Keep in mind that this isn't a full list of benefits we provide, it's just an overview. To get a complete list, visit our website at www.UHCRetiree.com to see the "Evidence of Coverage" or call customer service with any questions.

Prescription Drugs

If the actual cost for a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

Your plan sponsor has chosen to make supplemental drug coverage available to you. This coverage is in addition to your Part D prescription drug benefit. The drug co-pays in this section are for drugs that are covered by both your Part D prescription drug benefit and your supplemental drug coverage. Once you are enrolled in this plan, you will receive a separate document called the “Certificate of Coverage” with more information about this supplemental drug coverage.

Your plan sponsor has elected to offer additional coverage on some prescription drugs that are normally excluded from coverage on your Formulary. Please see your Additional Drug Coverage list for more information.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.

Stage 1: Annual Prescription Deductible	Since you have no deductible, this payment stage doesn't apply.

**Stage 4:
Catastrophic
Coverage**

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$4,950, your share of the cost for a covered drug will be either co-insurance or a co-pay, whichever is the **lesser** amount between:

- –either– Your normal tier co-pay, or
 - 5% of the cost OR
