Day of Giving

The second annual Day of Giving, A Tribute to the Fishers, was an incredible success! The goal was to raise \$16,500 in 24 hours in celebration of St. Johns and Mr. and Mrs. Fisher's 90 years of combined service to our school. Together, we blew that goal out of the water, raising \$47,627! Thank you to every student, alumni, parent of alumni, current parent, grandparent, faculty and staff member, and donor who believed in us and who made a contribution on our Day of Giving!

13th Annual St. Johns Spartans Golf Tournament

The 13th Annual St. Johns Spartans Golf Tournament was a success with more than 95 participants enjoying a beautiful day of golf at Eagle Harbor Golf Club in Fleming Island. Through the generous support of sponsors, donations, and golfers, the St. Johns Athletic Department will benefit from more than \$25,000 in designated funds.

We hope everyone enjoyed the day, and we look forward to seeing you on the golf course next year!

COMMIT — TO ST. JOHNS —

Supporting the St. Johns Fund

What is the St. Johns Fund?

St. Johns Country Day School relies upon funds above and beyond tuition to cover the costs of delivering an outstanding educational experience. The St. Johns Fund, previously known as the Annual Fund, is our annual giving program that works to make our School's needs and wants a reality, providing the best possible education, environment, tools, and technology for Spartans of today and tomorrow. It's fundamental to the School's operating budget and the reason we are so deeply appreciative of broad participation from our entire School community: parents, alumni, faculty and staff, parents of alumni, grandparents, and friends of the School.

Your gift is a *commitment* to our students, our faculty, and the St. Johns experience. Every gift, large and small, matters. Thank you!

How are contributions used?

Your support of the St. Johns Fund fuels every aspect of the St. Johns experience, including:

- Supporting teachers, coaches, and staff through professional development opportunities
- Delivering technology to enhance teaching and learning
- Making enhancements to the campus, buildings, and security
- Improving student life and co-curricular activities, including trips, equipment, and more
- Strengthening St. Johns' financial future.
