

2017 Charge Conference Report Preparation and Instructions for Central District Churches

To access the online reporting system, direct your internet browser to one of the links below:

Pastors can access through the *new INUMC Portal* (www.inumc.com/portal/pages/login.html) or by going directly to the Charge Conference URL - <http://chargeconference.inumc.com/intranet/login.html> with their INUMC.org email. Laity must be added to the program each year. The pastor may add a user or contact the [district center](#) for assistance. (Chrome or Firefox browsers work best with the Charge Conference reports.)

A [training guide](#) is available on the Central District webpage at INUMC.org

DATES:

When your conference date was set pastors received a system generated email. This is the date of the conference, *not* when your completed reports are due.

- **Please note** that your *completed reports must be submitted for approval at least 2 weeks before your charge conference* so we may prepare properly. For example, if your charge conference is set for October 15, your reports are due no later than Sept 30 (the Friday prior to the weekend, when conferences fall on a Sunday). This deadline is important because historically more than 85% of all churches have errors or omissions on at least one of the reports and corrections need to be made; then reports need to be resubmitted for approval.
- When your reports are approved, you need to get signatures of leadership and *send us the signature page 3 days prior* to the conference. **No paper will be exchanged at charge conference locations.**

THE REPORTS: **Generally the reporting is from the last charge conference to the next except in the case of listing leaders, and compensation.** While this may be somewhat confusing, keep in mind that membership is updated in year-end statistical reporting (calendar year) and compensation is for calendar year.

1. **Church Info** – make changes only. Do not fill in information unless you are making a change or correction
2. **Parsonages** – a parsonage inspection must be done annually and the inspection form sent to the district office. The Annual Parsonage Inspection is addressed in the Book of Discipline, ¶252.4e, ¶258.2g.16, and ¶2533.4. You may complete the inspection and air quality test at any time of the year. Your charge conference reports require the date of your annual parsonage inspection and air quality test.
 - a. *Whether your parsonage is occupied by the pastor, rented or vacant, you are still required to inspect the parsonage annually; an air quality (mold) test must be done every other year. If either of these were not reported as completed last year they must be done before approval of this report. If inspected/AQ test since the date of last CC, please fax the inspection report; enter the date(s) on the parsonage form.*
3. **Clergy Compensation** – for the calendar year 2018, submit salary, accountable reimbursement amount(s), housing provision and housing exclusion (if any) for each pastor. UMPIP is the personal share of pension and if there will be no change for 2018 *in the percentage* you may mark “no change;” however, if a dollar amount was submitted last year and there is no change, the percentage may fall below the threshold (3%) for maximum benefit and the amount may need to be adjusted accordingly.
4. **Membership** – please list all names in the categories that apply from Jan. 1, 2017 until a point in time prior to your conference, such as Sept 30, or Oct 30, depending on when your conference is. If removing names by charge conference action be sure these names are circulated among the membership and leaders *prior to* the charge conference. These names will have been read for the first time last year and, with no objections, will be removed as of the second reading.

5. **Trustees Report** – list a minimum of 3 trustees. If you have nominated the trustees for 2018, list these names; if the committee is not set yet, list current trustees and update us in January 2018. The Certification of Trustees form (for unincorporated churches only) will need to be filed with your county recorder after the first meeting of the trustees when the chair is officially elected, and before Jan. 31.
 - List all property types with separate deeds: church building, parking lots, vacant lots, rental properties, parsonages, cemeteries, etc. Location of property titles in county records must be listed. *No reports will be approved without this information. Be aware that deeds and other legal documents need to be **kept OFF-SITE**, preferably in a bank safety deposit box, or in a fire-proof container, in the care of a trustee.*
 - Funds refer to all funds other than Operating Fund, including long term investments or endowments, as well as designated funds for which use of income is restricted. Date means the date the fund was established or date of recent deposit/growth, not the current year or month. Fund income (or loss) due to market changes should be listed as well. How the income is to be used, even if nothing was expensed, should be indicated.
 - Accessibility Audits need to be updated regularly. If there is no record of one being done in the last few years, trustees need to conduct one using the form in the [Charge Conference Appendix](#) found online. For churches with no record of this audit being done in the last 3 years, the report will not be approved until one is completed by the trustees.
6. **Faith Development** –
 - Recommendations is where any NEW candidates for ministry are listed for the *first time*. Ideally, Bob Coleman will have had a discussion with them or the pastor prior to being listed here. SPRC will have completed a form 104 and the church council will have approved supporting this/these candidate(s). A written ballot is required at charge conference for all new candidates. A charge conference may be held prior to the annual charge conference, or it may be done at the annual conference. (If done ahead of time, it must be requested at least 2 weeks prior to the intended date.)
 - Candidates is where you list any CONTINUING candidates for ministry – those already in the process.
 - Lay Servants – all lay servants (new and continuing and certified lay ministers) are listed here. Each must submit an annual report to the district center (found in the Charge Conference Appendix).
7. **Mission Report** – if you have ongoing missions/outreach such as a food pantry that is open weekly or monthly, only list it one time. Do not list missions such as Red Bird Mission to which you have sent only contributions unless persons from the church have participated at the Red Bird Mission. If you have no current (2017) mission projects, save the blank form. Please be sure to check the dates entered that they are 2017 only.
8. **Leadership Directory** – There are 9 essential, required positions (by the *Book of Discipline*) that must be listed. Churches with a Single Board structure will still need to identify each of these: charge conference secretary, conference lay member, council chair, finance chair, financial secretary, lay leader, treasurer and trustee chair.
 - **Please check the auto-populated information to be sure the correct address, phone number and email are listed for each person.** Do not list the church address for persons in leadership positions. Treasurers and Staff Parish chairs need to have an email listed to receive critical information sent by the Indiana Conference. If that person does not have an email account, it would be helpful to designate an email to receive communication intended for each. Please list all known phone numbers (home, cell, work) for SPRC chairs.

The Book of Discipline para 258.4 states that the positions of treasurer and financial secretary should not be combined and held by one person, and the persons holding these positions should not be immediate family members. You will need to add another person to your leadership to take one of these positions.

To help in the compensation process and for budgeting for 2018, use the following chart:

Minimum Salary Requirements and Health Insurance Rates

2018 Minimum Compensations				
2017 DAC = \$70,202		2018	2017	Increase
Full-Time Elder (60% DAC)		\$42,121	\$41,744	\$377
Full-Time Provisional Elder (58% DAC)		\$40,717	\$40,353	\$364
Full-Time Local Pastors (55% DAC)		\$38,611	\$38,266	\$345
The recommended Cost of Living Increase for 2017 is 2.3% . This range is based on Cost of Living indexes published by the U.S. Bureau of Labor Statistics for the Midwest Region of the Country - June 2015 to June 2016.				
Merit/Performance Recommendation:				
	Poor -	No Increase		
	Fair -	.50 to 1.5%		
	Good -	1.51 to 3.0%		
	Excellent -	3.01-4.50%		
Please note that these are recommendations to assist you. The Book of Discipline states that the primary responsibility for determination and payment of pastoral salaries remains with individual pastoral charges.				
2018 MONTHLY/ANNUAL HEALTH INSURANCE RATES			Church = \$1,182/\$14,184
