Rock out like your favorite musician at Youth Music Project's music-intensive summer camp! Play the greatest rock and pop songs ever, including today's hottest hits. From the Beatles to Taylor Swift, to Imagine Dragons— we play it all!

Each day at camp is chock-full of fun with three band rehearsals, a recording session, music fundamentals, and time spent creating a band press kit: a band name, logo, and screen-printing band t-shirts. Campers also meet daily with the instructors' "All-YMP Band" to work on two songs that they will perform at the final show. Every final concert will take place in Youth Music Project's Meteor Lounge at 4 p.m. on the Friday of camp week. Each group will take the stage for their moment in the spotlight and show off all they've learned!

Students will be placed in bands based on instrument, age, and experience level. During registration, students will be prompted to choose three different instruments they are interested in playing. We will do our best to honor each student's preferences.
