RIO

Rio is a family-friendly curriculum that helps churches and families foster a deeper relationship with God and a life of faith that is rich and full. Kids learn how to experience God, discern His voice, and know the Spirit's powerful work in their lives. Rio believes that our faith is a relational one, and that the best way to grow people in the faith is to help them deepen their relationship with God and others. This focus on knowing God will produce in children a desire to obey God—not obedience through their own power, but obedience through the power provided by the Holy Spirit. By keeping the focus on God and responding to Him, Rio strives to produce a transformational faith that will reproduce itself for generations to come.

LIFE: JESUS IS

LIFE: CHILDREN'S CURRICULUM

LIFE: Children's Ministry Curriculum is Biblically-based, narrative-driven curriculum. It is teacher-led and learner-driven. This means we turn inward to learn from each other as much as we turn outward to learn from the teacher. We will do our best to build relationships and foster community in our lessons. We also make use of gamification to incentivize engagement. We want children to be active learners, not just listeners.
