

LETTER FROM OUR DIRECTOR AND BOARD PRESIDENT

Last August, over 600 of us gathered on the shores of Crescent Lake for Agawam's 100th Celebration and Alumni Reunion. It was wonderful to experience the outpouring of joy and love for camp and the powerful bonds of friendship, and to feel the impact of 100 years of meaningful camp experiences, positive values, and personal growth on multiple generations of families, campers, and alumni. Our community has never been stronger.

Now, one year later, we look back on that defining event and our 100th season from a very different place. In spite of this, we have once again been overwhelmed by the same love and joy, powerful connections, and the impact of the Agawam experience. We are so grateful for your outpouring of care and generosity over the past five months, and we have been inspired by your enthusiasm for Virtual Vespers, Campfires, and Cabin Reunions, and the recent AG/WAM Cabin Fever event. Our community has never been stronger.

You, as members of the Agawam community, provided powerful positive impacts in 2019.

- Over 100 of you volunteered your time and talent in support of Agawam's program, campus, philanthropic work, and the 100th Celebration.
- Your generosity helped to provide 285 tuition free camper-weeks to over 140 boys at Main Idea and our Full Season program, and nearly 25% of Full Season families received full or partial tuition support.
- Over 40 alumni volunteers participated the 8th Annual AG/WAM Challenge for Camperships!!, battling their way to \$100,000 for Agawam Camperships for the fourth year in a row.
- Six more alumni and parents joined Agawam's Hiawatha Society by making a future planned gift commitment.
- Your gifts to the Annual Appeal exceeded \$390,000 and your overall giving topped \$1,500,000, both record numbers.

The *Agawam, My Agawam* campaign approached its climax in 2019, and with your help we powered past the \$10,000,000 mark earlier this year, achieving our goal of securing and preserving the Agawam experience. Thank you! Your generous support has provided critical improvements to our campus, along with long-term funds in support of Camperships, the Main Idea, Summer Staff, and the Preservation Trust. Thank you to the leaders and volunteers whose dedication made our campaign dreams come to life. The *Agawam, My Agawam* campaign provides another clear example of the strength of the Agawam community - thank you to nearly 350 of you who have now participated and made this landmark achievement possible.

We look forward to Agawam's second century with confidence and gratitude. Thank you for your love and support for Camp and for each other, and thank you for making Agawam strong.

In Agawam spirit...

Camp Agawam is governed by Agawam Council, a 501(c)3 non-profit corporation formed in 1985 to ensure that Agawam would continue to thrive as a summer camp after the retirement of former Directors and owners, Dave and Peg Mason. The Agawam Council Board of Directors helps oversee the camping programs we provide, and works with “Chief” to ensure an outstanding experience for our campers and staff. The Board is made up of alumni, parents, and friends who volunteer their time to further Agawam’s mission.
