their communities, which they then implemented in their schools. Teachers successfully impacted **1,390 at-risk youth** in two communities.

Unistream

We leveraged and expanded our already existing partnership with Unistream to impact **1,500 alumni and 2,000 teens in 13 Entrepreneurship Centers** throughout Israel. This positively affected participants' life trajectories — from pursuing academic achievement, social activism, and meaningful military service to choosing a profession and kickstarting careers.

ENGAGING WITH OUR COMMUNITY

We educate and advocate for Israel throughout Los Angeles and work with our neighbors to make our city better for us all.

ENGAGING WITH OUR COMMUNITY

BUILDING RELATIONSHIPS

We emphasized the importance of building relationships with community by celebrating Rosh Hashanah, Passover and Hanukkah with Federation and elected, community, and religious leaders.

We launched the **Edah Rabbinic Fellowship**, with rabbis from L.A. synagogues who received training on effecting change and engaging millennials.

In 2016, we held six **Community Service Days** with **500 volunteers**, drawing from a volunteer base of **3,200 individuals** and working with established partnerships of **over 60 organizations**.

ENSURING THE JEWISH FUTURE

We reach out to our youngest generation and transform the young adult community to secure a strong, vibrant Jewish future.

ENSURING THE JEWISH FUTURE

OUR WORK WITH CHILDREN AND TEENS FROM BIRTH THROUGH HIGH SCHOOL

LAJTI (Los Angeles Jewish Teen Initiative)

In partnership with the Jim Joseph Foundation, we touched the lives of **over 12,000 Jewish teens** and **engaged over 430 teens** through compelling and meaningful Jewish experiences that support them in leading healthy and fulfilled lives. **Over 100 teen educators from 50 organizations benefitted** from our professional development opportunities, provided in partnership with Builders of Jewish Education (BJE). We launched our new **Teen Innovation Awards**, providing inventive teens with support and resources to experiment with new ideas for how they want to be Jewishly engaged.

The PJ Library® program in Los Angeles

In partnership with The Harold Grinspoon Foundation, we gifted **over 11,500 Los Angeles children** ages six months through eight years old with free Jewish-content books and music. We expanded our **Community Connectors** program in three neighborhoods to build micro-communities to connect families who have children ages 0-2. **PJ Our Way** (PJOW) for tweens ages 9-11 launched a Youth Advisory Board to empower **over 900 Los Angeles tweens** in their own online space.

ENSURING THE JEWISH FUTURE

OUR WORK WITH YOUNG ADULTS

Community Leadership Institute (CLI)

CLI prepared **70 young professionals** ages 25-40 to be knowledgeable and strategic leaders to successfully hold positions on boards and committees of Los Angeles-based Jewish organizations and initiatives.

NuRoots

Through 1,000+ one-on-one meetings, 50 intimate neighborhood gatherings, and three citywide holiday festivals, NuRoots continued to empower people in their 20s and 30s to create meaningful community across Los Angeles. Working in collaboration with young people and inspired by Jewish culture, heritage, and values, NuRoots reimagines Jewish life through creative experiences and innovative partnerships.

ENSURING THE JEWISH FUTURE

OUR WORK WITH YOUNG ADULTS

YALA (Young Adults of Los Angeles)

We welcomed **more than 1,000 Jewish Angelenos** in their 20s and 30s at over 60 social, professional, cultural, volunteer, and leadership events.

RuJuLA

Our Russian-speaking Jewish young professionals network offered more than 20 educational, cultural, social, and holiday celebration events for Jewish young professionals and families with young children.

Campus Life

Through our 15 campus partnerships at six L.A. campuses, **over 15,000 Jewish college students** across Los Angeles found a safe space to feel welcome on campus as well as ways to express their Jewish values and political opinions.

Our partners created programs to reach freshmen longing for home and tradition, helping them find comfort in Shabbat services and dinners. They also provided graduate students with networking opportunities at monthly Shabbats.

ENSURING THE JEWISH FUTURE

OUR WORK WITH YOUNG ADULTS

Birthright Israel LA Way

We sent **over 800 young adults** to Israel in 2016 on our “LA Way” community Birthright Israel trips. Representing Jewish Angelenos ages 18-29, including students from USC Hillel, Hillel at UCLA, Hillel 818, and a group of young entertainment professionals, they traveled throughout Israel on life-changing trips.

Kahn Fellowship

Participants involved in our exclusive Birthright Israel post-trip

engagement fellowship created over 50 high-quality programs for their friends and peers at grassroots events attended by **over 800 people**.

Onward Israel LA sent its second cohort of **20 Los Angeles students** and young professionals ages 18-26 to intern in Tel Aviv for eight weeks. They learned new skills and developed workplace competencies in companies and nonprofits and met weekly to learn more about contemporary Israeli society, from groundbreaking water technology to immigration issues.

ENSURING THE JEWISH FUTURE

OUR WORK WITH YOUNG ADULTS

JDC Entwine

A cohort of **15 like-minded young adults** traveled to St. Petersburg to engage with young Jewish leaders through a new partnership with JDC Entwine. Immersed in the Russian culture through visits to key Jewish institutions, synagogues and cultural sites, and meetings with community leaders, participants gained a unique perspective on current challenges and innovative solutions and the notion of collective responsibility.

Masa Israel

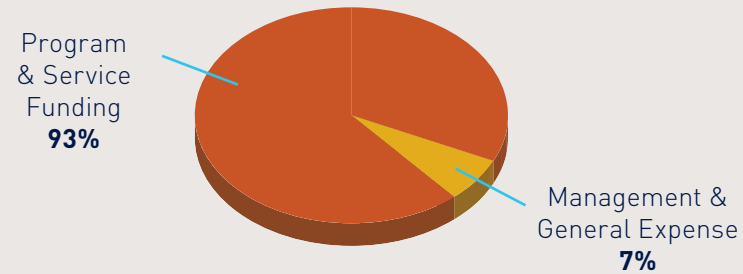

Masa Israel, a new ground-breaking partnership, helped **300 Angelenos** sign up for long-term programs in Israel. This represents a 20% increase from the previous year.

Thanks to your generous support, The Jewish Federation makes a tangible impact in the lives of thousands of people in Los Angeles, Israel and around the world!

CENTENNIAL ENDOWMENT FUND **100** *Celebrating* YEARS of TZEDAKAH

The Centennial Endowment Fund was launched in 2011 to celebrate the 100th anniversary of The Jewish Federation of Greater Los Angeles. The Centennial Endowment Fund welcomes gifts of one million dollars and is now the top level of our Legacy Society, where all gifts in wills and estates are honored. It will ensure that our community is in good hands for the next 100 years and beyond.

Every act of generosity has the power to uplift the community. With your legacy, you can guarantee that the most vulnerable in our community will know that they are not alone. You can ensure that families not only survive, but live full Jewish

lives. You can help build community and ensure the Jewish future. Because a legacy with The Jewish Federation ensures that you and your values will live on.

We invite you to join the leaders of our community in celebrating a century of *tzedakah* by making a bold new investment for our Jewish future through the Centennial Endowment Fund.

OUR NEW MULTI-GENERATION DESTINATION

On the edge of the Pacific, The Jewish Federation is building the most compelling destination for modern Jewish life.

We took a tired building that served a small population of elderly seniors and are creating a state-of-the-art space that will open endless possibilities for meaningful engagement across generations.

This stunning facility will be a magnet for dynamic expressions of Jewish life, elevating our senior programming, creating intergenerational experiences, and drawing young adults from across the city.

Through vibrant art exhibitions, sunset concerts, holiday celebrations, farm-to-table cooking classes, workshops with local innovators, and much more, we will unite toddlers, teens, and young adults with baby boomers and seniors.

We thank these visionaries for their support of our capital campaign to transform Jewish life in Los Angeles:
