BRINGING THE HEART OF *Italy* INTO THE HEART OF YOUR HOME...

In the Emilia Romagna region of Northern Italy lies the quaint town of Guastalla, near Parma, where one **family company** combines the two great traditions of the area - culinary craft and engineering skill. For 135 years, the Bertazzoni family has embraced the superb **food heritage** of the region - fresh delectable products such as prosciutto di Parma, salami and mortadella, varied and delicious pastas, Parmesan cheese and balsamic vinegar - and produced cooking equipment of the highest quality that is consistent with the **fine engineering** heritage of the area, known for world famous sports cars and racing motorbikes, machine tools, electrical gear and agricultural equipment.

This is why people around the world who know how to cook use Bertazzoni ranges, cooktops, and ovens, all built with passion and precision by people who know about cooking. Cook beautifully with a Bertazzoni.

FEATURES AND BENEFITS

UNIQUELY BERTAZZONI

Design:

The Colors of Italy

Italians are renowned for their exuberance and artistic elegance. Now these special qualities are brought to your kitchen with a choice of sensational Bertazzoni colors, inspired by the wonderful produce and culinary traditions of Emilia Romagna, heartland of Italian food.

Bertazzoni colors in the Professional Series Ranges are applied in a fully durable, triple layer coating on stainless steel using the latest processes developed for the automotive industry. The finish is acid and temperature resistant to give you a long-lasting lustre, and bring a new dimension to the design and style of your kitchen.

Variety of Styles and Sizes Available

- Contemporary & Transitional: Professional Series Ranges
- Traditional Pro-Style: Master Series Ranges
- Vintage: Heritage Series Ranges and Ventilation
- Modern: Design Series

Heritage:

Over 135 Years Of Italian Design And Engineering Excellence.

- This family company is presided over by the fifth and sixth generations - an unbroken line that stretches back to the 19th century.

Engineering Quality:

Superior Italian Engineering Featuring User-Friendly Features, Safety Innovations, And Superior Fit And Finish

- Sturdy all stainless steel construction
- Multiple-burner sizes allow for full cooking versatility and accuracy
- High efficiency worktop design with one-piece worktop molding and sealed burners
- Soft motion hinges
- Counter-depth allows range to sit flush with cabinetry
- One-touch child safety ignition system
- Thermocouple Safety System

**Warranty - Two Years Parts And Labor -
Double The Industry Standard!**

FEATURES AND BENEFITS

Freestanding Ranges:

Innovative Features:

- High efficiency seamless worktop
- Bertazzoni Power Burner - Dual Rings
- High performance, variable sized, sealed gas burners - Brass or Aluminum, depending on model
- Heavy duty cast iron grates
- Pyrolytic self-clean oven cycle on Dual Fuel S Models
- Multi-function oven with extra large oven capacity
- Sturdy, all stainless steel construction
- Soft motion oven doors
- Telescoping Glides
- Oven temperature gauge and pro-style handle on select models

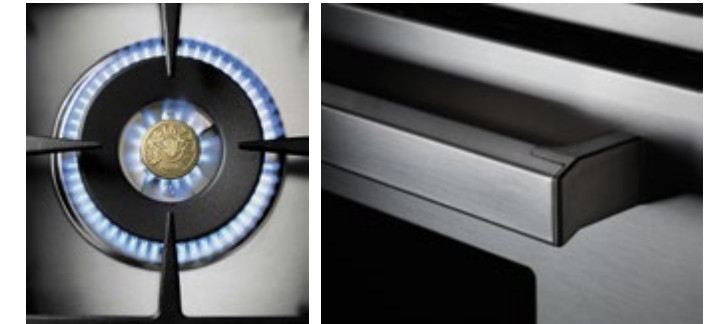

Built-In Products

MASTER SERIES INDUCTION

Master Series Induction ranges are fully engineered for performance and designed with standard dimensions to work with existing kitchen layouts and units. The Master 30" induction range has a self-clean oven in the XT model and features nine cooking modes and European convection, providing balanced air flow and even heat distribution for single and multi-level roasting and baking with no flavor crossover.

Each induction zone has variable low-to-high power and a pan detection system. Residual heat indicators warn if a zone is still hot, even when switched off, guaranteeing maximum safety.

Pictured: 30" Master Series Induction Range

INDUCTION MAINTOP
Induction cooktop surface accommodates full-size cookware and allows for a wide range of different dishes to be prepared very quickly with minimal energy output.

CONTROLS
Ranges are controlled by large round soft-touch knobs and feature a professional style handle.

ELECTRIC CONVECTION OVEN
Bertazzoni induction ranges are equipped with extra-wide European convection ovens with heat-assisted convection fan, providing balanced air flow and even heat distribution.

XE Models:

- 30" Manual Clean Oven
- 4 Induction zones - 1400W to 3700W
- Electric Oven 3.6 cubic feet capacity
- 9 Cooking functions

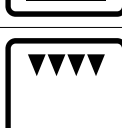

XT Models:

- 30" Self Clean Oven
- 4 Induction zones - 1400W to 3700W
- Electric Oven 3.4 cubic feet capacity
- 10 Cooking functions

PROFESSIONAL SERIES

A Bertazzoni range from Italy embraces and enhances the art of cooking. Quality and innovative engineering is integral to each Bertazzoni cooking machine, combined with exquisite design and superior features. With its high-end fit and finish, each Bertazzoni range is precision engineered for exceptional reliability and durability.

Featuring All Stainless Steel and 6 Color Options

- All stainless steel, seamless, welded edges
- 6 colors, triple coated, luxury gloss finish

The Bertazzoni power burner has dual rings which are independently operated, so you can use the inner ring, the outer ring, or both together for maximum control and flexibility.

WORKTOP FEATURES:

- High Efficiency Worktop Design
- Seamless Worktop For Easy Clean
- Different Sized/Power Burners For Flexible Cooking
- Dual-Ring Burner With Separately Controlled Flames
- Thermocouple Gas Shut-Off For Safety
- 4" Backguard - Shipped with Every Range
- Worktop Takes Movable Griddle Accessory, Standard Wok Ring, And Simmer Ring Adapters For Cooking Flexibility

OVEN FEATURES:

- Oven Choices: Gas / Electric / Electric Self-Clean
- Multi-Function Oven: Convection / Baking / Broiling
- Full-Width Infrared Broiler
- Extra Large Cavity
- Double Lamp
- Heavy-Duty Racks
- Telescopic Glide Shelf (excludes 24" models)
- Soft-Motion Door Hinges
- Triple-Glass Door
- Self-clean Models Have Quadruple Glass Doors

DESIGN FEATURES:

- Ergonomic Design Knobs
- New Design Handle
- All Stainless-Steel Construction
- Adjustable Legs - 35 1/2" - 37 3/4"
- Full-Width Storage On Gas Oven Models

- Stainless steel with seamless welded edges.
- Triple coated, luxury gloss finish.

Professional Series Induction ranges are fully engineered for performance and designed with standard dimensions to work with existing kitchen layouts and units. The Professional 30" induction range has a self-clean oven in the S model and features ten cooking modes and European convection, providing balanced air flow and even heat distribution for single and multi-level roasting and baking with no flavor crossover.

Each induction zone has variable low-to-high power and a pan detection system. Residual heat indicators warn if a zone is still hot, even when switched off, guaranteeing maximum safety.

INM Models:

- 4 Induction zones - 1400W to 3700W
- Electric Oven 3.6 cubic feet capacity
- 9 Cooking functions
- Triple-Glass Windows
- Storage Drawer Included
- 30" Manual Clean Oven

INS Models:

- 4 Induction zones - 1400W to 3700W
- Electric Oven 3.4 cubic feet capacity
- 10 Cooking functions
- Quadruple-Glass Windows
- Storage Drawer Included
- **30" Self Clean Oven**
- **1 Telescopic Glide Shelf**

HERITAGE SERIES

The magnificent Bertazzoni Heritage Series gas ranges reflect back to the early days of the family company. This was when the energy and imagination of founder Francesco and his son Antonio made Bertazzoni wood-burning stoves popular throughout Italy at the beginning of the last century.

The design suits the traditional kitchen of today, cleverly combining the classic appeal of time-honored style with all the technology and advanced engineering of the Bertazzoni ranges. There are 48-inch double oven and 36-inch single oven models. All have bright chrome finishes combined with brushed stainless-steel trim setting off the three matte color options, which bring a durable heritage dimension to the style of your kitchen.

All the one-piece stainless-steel cooktops include the exclusive Bertazzoni dual-ring, high-efficiency burner with separately controlled flames. Powerful multi-setting range hoods and backsplashes are designed to match in with the traditional style of the ranges .

Pictured: 48" Heritage in Vino/Burgundy, with optional 48" backsplash and utensil bar, and 48" Heritage Hood in Vino/Burgundy.

HERITAGE SERIES

These ranges celebrate the beginnings of the Bertazzoni company in the 19th century when Francesco and his son Antonio started making wood burning stoves for homes like ones they had seen being used in railcars coming from the north.

Antonio Bertazzoni

FEATURES

The Bertazzoni Heritage Series 48-inch model is a magnificent free-standing all-gas range with six-burners and electric griddle. The main oven has a balanced convection fan and gas broiler. The useful auxiliary oven, without fan, has a special low temperature setting.

The 36-inch range also has six cooktop burners. The oven has Bertazzoni's balanced air-flow fan to provide even heat distribution for single- and multi-level roasting and baking.

All the cooktops include a dual-ring burner with independently controlled flames for high power to delicate simmer. Matching range hoods and backsplashes are designed to match in with the traditional style of the ranges.

An early Bertazzoni wood-burning stove.

Each range carries the signature of Antonio, son of founder Francesco Bertazzoni, and the man whose energy and imagination originally made Bertazzoni stoves so popular throughout Italy.

BUILT-IN PRODUCTS

Pictured: Master Series Built-In Oven and Warming Drawer

Pictured: 36" Pro Low Profile Built-In Cooktop with 5 Brass Burners

Pictured: 30" Master Series Convection Steam Oven

All the imagination, thoughtful design and fine engineering made famous in Bertazzoni's freestanding ranges are now brought to you in a next generation of built-in ovens, specialty ovens, cooktops, rangetops, refrigeration and dishwashers!

These built-in cooking, cooling and cleaning systems have been designed to bring a distinctly North American dimension to European-style kitchens.

They deliver professional performance with the flexibility and ease of use required in the home.

PROFESSIONAL AND MASTER SERIES BUILT-IN WALL OVENS

FEATURES:

Bertazzoni Built-In Ovens are available in two striking styles; Professional and Master Series. The exceptional, energy-conscious performance of the wall ovens are enhanced by the intuitive and easy-to-use interface operated with ergonomic knobs and touch controls. Both single and double oven versions are available for the XE and XT models.

XV Models:

- Dual Diagonal Fan Convection (30" Models)
- LED Display
- Pyrolytic Self Cleaning (30" Models)
- Flush Stainless Steel Front
- European Convection System (24" Models)
- Pro style handle

XE Models:

- Dual Diagonal Fan Convection
- LCD touch control interface and knobs
- Pyrolytic Self Cleaning
- Single and double oven models available
- 4.1 cubic foot cavity with 4 heating elements
- Telescopic slide out shelf (one set on single model, two on double model)
- Soft motion hinges
- Quadruple glass oven door

XT Models:

- Dual diagonal Fan Convection
- LCD touch control interface and knobs
- Pyrolytic Self Cleaning
- Single and double oven models available
- 4.1 cubic foot cavity with 4 heating elements
- Telescopic slide out shelf (one set on single model, two on double model)
- Soft motion hinges
- Bertazzoni Assistant feature
- Food probe
- Professional Series models feature a pro-style handle.

Dual Diagonal Fan Convection

- Diagonally positioned for larger fan size
- Baffle improves the direction of the airflow, eliminating heat shadows and hot spots
- Subsidiary vents at the top and bottom
- The combined effect is horizontal airflows in precise balance
- Included on all models except 24"

LCD Graphic Interface and "Assistant" Feature

- The 'Assistant' feature in XT Models keeps the cook in control:
- It will 'manage' oven's settings to optimize cooking of a particular dish such as meat, poultry, and seafood
- It will 'save' settings used for cooking a dish
- It will 'retrieve' saved settings - an individual custom archive

BUILT-IN SPECIALTY PRODUCTS

SPEED OVENS

The Professional and Master Series speed oven is versatile and easy-to-use, with a family-sized capacity and 6 microwave power levels. In addition to European convection it also has conventional electric oven cooking modes and an electric broiler. The flush design offers the best flexibility, allowing seamlessly integration into the kitchen.

- Combination electric convection and broiler with microwave
- Digital programmer oven controls
- 6 microwave power levels/cooking modes
- 1 glass turntable

BZ-MASSO30X

BZ-PROSO30X

STEAM OVENS

The Professional and Master Series 30" convection steam oven uses water vapor to cook food. This is a fast and healthy method, sealing in flavor and vitamins. It can also be used as a traditional oven featuring functions such as convection and broil. The combination of steam and hot air delivers excellent baking and roasting results.

- Combination electric convection and broiler with steam
- Knobs and touch LED display oven controls
- 2 oven levels
- 1 stainless steel 40 mm deep, 1 perforated stainless steel 20 mm deep
- Single oven light

BZ-MASCS30X

BZ-PROCS30X

WARMING DRAWER

The Professional and Master Series warming drawer is a smart addition to the kitchen, keeping your dishes at serving temperature (185°F). It has a 66 lbs capacity and features an easy soft-motion push/pull action, as well as a ceramic base.

- Soft close operation
- Convection, thermostat, thermostat light, glass bottom
- Loading Capacity - 66 lbs
- Max Temperature - 185°F

COOKTOPS AND RANGETOPS

MASTER AND PROFESSIONAL SERIES

Bertazzoni rangetops bring professional performance and surface cooking convenience together in an elegant solution. Available in 4 to 6 burner configurations, Professional and Master Series gas cooktops have the same one-piece, seamless, high-efficiency worktop design that has become the signature of Bertazzoni freestanding ranges. All burners on QB models are in cast brass for enhanced performance, with the dual control brass power burner delivering best-in-class heat-up times and maximum flexibility thanks to its wide BTU range.

BZ-CB48M6G00X - 48" Master Series rangetop with six, 18,000 BTU burners and electric griddle.

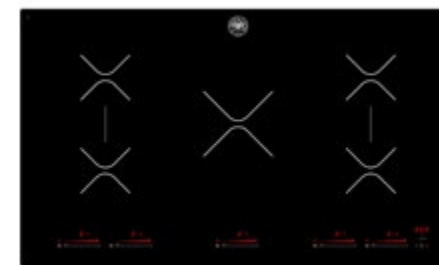

Bertazzoni's exclusive dual control power burner in cast brass delivers high-efficiency performance from a delicate low simmer to full power (750-18,000 BTUs) with best-in-class heat-up time.

Rangetops are controlled by large round soft-touch knobs.

DESIGN SERIES

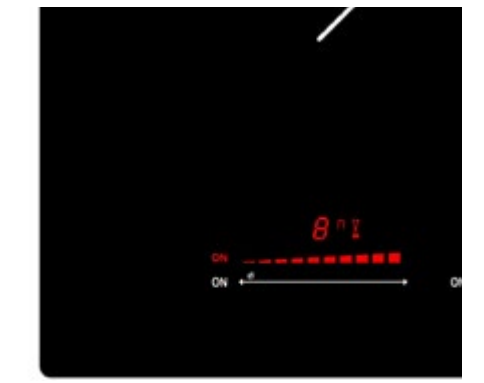

Design Series touch control induction cooktops have a total output of up to 11,100 W, providing the fastest and most energy efficient way of cooking. Thanks to the booster function, the full energy becomes available instantaneously and is delivered directly to the cookware, thus eliminating inconvenient heat-up time. This series cooktop features five individually controlled induction heating zones and a bevelled black ceramic glass main top.

BZ-P365IAE - 36" Designer Series induction cooktop with five zones.

The touch control interface provides the utmost in cooking flexibility.

The bevelled black ceramic glass is smart, contemporary and easy to clean.

MICROWAVE OVENS

Introduced to complete the options you need for an integrated kitchen, the new Bertazzoni Microwave Ovens are versatile and easy-to-use.

The design and finish of the Bertazzoni Microwave Ovens are suitable for use with built-in ovens and cooktops from all of the existing Bertazzoni products.

BZ-MO30STANE
shown with frame

The Built-In Microwave Oven has a great 2.0 cubic-foot, family-sized capacity. It has 10 power levels with controls that include pre-set cooking modes, cooking timer and sensor controls for reheat, defrost, and cook. The oven is equipped with a child safety lock.

BZ-KOTR30X

The Over the Range Microwave Oven features a 2 cubic foot capacity. It has 11 power levels with controls that include pre-set cooking modes, cooking timer and sensor controls for reheat, defrost, and cook. It also provides a High/Low Ventilation fan rated at max 300 CFM.

TERMS AND CONDITIONS

Orders: All orders and any subsequent change orders must be submitted in writing and delivered to Pinnacle Express, Inc. by mail, fax or e-mail. No telephone orders will be accepted. Special Order items are Non-Cancellable.

Prices: All prices are subject to change without notice and are exclusive of any sales or use taxes, shipping, delivery, special packaging, or handling charges that may apply to each customer or to each order.

Minimum Advertised Pricing: All sales are subject to Pinnacle Express, Inc. or Manufacturer minimum advertised prices. Failure to comply with minimum advertised prices will result in cancellation of any agreement and violators will not be entitled to purchase further products.

Minimum Sale Price: All sales are subject to Pinnacle Express, Inc. or Manufacturer minimum sale prices. Failure to comply with minimum sale prices will result in cancellation of any agreement and violators will not be entitled to purchase further products.

Freight and Handling: Pinnacle Express, Inc. reserves the right to ship products by its choice of carrier. All shipments are F.O.B. from place of shipment, and risk of loss shall pass to the Buyer upon delivery to the carrier at the point of shipment. Additional charges may apply for special handling and packaging.

Deliveries: Pinnacle Express, Inc. shall not be liable for failure to deliver or for delays in delivery or performance due to: (1) causes beyond its reasonable control; (2) acts of God, acts of Buyer, acts of civil or military authority, governmental allocations or controls, fires, strikes or other labor difficulties, riots or other civil disturbances, delays in its usual source of supply, delays in transportation; (3) any other commercial impracticability. In the event of such delay, the date of delivery or performance shall be extended for a period equal to the time lost by reason of the delay.

Claims: All claims for non-conforming delivery of Products must be made within fifteen (15) days of receipt of shipment.

Damage or Loss: Any claim for damage or loss in shipment should be made to the carrier immediately by the customer. Products become the responsibility of the Buyer when accepted by the carrier in good condition from Pinnacle Express, Inc. and we are not able to process shipping damage claims.

Returns: Only Items marked in this Price List as "Stock Item" are subject to return. All other items are considered Special Order Items and are NOT RETURNABLE. No Products may be returned without a Pinnacle Express, Inc. Return Goods Authorization (RGA) Number issued prior to the return of Product. Any product returned without an RGA will be refused and returned to the sender. RGA's are valid for thirty (30) days only. All returns are subject to inspection before being approved for credit - products must be in salable condition to be considered for return or replacement. A 30% restocking charge will apply to all returns.

Payment: Unless otherwise noted, payment terms are Net Due on Receipt. Balances owed on invoices over 30 days old are subject to a 1.5% per month charge. Each shipment or delivery shall be deemed to have been sold under a separate and or independent contract and payment thereof shall be made in accordance with the terms of this agreement and of the invoice rendered by Pinnacle Express, Inc. Buyer agrees that title to the personal property described herein shall not vest in Buyer until paid in full. In the event of insolvency or the filing of bankruptcy by the Buyer, Buyer agrees to return all merchandise to Pinnacle Express, Inc.

Warranties: Products distributed by Pinnacle Express, Inc. are the products of reputable manufacturers sold under their respective brand or trade names. Pinnacle Express, Inc. shall use its best efforts to obtain from each manufacturer, in accordance with the manufacturer's warranty or customary practice, the repair or replacement of products that may prove defective in material or workmanship. The foregoing shall constitute the exclusive remedy of the Buyer and the sole obligation of Pinnacle Express, Inc. Except as to Title, THERE ARE NO WARRANTIES, EITHER WRITTEN, ORAL, IMPLIED, OR STATUTORY relating to the described products which shall extend beyond that described in this paragraph. NO WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR PURPOSE SHALL APPLY.

Limitation of Liability: Pinnacle Express, Inc.'s liability on any claims for loss or damage arising out of this contract or from the performance or breach thereof or connected with the supplying of products hereunder, or its sale, resale, operation or use, whether based on warranty, contract, negligence or other grounds shall not exceed the price allowable for such products or parts thereof involved in the claim. Pinnacle Express, Inc. shall not, under any circumstances, be liable for any labor charges unless agreed upon in advance and in writing by Pinnacle Express, Inc. and the manufacturer of the products involved. Pinnacle Express, Inc. shall not in any event be liable for special or consequential damages, including, but not limited to, loss of profits or revenue, loss of use of the product or any associated product, cost of capital, cost of substitute products, facilities or services, downtime costs, or claims of customers of the Buyer for such damages.

General: The possession of this Price List by anyone is not to be considered as an offer to sell any of the Products contained herein. This Price List supercedes all previous price lists or memorandums. Pinnacle Express, Inc.'s existing Trade Terms and Conditions remain in effect. The above Terms and Conditions shall be a part of all Orders accepted by Pinnacle Express, Inc. and shall supercede any conflicting provisions of our customer's purchase orders. These terms and conditions are subject to change without notice.
