## BRUSH KIT - VENTURI / MAINTENANCE 2PC - SS & RESIN

COST	MSLP	MAP	APPROX% PROFIT
\$4.50	\$9.99	\$8.99	50%

Burner health is the most critical component to cooking performance and even heat. Use the venturi brush to clean out the burners; bugs love to build nests inside them cutting off your gas flow. The fine detail brush is the easiest way to clean-up burners, the collector box, or any hard to reach spaces. The fine detail brush also has a needle tip to clean out any clogged burner tube holes – essential on rotisserie burner grills.
