## PROOF THAT PRECISION MATTERS: THE ALL-NEW 2017 ACADIA.

---

It matters in every pound-foot of torque, every millimetre of fit and finish and every decibel of quiet. That's what drives us to reimagine solutions and create rewarding driving experiences. Your daily life—and your expectations—inspired us to precisely craft the all-new 2017 Acadia. It easily moves you through your day, your week and your life. You and up to six companions will enjoy up to three premium rows of versatile seating along with the latest technology. And with the new Acadia All Terrain, we've enabled your off-road travels as well. This is what you've been waiting for. This is Professional Grade.

ACADIA DENALI

# THE SUV THAT MOBILIZES YOUR LIFE.

We designed the 2017 Acadia to help you accomplish more, all while enjoying a premium experience.

## REFINEMENT: THE NEXT LEVEL.

Acadia Denali accommodates family and friends in refined, quiet and comfortable surroundings. It offers premium materials such as authentic wood accents and warm-tone burnished aluminum trim. Refinements continue with Denali-embroidered head restraints, supportive heated and vented leather-appointed front seats and heated second-row seats accentuated with French seam stitching. The Denali-specific leather provides a smooth, premium feel. Denali also offers an easy second-row pass-through to the third row.

+ SEATING FOR UP TO SEVEN WITH GENEROUS INTEGRATED STORAGE

+ KEYLESS ENTRY AND PUSH-BUTTON START

+ PREMIUM LEATHER APPOINTMENTS

+ CUSTOMIZABLE DRIVER DISPLAY

+ HAND-STITCHED HEATED, LEATHER-WRAPPED STEERING WHEEL

+ SAFETY ALERT DRIVER SEAT

# SLT

## THE ART OF UTILITY.

You'll appreciate how Acadia SLT's style fits in everywhere. Its all-new design introduces itself with a new dimensional grille and nearly seamless wraparound rear window glass. To help Acadia SLT maintain its style over time, lower door cladding adds a rugged, durable finish. And for more refined aerodynamics, we finely tuned Acadia's sleek design to help increase efficiency and reduce interior noise.

**+ REIMAGINED EXTERIOR WITH SCULPTED THREE-DIMENSIONAL GRILLE**

**+ NEW 20" BRIGHT ALUMINUM WHEELS WITH LIGHT ACCENTS (AVAILABLE)**

**+ BODYSIDE CLADDING ADDS A PRACTICAL AND AESTHETIC DETAIL**

**+ PROGRAMMABLE POWER LIFTGATE**

## THE LAP OF PREMIUM.

You spend a lot of time behind a steering wheel. Acadia is designed to ensure it's the most comfortable, sophisticated, quiet and accommodating time of your day. Acadia SLT begins with seats that support your body for exceptional ride enjoyment no matter how far you travel. Acadia also features available heated front and second-row seats. And getting to the third row is simple with just one hand thanks to new easy-to-use second-row Smart Slide seats.

+ SMART SLIDE SECOND-ROW SEATS

+ TRI-ZONE AUTOMATIC FRONT AND REAR CLIMATE CONTROLS

+ DRIVER MEMORY SEAT AND MIRRORS (AVAILABLE)

+ CENTRE CONSOLE STORAGE WITH REAR STORAGE DRAWER

# ALL TERRAIN

## OUR NEWEST FRONTIER: THE FIRST-EVER ALL TERRAIN.

Some of the best areas of our country have no paved roads. But now, that won't stop you thanks to the new Acadia All Terrain. In true GMC dedication, style didn't lose out to rugged capability. In fact, refinement is quickly apparent in All Terrain's stealthy, sporty design. Its unique tone-on-tone look utilizes black chrome and dark accents to create a distinctive appearance, as do the All Terrain grille, badge, skid plates, roof rails and mirror caps.

+ EXCLUSIVE ALL TERRAIN EXTERIOR DESIGN

+ INTEGRATED ASSIST STEPS (AVAILABLE ACCESSORY)

+ UNIQUE ALL TERRAIN ALUMINUM WHEELS

+ ADVANCED AWD SYSTEM WITH ACTIVE TWIN-CLUTCH

## GET AWAY WITHOUT ROUGHING IT.

Creating the Acadia All Terrain meant balancing its obvious rugged capabilities with a premium, ultra-supportive environment. We began by designing a cabin and seat environment inspired by outdoor gear. Then we added front seats that are comfortable even when the going gets tough. With seating for up to five, All Terrain adds two covered under-floor bins to store your gear in a safe, secure, easily accessible location.

+ DISTINCTIVE ALL TERRAIN INTERIOR

## YOUR ULTIMATE MOBILE DEVICE.

When it comes to keeping us connected, informed and entertained, we believe the smarter the technology, the more mobile, intuitive and easy to use it has to be. The all-new Acadia is all about that.

**PHONE INTEGRATION** Acadia offers Apple CarPlay™ and Android Auto compatibility.<sup>3</sup> With Apple CarPlay™, the select apps you love on your iPhone® come alive through Siri® Eyes Free or the built-in display, while Android Auto easily integrates the power and functionality of your Android phone into Acadia. Just plug into the USB<sup>4</sup> outlet and go.

**4G LTE WI-FI® HOTSPOT<sup>1</sup>** The 4G LTE built-in Wi-Fi (3-month or 3 GB data trial, whichever comes first) means a fast Internet connection for Web-enabled devices when Acadia is running. It's reliable, powerful and easy to use, and can connect up to seven devices<sup>2</sup> up to 15 metres around Acadia.

**CUSTOMIZED DRIVER DISPLAY** Denali's reconfigurable gauge cluster allows you to personalize the new 203 mm diagonal colour Driver Information Centre to control what you see and how you see it.

### **VOICE AND TOUCH-SCREEN NAVIGATION<sup>5</sup>**

In response to your voice or touch, Acadia's available Navigation System displays 2-D or 3-D map graphics. Also included, NavTraffic<sup>6</sup> (with 3 trial months of SiriusXM) incorporates real-time traffic and road conditions.

**SURROUND VISION CAMERA** On Denali models, the available system provides a bird's-eye view around Acadia. It's helpful for reducing blind spots and enhancing your view of the general surroundings.

**INTELLILINK<sup>7</sup> WITH 178 MM OR 203 MM SCREEN** GMC IntelliLink features full-colour, 178 mm or 203 mm diagonal screens for easy viewing and hands-free, voice-activated control of your smartphone. The available 203 mm screen offers advanced connectivity and an intuitive experience to help minimize distractions. Stream Internet radio,<sup>8</sup> sync MP3 music, receive vocalized text messages, enjoy HD radio, benefit from Siri<sup>®</sup> Eyes Free assistance, connect libraries from multiple devices and store frequently used phone contacts.

**BOSE<sup>®</sup> PREMIUM SOUND SYSTEM** The optional Bose eight-speaker system with subwoofer is engineered to give you the realism and presence of a live performance.

<sup>7</sup>Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar service and data plan. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. <sup>8</sup>Devices must be WPA2-compliant with an active OnStar service plan and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit [onstar.ca](http://onstar.ca) for system details and limitations. <sup>9</sup>Vehicle user interfaces are products of Apple<sup>®</sup> and Google, and their terms and privacy statements apply. Requires compatible smartphone. Data plan rates apply. <sup>4</sup>Not compatible with all devices. <sup>5</sup>At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. <sup>6</sup>Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at [siriusxm.ca](http://siriusxm.ca). <sup>7</sup>Full functionality requires compatible Bluetooth<sup>®</sup> and smartphone, and USB connectivity for some devices. Visit [intellilink.gmc.gm.ca](http://intellilink.gmc.gm.ca) for more details. <sup>8</sup>Data plan rates apply.

ACADIA DENALI INTERIOR IN COCOA/SHALE  
shown with available equipment.

## DESIGNED AROUND YOU.

Slide into the 2017 Acadia and discover it's made for you. We set out to create unsurpassed levels of fit, finish and overall craftsmanship. Precision matters in everything that carries the GMC name, and it's the key to an outstanding level of refinement throughout Acadia.

**PREMIUM SEATING** To enhance ride enjoyment, newly designed seats provide exceptional comfort. Acadia offers the choice of available heated or heated and vented (on Denali) front seats and available second-row heated seats.

**AUTHENTIC MATERIALS** The satin-finish aluminum trim is inspired by today's refined products and furnishings. Cabin accents feature linear patterns and low-gloss finishes for a sophisticated appearance. Denali presents authentic wood accents and embroidered front head restraints and its own warm-tone burnished aluminum for a distinctive style.

**INTEGRATED STORAGE** Ingeniously positioned storage bins don't interrupt cabin flow. In the second row, a rear-facing console drawer (not available on All Terrain) is the ideal place to secure small electronics. There's even a rubber-lined compartment under the climate controls that is removable and dishwasher-safe.

**INSTRUMENT PANEL DESIGN** To provide the best ergonomics, Acadia presents information and controls in an easy, at-a-glance style, while a soft-touch surface offers a premium feel.

**RELAXED CABIN LIGHTING** Acadia offers blue and white lighting on the instrument panel and touch-screen display. This combination creates a calming atmosphere that forms the centerpiece of Acadia's interior style.

**PRECISE FIT AND FINISH** Throughout the cabin, elements come together precisely—from the way the aluminum integrates with trim panels to how the centre console and the doors flow smoothly into the instrument panel.

ACADIA DENALI INTERIOR IN COCOA/SHALE  
shown with available equipment.

## ADAPTS AS EASILY AS YOU DO.

Because your life is all about being productive during the day and enjoying a night out with family and friends, Acadia is here to accommodate. Perhaps the best enabler of this versatility is the new second-row Smart Slide seats that require just one hand to easily access the third row.

**NEW SMART SLIDE SEATS** The latest innovation in seats known for innovations allows the second-row passenger Smart Slide seat to tip, pitch and slide for easy third-row access—even when a car seat is attached. The pitch/slide option on the driver's side of the seat folds and slides the second row, offering ample room for entry and exit. And it can all be done using just one hand.

**NUMEROUS SEATING/CARGO ARRANGEMENTS** Acadia's remarkable versatility ensures comfortable accommodations for all passengers while still providing expansive cargo capacity. A new innovation is a flat 50/50 split-folding third-row bench seat that makes cargo loading easier while preventing items from sliding around. Also new are release levers that allow you to easily fold the second-row seat from the rear of Acadia.

**HANDS-FREE POWER LIFTGATE** Acadia Denali features the convenience of a foot-activated power liftgate. Non-Denali models also benefit from a key fob-operated programmable and height-adjustable power liftgate.

# PROTECTION

## PRECISELY FOCUSED ON SAFETY.

Since we only have eyes in the front of our heads, Acadia Denali offers GMC's first-ever use of an available Surround Vision Camera. It gives you a bird's-eye view of the area surrounding your Acadia. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

**SURROUND VISION CAMERA** On Denali models, an available Surround Vision Camera replaces the Rear Vision Camera to offer a view around Acadia. It is helpful for reducing blind spots and viewing pavement markings, other vehicles, curbs and general surroundings.

**REAR CROSS TRAFFIC ALERT** It's available to help alert you to oncoming traffic, especially in parking lot situations. Using radar technology, it looks about 20 metres to the left and right behind Acadia and uses the Rear Vision Camera screen and Safety Alert Driver Seat (if equipped) to issue warnings.

**LANE KEEP ASSIST** This new available feature helps the driver keep Acadia in its lane to avoid unintentional lane changes. It assists by gently turning the steering wheel if Acadia approaches a detected lane marking without the turn signal being activated.

**SAFETY ALERT DRIVER SEAT** Relaying inputs from Forward Collision Alert and Lane Keep Assist, this available seat helps alert the driver of potential traffic danger using directional vibration pulses within the seat cushion.

**ADAPTIVE CRUISE CONTROL**<sup>1</sup> Denali models with available Full-Speed Range Adaptive Cruise Control and Front Automatic Braking use a radar-based system with a 110 metre range.

**FORWARD COLLISION ALERT** This available system helps warn you when you're rapidly approaching another vehicle and it appears a collision is imminent. New for 2017, it now includes a Following Distance Indicator in the DIC that displays the following time in seconds from the vehicle ahead.

**FRONT PEDESTRIAN BRAKING** This available system issues audible and seat-vibration alerts when Acadia is getting too close to a pedestrian and will take measures to reduce Acadia's speed to help avoid or reduce the impact.

**LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT**<sup>2</sup> Available Side Blind Zone Alert uses sensors to monitor blind spots, alerting you via visual warnings. Working with Side Blind Zone Alert, available Lane Change Alert uses long-range radar to help detect and warn you of fast-approaching traffic in the next lane.

<sup>1</sup>Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle. The Front Automatic Braking feature may help reduce crash damage under certain conditions discussed in the Owner's Manual. Never rely on this feature to brake the vehicle. <sup>2</sup>Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards and start the turn signal.

# PERFORMANCE

## TRAVEL AT THE SPEED OF LIFE.

For all its premium refinements, adaptive versatility and life-enhancing technologies, Acadia is still about your ride. That's why our engineers precisely tuned the 2017 Acadia to seamlessly integrate a multitude of available advanced technologies. From effortless acceleration to powerful braking, and from easily selectable drive modes to a new, highly capable off-road all-wheel-drive system—they all result in a premium driving experience.

+ 2.5L 4-CYLINDER ENGINE WITH STOP/START TECHNOLOGY

+ 3.6L V6 WITH ACTIVE FUEL MANAGEMENT (AVAILABLE)

+ ELECTRONICALLY CONTROLLED DRIVE MODE SELECTOR (AVAILABLE)

+ CONTINUOUSLY VARIABLE RIDE CONTROL (AVAILABLE)

+

ACADIA DENALI IN IRIDIUM METALLIC  
shown with available equipment.

P. 25 | PERFORMANCE

## SMOOTH OVER ROUGH SPOTS. POWER THROUGH CHALLENGES.

We can't repave the roads or change the weather, but now Acadia can make it seem that way. To do that, Acadia offers several new ride and handling technologies, as well as new powerfully efficient engine options for 2017. Obviously, our engineers have been busy.

**RACK-MOUNTED ELECTRONIC POWER STEERING** The electric variable-assist power rack-and-pinion steering system on Acadia provides precise handling.

**ADVANCED ALL-WHEEL-DRIVE SYSTEM WITH ACTIVE TWIN-CLUTCH** (Included on All Terrain) This new innovation heightens off-road capability by applying torque to the wheel that needs it most.

**CONTINUOUSLY VARIABLE RIDE CONTROL** To produce a smoother, controlled ride, the available system automatically minimizes vibrations using sophisticated sensors to tailor the suspension personality to fit the moment.

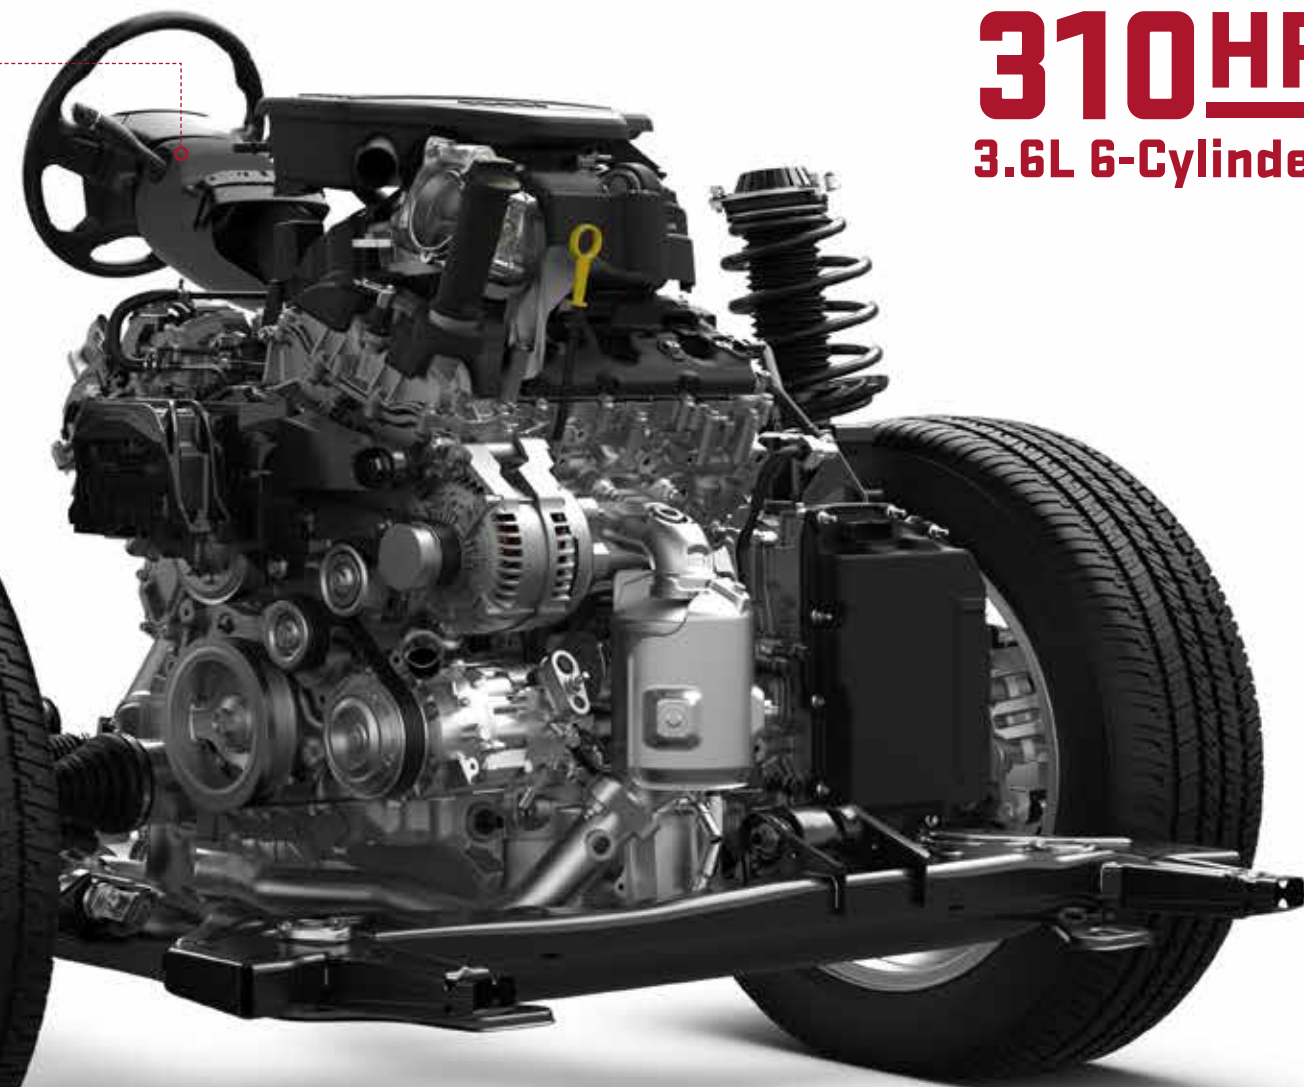

**DRIVE MODE SELECTOR** For the ultimate in versatility, this new available feature allows you to select how Acadia responds and adapts to various driving conditions. It allows for real-time control based on changing conditions. You select the desired driving mode in real time to adapt to terrain and weather—Sport, Snow and, on AWD models, going from FWD to AWD and vice versa on the fly.

**CORROSION-RESISTANT DURALIFE BRAKE ROTORS** GMC engineers used patented Ferritic Nitro-Carburizing (FNC) technology that can help double rotor life.

# POWERFUL A

## 310HP

### 3.6L 6-Cylinder

Producing Professional Grade trailering capability, this engine incorporates continuously Variable Valve Timing and Active Fuel Management, so it's smart enough to switch to four cylinders to conserve fuel when less power is needed, such as at cruising speeds.

## 193HP

### 2.5L 4-Cylinder

The direct-injected engine utilizes new Stop/Start technology. It shuts down when Acadia comes to a stop for impressive efficiency and starts up again seamlessly. Also included are active grille shutters for maximum aerodynamic efficiency.

# AND EFFICIENT

# A PASSION FOR TRAILERING.

---

To help you pursue your weekend passions, we engineered Acadia with a trailering capability of up to 1814 kg<sup>1</sup> when used with the 3.6L V6 engine.

**HILL START BRAKE ASSIST** Sensors automatically detect when Acadia is on a 5 percent grade or more. The system holds the brakes momentarily, preventing rollback.

**TOW/HAUL MODE** To give you even more power to accelerate when trailering or hauling heavy loads, the available Tow/Haul mode feature raises transmission upshift points.

**REAR VISION CAMERA AND ACTIVE TOW SYSTEM** The centre screen serves as your monitor for the camera. Its dynamic grid lines help when hitching a trailer. The new available Active Tow System adds a centre grid line to help when backing up or hitching a trailer and real-time viewing of your trailer while you're moving.

**V6 TRAILERING PACKAGE** It includes a factory-installed hitch, 7-pin wiring harness and the new Active Tow System in the Rear Vision Camera. This available package boosts Acadia's trailer weight rating to 1814 kg.<sup>1</sup>

**TRAILER SWAY CONTROL** Keeps both you and your trailer heading in the same direction, automatically. It detects a swaying trailer and applies Acadia's brakes to help bring it back in line.

<sup>1</sup>Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

# PROFESSIONAL GRADE PROTECTION.

Pro Grade Protection is standard on every 2017 Acadia. From maintenance to protecting your entire vehicle, you can drive with confidence.

**2-YEAR/48,000 KM LUBE-OIL-FILTER MAINTENANCE<sup>1</sup>**

**3-YEAR/60,000 KM NEW-VEHICLE LIMITED WARRANTY<sup>2</sup>**

**5-YEAR/160,000 KM POWERTRAIN LIMITED WARRANTY<sup>2</sup>**

**5-YEAR/160,000 KM ROADSIDE ASSISTANCE/COURTESY TRANSPORTATION<sup>2</sup>**

<sup>1</sup>Limit of four complimentary Lube-Oil-Filter services in total. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc., are not covered. Conditions and limitations apply. See your dealer for details. <sup>2</sup>Whichever comes first. See dealer for limited-warranty details.

# WE'RE AS CLOSE AS THE BLUE BUTTON.

Standard for 6 months, the OnStar Guidance Plan (trial excludes Hands-Free Calling minutes) lets you connect to an OnStar Advisor just by pushing the blue OnStar button in your Acadia.

**4G LTE WI-FI<sup>3</sup>** Acadia has a built-in Wi-Fi hotspot for connecting up to seven tablets, laptops or other devices<sup>4</sup> at fast speeds, so the content you crave is always headed where you are. Requires a data plan after the 3-month or 3 GB data trial (whichever comes first).

**ONSTAR BASIC PLAN<sup>5</sup>** With the Basic Plan, you've got a powerful connection to your vehicle and the world around you standard for 5 years at no additional cost to you. You'll have access to select services, which include limited features of the myGMC mobile app<sup>6</sup> that lets you remote-start your vehicle (if equipped) and manage your vehicle's Wi-Fi hotspot (if equipped). Plus, lock or unlock your doors—all from your mobile device. Your vehicle can run diagnostic checks on itself and remind you of servicing needs by email.

**AUTOMATIC CRASH RESPONSE** Depending on the severity of the crash, built-in sensors may automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help—even if you can't ask for it.

**EMERGENCY SERVICES** One push of the red emergency button gives you a priority connection to a specially trained OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you're never alone.

**CRISIS ASSIST** During severe weather or other crisis situations, OnStar can provide a quick, central point of contact when you need emergency assistance, navigation help or information.

**ROADSIDE ASSISTANCE<sup>7</sup>** If you're stranded, have a flat tire or need a tow truck, just ask an OnStar Advisor to get help to your exact location to get you back on the road quickly.

**STOLEN VEHICLE ASSISTANCE<sup>8</sup>** If your vehicle is stolen, OnStar can work with authorities and use GPS to pinpoint and quickly help recover it. On many models, an Advisor can send a signal to slow the vehicle or prevent it from being started. And with the new Theft Alarm Notification<sup>9</sup> feature, if your car alarm sounds, you'll receive a notification by text, email or phone call.

**TURN-BY-TURN NAVIGATION<sup>10</sup>** Getting directions is as easy as pushing a button and telling an Advisor where you want to go. Directions are quickly downloaded to your vehicle, and a voice calls out every turn. An Advisor can also help you with a database of more than 1 million points of interest. To plan routes in advance, you can send destinations to your vehicle through an Advisor or the myGMC mobile app.<sup>6</sup>

**myGMC MOBILE APP<sup>6</sup>** You can remotely start your vehicle, lock or unlock your doors, honk your horn and flash your lights. You can also send destinations to your vehicle through your smartphone.

**REMOTE SERVICES<sup>11</sup>** A simple call to an OnStar Advisor can send a signal to unlock your doors or honk the horn and flash the lights. It's technology hard at work to get you back on the road.

**HANDS-FREE CALLING<sup>12</sup>** Your vehicle has built-in Hands-Free Calling to help keep you safely connected when your cellphone isn't easily accessible. Choose from minute bundles or a minutes-per-month plan.

**ATYOURSERVICE<sup>13</sup>** Life just got easier and more affordable with the personalized connection of AtYourService. By simply pressing the blue OnStar button, our trusted Advisors can help you locate hotels and even book your room through Priceline.

**ADVANCED DIAGNOSTICS<sup>14</sup>** Feel confident and safe knowing you have a self-diagnosing vehicle. Now your vehicle can easily run a check on its key systems and send you a monthly Diagnostics Report email. You'll know more and worry less with Advanced Diagnostics.

**DEALER MAINTENANCE NOTIFICATION** Is it time for a tire rotation? An oil change? Or a new air filter? You'll always know because your vehicle can email your Diagnostics Report to the dealer when it's time, and the dealer will contact you to set up a service appointment.

<sup>3</sup>Visit onstar.ca for coverage map, details and system limitations. Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar service and data plan. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. <sup>4</sup>Devices must be WPA2-compliant with an active OnStar service plan and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for system details and limitations. <sup>5</sup>The OnStar Basic Plan is available for 5 years from the date of delivery of the eligible new 2015 model year and newer vehicles and is transferable to subsequent owners for the remaining term. The Basic Plan includes access to: (1) monthly Diagnostics Report emails (capabilities vary by model); (2) Dealer Maintenance Notification; and (3) limited myGMC mobile app services, which include remote start (requires factory-installed and enabled remote-start system), remote lock/unlock doors (requires automatic locks) and remote horn and lights activation. The myGMC mobile app is available on select Apple®, Android, BlackBerry® and Windows® devices. Visit onstar.ca for vehicle availability, coverage map, details and system limitations. The OnStar Basic Plan does not include any Emergency Services, Automatic Crash Response, Stolen Vehicle Assistance, live Advisor service or Hands-Free Calling. These and other services are available under a paid plan. If you sell your vehicle or wish to cancel use of Basic Plan services, you must contact OnStar at 1-888-4-ONSTAR (1-888-466-7827). <sup>6</sup>Available on select Apple®, Android, BlackBerry and Windows devices. Requires an active OnStar service plan. Services vary by device, vehicle, conditions and the type of service plan you have. Please visit onstar.ca for vehicle availability, system limitations, geographical and technical restrictions and further details. <sup>7</sup>Roadside service provided by Allstate Roadside Services. <sup>8</sup>Services vary by model, conditions and geographical and technical restrictions. Visit onstar.ca for details and system limitations. Stolen Vehicle Slowdown and Remote Ignition Block are only available on select 2009 and newer GM vehicles. <sup>9</sup>Requires an active factory-installed theft-deterrent system, the Security or Guidance Plan and selected notification preference(s). Capability varies by model. Message and data rates may apply. Your vehicle's electrical systems and your smartphone (or other device) must be operative and sending/receiving data via wireless services and GPS satellite signals for the Theft Alarm Notification service to function properly. Vehicles must be locked electronically to arm the factory-installed theft-deterrent system. Theft Alarm Notifications are sent only to you. OnStar does not notify police of a Theft Alarm Notification. The Theft Alarm Notification service may alert you to a theft in progress. Always use caution and good judgement. Do not approach the vehicle unless you are certain the situation is safe. OnStar is not responsible for the acts of third parties. See OnStar User Terms and onstar.ca for system limitations. <sup>10</sup>Requires ABS and Guidance Plan. Visit onstar.ca for coverage maps. Services vary by model. <sup>11</sup>Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. Unlock feature requires automatic door locks. Remote start requires factory-installed and enabled remote-start system. <sup>12</sup>OnStar Hands-Free Calling requires an existing OnStar service plan and available prepaid minutes. Not available in certain markets. Calls may be made to the U.S. and Canada only. Minutes good for the specified term or until service plan is terminated, whichever comes first. Visit onstar.ca for coverage map, details and system limitations (including geographic and technical restrictions). <sup>13</sup>PRICELINE is a service mark of priceline.com LLC. <sup>14</sup>Availability and capabilities vary by model. Visit onstar.ca for details and system limitations. Message and data rates may apply. Requires an active OnStar service plan, email address on file and enrollment in Advanced Diagnostics. Diagnostic Alerts are designed to help provide the status of key systems based on information collected from the vehicle. Proactive Alerts are designed to help predict specific types of issues based on information collected from the vehicle. Other factors may affect vehicle performance. Not all issues will deliver alerts. In certain scenarios, a dealer service check may be required to confirm the accuracy of the Diagnostic and Proactive Alerts.

# ACCESSORIES

ADD YOUR OWN STYLE.

---

GMC Accessories are designed so you can personalize your Acadia to fit your style as well as your needs.

**ASSIST STEPS** Get into and out of your Acadia with ease, and improve your reach to roof-mounted cargo, with these stylish integrated assist steps. They feature an integrated step pad for sure-footed traction.

**REAR-SEAT ENTERTAINMENT SYSTEM** The system has dual LCD monitors and DVD players mounted on the rear of the front-seat head restraints. Wireless headphones and a remote control allow rear passengers to enjoy the audio. Includes USB<sup>1</sup> and RCA inputs.

**ROOF RACK CROSS RAIL PACKAGE** Make it easy to attach a cargo carrier with these roof rack cross rails. They add functionality and style and can accommodate up to 100 kg.<sup>2</sup>

**INTEGRATED CARGO LINER** The liner covers the cargo-area floor as well as the back of the third-row seats, providing enhanced protection for Acadia's interior. It articulates with the third-row seatbacks and doesn't need to be removed when carrying passengers in the third row. Not available on All Terrain.

**PREMIUM ALL-WEATHER FLOOR LINERS** These liners expand their all-weather coverage with raised edges that follow and protect the floor and trim contours. They offer a textured anti-slip pattern that traps debris and water for maximum carpet coverage. Second-row liners have an interlocking feature that enables easy removal for cleaning. Available in Jet Black, Dark Ash Grey and Cocoa.

**CARGO SECURITY SHADE** Keep the cargo area of the Acadia hidden with this retractable cargo security shade. Available in Jet Black, Light Ash Grey and Shale.

**ALL TERRAIN CARGO STABILIZER** It mounts to the cargo-area floor rails in your All Terrain. The stabilizer helps prevent shifting of cargo while Acadia is moving and helps keep larger items contained.

**ALL TERRAIN TIE-DOWN RINGS** These sliding rings (set of four) mount to the floor rails in the cargo area of your All Terrain. They can be positioned anywhere along the length of the rails, providing flexibility to secure cargo of varying sizes.

# SELECTION

## PRECISELY CRAFTED GMC WHEELS.

Building a Professional Grade SUV like the 2017 Acadia means engineering every inch of it from the ground up—including the wheels it rides on. That's why you'll find a selection of specially designed GMC wheels in a range of styles. Your dealer will provide wheel availability details.

<sup>1</sup>Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle. The Front Automatic Braking feature may help reduce crash damage under certain conditions discussed in the Owner's Manual. Never rely on this feature to brake the vehicle. <sup>2</sup>Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. <sup>3</sup>Not compatible with all devices. <sup>4</sup>Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit [intellilink.gmc.gm.ca](http://intellilink.gmc.gm.ca) for more details. <sup>5</sup>Vehicle user interfaces are products of Apple® and Google® and their terms and privacy statements apply. Requires compatible smartphone. Data plan rates apply. <sup>6</sup>Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at [siriusxm.ca](http://siriusxm.ca). <sup>7</sup>At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. <sup>8</sup>The OnStar Basic Plan is available for 5 years from the date of delivery of the eligible new 2015 model year and newer vehicles and is transferable to subsequent owners for the remaining term. The Basic Plan includes access to: (1) monthly Diagnostics Report emails (capabilities vary by model); (2) Dealer Maintenance Notification; and (3) limited myGMC mobile app services, which include remote start (requires factory-installed and enabled remote-start system), remote lock/unlock doors (requires automatic locks) and remote horn and lights activation. The myGMC mobile app is available on select Apple®, Android,™ BlackBerry® and Windows® devices. Visit [onstar.ca](http://onstar.ca) for vehicle availability, coverage map, details and system limitations. The OnStar Basic Plan does not include any Emergency Services, Automatic Crash Response, Stolen Vehicle Assistance, live Advisor service or Hands-Free Calling. These and other services are available under a paid plan. If you sell your vehicle or wish to cancel use of Basic Plan services, you must contact OnStar at 1-888-4-ONSTAR (1-888-468-7827). <sup>9</sup>Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar service and data plan. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. <sup>10</sup>Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with passenger air bags. Read Owner's Manual and child safety seat instructions for more safety information. <sup>11</sup>Cargo and load capacity limited by weight and distribution.

# SHARE YOUR GMC.

When you've been designing, engineering and building Professional Grade transportation for more than 100 years, you're bound to attract passionately loyal owners. ## IMPORTANT WORDS

### PEACE OF MIND, STANDARD WITH EVERY GMC MODEL

When you build them with quality, you can back them with confidence. That's why General Motors of Canada backs every GMC model with the best coverage in Canada. Program highlights include:

- 2-year/48,000 km Lube-Oil-Filter Maintenance<sup>1</sup>
- 3-year/60,000 km New-Vehicle Limited Warranty<sup>2</sup>
- 5-year/160,000 km Powertrain Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge<sup>2</sup>
- 5-year/160,000 km Courtesy Transportation<sup>2</sup>
- 5-year/160,000 km 24/7 Roadside Assistance<sup>2</sup>
- 6-year/160,000 km rust-through perforation coverage<sup>2</sup>
- 8-year/130,000 km coverage on catalytic converters and Powertrain Control Modules (PCMs)<sup>2</sup>

### OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:<sup>3</sup>

- **GM Protection Plan (GMPP)** – The only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New-Vehicle Limited Warranty period.
- **Certified Service** – With GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better.
- **GMC Owner Centre** – As an owner, take advantage of the GMC Owner Centre. This online owner's destination gives you access to coupons, contests, current offers and the latest driving and maintenance tips. Find out more at [gmcowner.ca](http://gmcowner.ca).

### TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- **Purchase Financing and Leasing** – On-the-spot financing, see dealer for full details.<sup>4</sup>
- **GM Student Bonus Program** – Students or recent graduates of high school, college or university<sup>3</sup> may be eligible to receive a Student Bonus vehicle redemption allowance of \$500 or \$750<sup>5</sup> (tax inclusive) (purchased vehicle dependant) to use toward the purchase, lease or finance of one eligible new GMC vehicle.
- **GM Card** – Cardholders may redeem Earnings toward the total purchase price or lease down payment of an eligible new GMC truck, SUV or crossover. Restrictions and limitations apply.<sup>5</sup> For full program details, visit [gmc card.ca](http://gmc card.ca).

### INFORMATION RESOURCES:

You can find more information about these programs from your GMC dealer, or at these information centres:

- The GM website at [gm.ca](http://gm.ca)
- The GM Customer Care Centre at **1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830** for TDD users)

### A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of printing, please check with your GMC dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

### A WORD ABOUT ASSEMBLY

GMC vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

### TRADEMARKS
