TERMS AND CONDITIONS

- All items manufactured by Sage International Ltd., carry a one-year warranty covering defects in material or workmanship. Warranty claims will be honored only when accompanied by a dated proof of purchase receipt.
- All prices are in Dollars US.
- Chassis Stock System color variants: Sage International, Ltd. cannot guarantee any color shade level or consistency between component parts or assemblies that make up the Chassis Stock System. Material densities, composition and chemistry varies between lots of like material as well as welding, may create a heat affected zone which will not anodize the same color or shade as adjoining components or assemblies. If an order is placed for a color other than black the ordering party is obligated to accept the completed Chassis Stock System "As Is" when shipped from our warehouse.
- All special orders and color variant Chassis Stock Systems require a 50% down payment when the order is placed.
- Prices subject to change without notice; unfilled orders will be subject to prices in effect upon receipt of order.
- All prices are FOB-Oscoda, Michigan 48750, USA.
- Sages International, Ltd. products are sold through authorized Sage International, Ltd. Product Distribution channels. Technical questions or delivery status should be directed to our local representative or our factory Customer Service Department.
- Due to a policy of continuous development and improvement, Sage International Ltd., reserves the right to supply products, which may differ slightly from those illustrated in our catalog.
- No drop shipments are offered for Sage International, Ltd. Products.
- Possession of this document does not constitute a commitment by Sage International, Ltd. to offer or sell our products to the document holder.
