A special mention about <u>Solomon</u> - Sol is our lead starter today and has been a great help during our practise sessions. He is an excellent organiser and young leader. Next year the Yr 11's will be completing their Junior Sports Leader Award and this experience will start Sol's work experience booklet off nicely. Sol will receive a medal of recognition for all of his hard work during sports day. Thank you Sol.

Thank you so much for coming to watch the pupils during their sports day.

Thank you also to the catering team, John, Diane and Judy for the cream teas, teas, coffees, ice lollies and juice! Delicious!

Bike Ability

On Wednesday 6th of June I invited a York based company called Get Cycling into school to show us their new range of disability bikes. All the classes had a trial go and we had a great time trying them all out. The reason why I am interested in disability bikes is that the school is planning to buy a selection of bikes to have for the children use in PE and also during other leisure time. Being able to ride a bike is a great skill to have and improves children's concentration, health and wellbeing, as well as giving them a sense of freedom. A set of bikes is going to cost the school in the region of £12,000. If you have any ideas for fundraising events or want to get more involved with raising funds for St Johns please let me know.

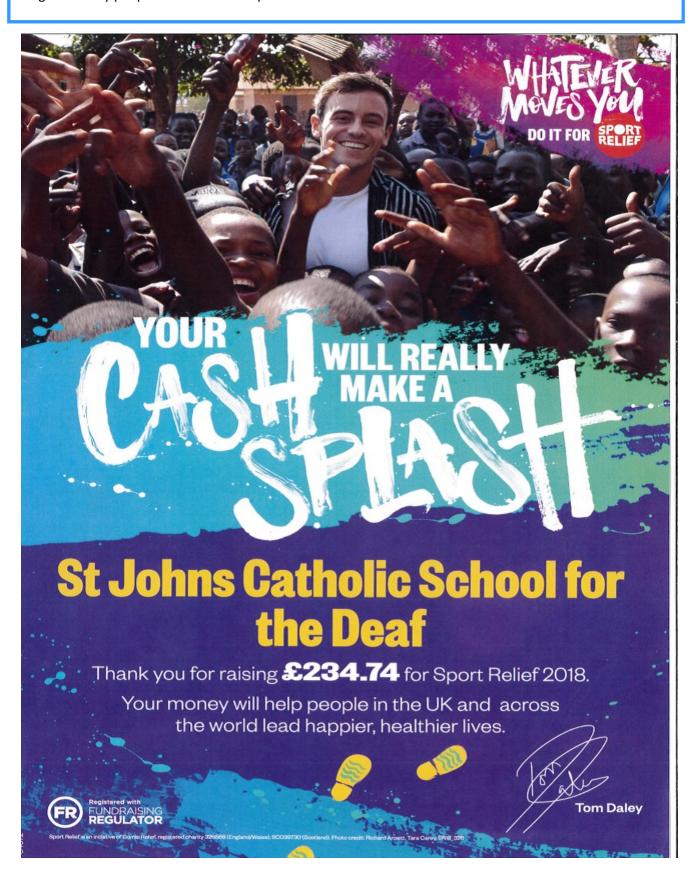

Thank you to those who shared their photos with us – much appreciated. Kate Pirie, Jack and Hollie, Macauley and Mqhele, Nurse Kate and Sol

Results for Sports Relief

Thank you to everyone who raised money towards this fantastic cause. It is great that sport and being active can get so many people motivated to help others less fortunate than themselves.

Update From Summer Term Two

Leeds Rhino's Foundation

This half term we have had a fantastic link with the Leeds Rhino's Foundation. We were treated to some FREE tickets to the rearranged match against the Catalan Dragons on the 20th of June. Families and staff took eight pupils from St Johns to the evening match and the lucky pupils were the flag bearers and the player mascot. (A couple more Photos to come.)

On Monday 9th of July Gilbert group visited The Leeds Rhinos Headingley stadium and had a tour of the grounds and the trophy room. We designed our own Rhinos kit which will be sent off to the designers – fingers crossed one of them gets chosen!
