The MTS Custom Shoppe maintains an in-house stain matching process to ensure compatibility with our eco-friendly, water-based wood finishing system. This unique capability allows us to easily and quickly respond to your unique wood stain needs. Please contact us with your custom stain requirements.

All patterns shown actual size except where indicated. Colors and textures in this booklet are reproduced as accurately as possible and are for reference purposes only. Please contact MTS with your selection(s) for actual color samples.

MTS Seating is sensitive to the impact of our manufacturing on the world around us. That's why we developed and adopted the SynerGreen® philosophy to make continuous environmental improvements in our processes and products, while practicing sound business principles to focus on satisfying customer needs. In addition, MTS is proud to be the first hospitality banquet seating manufacturer to earn the GREENGUARD® Indoor Air Quality Certification on our line of stacking, banquet and restaurant seating, and in 2014, MTS received Sustainability Leader status with the MindClick Global Hospitality Sustainability Index.

Visit our website at mtsseating.com to find out more about our SynerGreen program and for the big picture in turnkey solutions for every seating setting.

Discover performance engineering, ergonomics today's hospitality industry demands, and the design impact to make a lasting statement – whimsical to romantic, retro to regal.
