WELCOME TO CLEVER

Welcome to Clever. Where it just does get better every day. Clever was incorporated in 1896 and operates on a Council-Mayor form of government. We are located between Billings and Nixa on Hwy 14 and just south of Republic on P Hwy.

People come to Clever to start and raise a family because we have an outstanding school system, low crime rate, and local businesses. The small rural community has been one of the fastest growing cities in Christian county over the last decade. Our population has risen from 1010 to more than 2139 in the last census. Along with a growing residential community, we have continued to have good business growth as well. Some of our businesses include Dollar General, Subway, Casey's, Kum N Go, Family Pharmacy, Murfins' Market, two tire shops, and an independent auto parts store. We have numerous restaurants including some new food carts. The City is in cooperation with the school and MoDot to advance the community by completing Phase 3 of the "Transportation Enhancement Program" with building more sidewalks. The school district itself is one of the best in the region, and has completed building a second FEMA storm shelter.

We strive to provide effective and efficient services to our citizens in Clever. Working everyday to enhance the quality of life for you, your family, and your business.

Again, Welcome to Clever. If you are looking for a place to call home you have found it. Like we said this is Clever, where it just gets better every day.

FEMA STORM SHELTERS

Clever School & Community Tornado Safe Room Information

The Tornado Safe Rooms are owned and operated by the Clever RV School District and their primary function is to provide protection for the students and staff during tornadic events during school hours.

The Tornado Safe Rooms will also be available for residents in the community who do not have basements or other safe rooms and live within the Tornado Protection Zone (TPZ), which is one half mile around each FEMA shelter.

If you have any physical impairments, special medical alerts or an aide animal then a Special Needs form must be completed and returned to the school before an event occurs. The form is available on the Clever School website:

www.cleverbluejays.org

1) Clever Elemiddle Cafeteria (capacity of 1,550)

103 S. Public Ave., Clever

Shelter is located on west side of school near bus lane.

2) High School Band Room (capacity of 650)
