STUDY AT HUMBER

Humber offers career-focused learning in state-of-the-art labs and classrooms that will prepare you for the job market. We work in partnership with nationally and internationally based institutions and offer a growing number of study abroad options. Our wide range of credentials including Bachelor's degrees, diplomas, certificates, postgraduate certificates and English programs allow you to choose the program that is best suited to your specific needs.

ENGLISH FOR ACADEMIC PURPOSES (EAP)

- Designed to improve your English communication skills for further studies or work.
- EAP offers 8 levels of study (each 8 weeks long) with 6 intake dates per year.

HONOURS BACHELOR'S DEGREES

- 4-year degrees combine liberal arts courses with career focused skills.
- All bachelor's degrees include a work/co-op placement.

Humber's career-focused degrees are the ideal blend of theoretical learning and practical experience, taught by professors who have active industry connections and outstanding academic credentials. All degree programs offer work placements or clinical experience, many of which are paid — meaning you'll get valuable experience even before you graduate. Add in small class sizes and an industry-guided, job-relevant curriculum, and your Humber degree will give you a definite advantage in a competitive world.

PLACEMENT ABROAD

Humber students have the opportunity to complete program work placements in Canada or abroad. In today's competitive job market, having global work experience is one of the very best things you can do for your prospective career.

Arguably, the travel and life experience acquired through working abroad is even more important than the professional experience.

SEMESTER ABROAD

Academic exchange opportunities stem from a formal agreement between Humber and an academic institution of similar stature abroad. You will pay your regular tuition and fees to Humber. Academic credit successfully completed abroad will be transferred to your Humber credential, to keep you on schedule for graduation.

ACADEMIC SUMMER PROGRAMS

Imagine studying and living abroad for 2-4 weeks in the summer, learning about yourself and the world while earning academic credits. This incredible opportunity is open to all Humber students.

SERVICE-LEARNING

Service-learning is an opportunity to work cooperatively with members of a community abroad on locally-identified community needs.

Service-learning is different from internship experience or volunteer work in its intention to equally benefit the provider and the recipient of the service, as well as to ensure equal focus on both the service being provided and the learning that is occurring. Community partnerships are based on sustainability and mutual respect.

GLOBAL CITIZENSHIP CERTIFICATE

Participants in this certificate develop a global perspective and understanding of human diversity, interconnectedness and cultural complexity. You will engage in a suite of tuition-free online courses, global experiences, and extra-curricular activities while completing a full-time program. Upon successful completion, you'll have an e-portfolio which documents your global skills, knowledge, and experience.

ACADEMIC PATHWAYS...

THE ENGLISH LANGUAGE CENTRE

The English Language Centre plays an important role in the Humber community. Our programs are created to help meet the language needs of students who wish to:

- Study academic programs at the college or university level.
- Develop their English expertise for job advancement.
- Increase their comfort level with spoken English.

ENGLISH FOR ACADEMIC PURPOSES (EAP) FEATURES

- Direct pathway for EAP level 8 students into Humber Academic Programs.
- 92% of students in EAP graduate and enter directly into Humber's Academic Programs without the need for further exams.
- Focus on reading, writing, listening and speaking, with special emphasis on writing for academic and professional contexts.
- Fast-track your learning and earn relevant college credit courses during EAP to bridge into your degree or diploma program.
- Free individual tutoring opportunities.
- Optional intensive IELTS exam preparation and take the exam at Humber's own exam centre.

HOUSING OPTIONS

On-Campus Residence

Humber provides residence for 1,450 students at our two campuses.

➔ Once you have been accepted to study at Humber, apply online: residence.humber.ca.

NOTE: On-Campus housing is limited and is offered on a first-come, first-served basis. Once you receive a room in residence you will be required to provide a \$500 deposit to the Humber Residence Department. The \$500 is non-refundable; please do not pay until you have been assigned a residence room.

Off-Campus Housing

There are many options for living off-campus. The prices and conditions are not part of Humber's tuition and should be negotiated directly by the student with the housing provider.

➔ To learn more, visit: places4students.com.

NOTE: The International Centre is not responsible for the information provided by Homestay and other renting websites.

Homestay Services

If you are seeking a welcoming place to live and want to add an enriching element to life in Canada, consider a homestay option. Homestay providers coordinate accommodation with a local host family to support the transition to life in Canada.
