

2017-18 ANNUAL REPORT

---

# GREETINGS

---

## FROM THE PRESIDENT

Greetings from Due West and the President's Office in Belk Hall. As I stand at the window overlooking the center of Erskine's 90 acres, I am reminded that Erskine was recently ranked sixth on a list of 50 Most Beautiful Christian Colleges and Universities in the country by [christianuniversitiesonline.org](http://christianuniversitiesonline.org). What a privilege it is to experience the artistry of God's creation, the tranquil quiet of a fall morning, and the close-knit relationships discovered on this campus with each new academic year.

This is the first Annual Report published in three years, and I am pleased to say that when Director of Advancement Michael Irvin joined the senior team in the spring of 2018, he made it one of his first priorities to renew this publication which chronicles the annual giving of the Erskine family. This generosity sustains the College's academic and co-curricular activities as well as the Seminary's preparation of future pastors.

I hope you are encouraged, as I am, by the many stakeholders who love Erskine College and Theological Seminary and continue to give self-sacrificially each year.

We are excited about the freshman class of 200 students from across the southeast and beyond. Fifteen of them who were part of the Presidential Scholarship program last year have come to us with strong academic records and a myriad of leadership skills. A number of these freshmen

joined the Choraleers, who enriched our opening Convocation ceremony with their beautiful singing under the direction of Dr. Keith Timms.

We also welcome three new professors to Erskine. Dr. Alessandra Brivio in the history department, Dr. Anna Brady in the education department, and Dr. Matthew Campbell in the biology department have joined the faculty and bring excellent academic experience and a clear calling to be part of a small Christian liberal arts college.

Lee Sartor joins the coaching staff as our new men's head basketball coach, having coached the number one Division I basketball prospect in the country, Zion Williamson (a Duke University signee), these past few years at Spartanburg Day School.

A student recently remarked to me that when she first visited the Erskine campus, it felt like home to her. Her words describe the experience of so many who have come to Due West and found a second home, a place to be stretched academically, to grow spiritually, and to find friendships that last a lifetime. This is the essence of Erskine College and Seminary.

We hope that by your generous support you will extend to this next generation the opportunity to enjoy the captivating and enriching experience we all know as Erskine.

Dr. Robert E. Gustafson, President  
*Erskine College and Theological Seminary*

A WORD FROM

---

# Mike Irvin

---

DIRECTOR OF ADVANCEMENT

Erskine Alumni and Friends,

Erskine College and Theological Seminary has a rich history and tradition of educating young men and women for lives of service and success. Your generous support is making it possible for the next generation of Erskine graduates to realize their dreams and aspirations. Thank you for keeping their hopes alive as the Erskine tradition lives on. These are exciting times for Erskine as we look toward the future.

Mike Irvin, Director of Advancement

“Your generous support is making it possible for the next generation of Erskine graduates to realize their dreams and aspirations.”
